TO: Isaac Benton President, City Council

FROM: Timothy M. Keller, Mayor

The City of Albuquerque was awarded \$108,810,857 in direct federal funding from the United States Department of the Treasury pursuant to Title IX, Subtitle M, Section 9901 of the American Rescue Plan Act of 2021 (ARPA). The funding has and will be used to cover costs incurred by the City to respond to the public health emergency with respect to the Coronavirus (COVID-19) or its negative economic impacts; to support workers performing essential work during the COVID-19 public health emergency; and to provide government services to the extent of the reduction in revenue due to the COVID-19 public health emergency.

These funds were distributed in two tranches. The first was remitted in May 2021, and the amount of \$59,650,000 was appropriated via Resolution R-21-157; and amended for technical clean-up via Resolution R-22-21. The second tranche will be remitted in June 2022 and the amount of \$49,160,857 and requires formal appropriation.
