1 urbanization, and the City of Albuquerque approves new development close
2 to, and even abutting the Monument boundary.

3 BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
4 ALBUQUERQUE:

5 Section 1. The Parks Department shall work with the National Parks Service
6 to create a Joint Visitor Use Management Plan (“the plan”) for the Monument,
7 incorporating current and anticipated demands for preservation and
8 maintenance of the Monument including the following components:

- 9 A. The plan shall specify the visitor capacity, level of use and expected
10 requirements for preservation of the cultural and natural resources of
11 the Monument.
- 12 B. The plan shall define the requirements for security of the Monument,
13 particularly the petroglyphs, and specify the methods for securing the
14 Monument.
- 15 C. The plan shall endeavor to protect the Monument from urban
16 incursions, including limiting access points, trails, and educational
17 points of interest, and excluding all motorized vehicles (except official
18 vehicles), wheeled vehicles (except wheelchairs and strollers),
19 unescorted group passage in sensitive areas, and other activities
20 harmful to the purpose of preservation of the cultural and natural
21 resources.
- 22 D. The plan shall include appropriate, low-impact educational and cultural
23 points of interest and escorted interpretive tour routes for both tourists
24 and local students, groups, and individual visitors.

25 Section 2. The City planning process, including recommendations made
26 by the Open Space Advisory Board, and decisions by the Department of Parks
27 and Recreation, the Planning Department, the Environmental Planning
28 Commission, the Design Review Board, and any other relevant City agencies,
29 shall enforce the planned limits on access and incursions into the Monument,
30 including, but not limited to, prohibiting access points in subdivision or
31 neighborhood plans, preventing the expansion of bicycle or other trails into
32 the Monument and denying activities injurious to the petroglyphs.

1 Section 3. City planning decisions and City operations shall take into
2 account standards established by the plan for development and infrastructure
3 near the Monument, including special design requirements for Unser
4 Boulevard.

5 Section 4. City budgets shall prioritize sufficient funding in accordance
6 with the agreement and the City's responsibilities in the Joint Visitor Use
7 Management Plan, including maintaining fencing, repairing surface damage to
8 the terrain, closing unauthorized access points, removing trash, debris, and
9 materials dumped in the Monument boundary, and providing part of the
10 educational and cultural program managed by the National Park Service. City
11 budgets shall also prioritize adequate law enforcement for preventing
12 unauthorized vehicles from traveling in the Monument, unauthorized access
13 by pedestrians or bicyclists, damage to fences, signs or facilities of the
14 Monument, and damage to the petroglyphs.

15 Section 5. At least once per year, the Open Space Advisory Board shall
16 review the Joint Visitor Use Management Plan to assess its proper
17 implementation, its adequacy for preserving the petroglyphs and natural
18 resources and any improvements made under the plan, and shall advise the
19 National Park Service, the Mayor, and the City Council of its
20 recommendations.
