Mayor Timothy M. Keller

CITY OF ALBUQUERQUE

Albuquerque, New Mexico

Office of the Mayor

INTER-OFFICE MEMORANDUM

September 12, 2022

TO: Isaac Benton, President, City Council

FROM: Timothy M. Keller, Mayor 

SUBJECT: Code Clean Up – Regular Local Election and Petitions

The Code Clean Up – Regular Local Election and Petitions addresses Chapter 2, Article 4 of the City's Code of Ordinances. Various sections in these Articles reference the State Municipal Election Code which has been replaced with the Local Election Act and this Clean Up will remove sections that apply to aspects of election administration which are now overseen by the County Clerk and the Secretary of State.

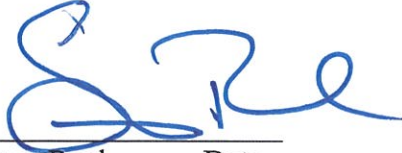

The Code Clean Up removes or amends ROA 1994, Sections 2-4-6, 2-4-7, 2-4-9, 2-4-17, and 2-4-18, as these sections are now overseen and managed by the County Clerk and the Secretary of State.

The Code Clean Up also edits Section 2-4-12 to clarify the form of petition is dictated by state law and the requirements in this section are no longer applicable. The ordinance also edits Section 2-4-13 to merge the petition gathering periods for candidates so that candidates circulating petitions, whether public or privately financed, will circulate petitions during the same timeframe.

The Code Clean Up removes Section 2-4-21 which describes what publicly financed candidates must do to maintain their campaign during off years.

Cover Analysis
2023 Code Clean Up – Regular Local Elections and Petitions

- 1. What is it?** An Ordinance to clean up the City Code, Chapter 2, Article 4
- 2. What will this piece of legislation do?** This legislation will clarify outdated references to state law, and remove sections of Chapter 2, Article 4 that are no longer overseen by the City and rather managed by the County Clerk and the Secretary of State Office. The Legislation will edit the requirements of the petition to comport with state law and will merge petition gathering periods so that candidates, whether publicly financed or privately finance, will gather petitions during the same timeframe. This legislation will also remove the option for maintenance of a campaign in off years for publicly financed candidates.
- 3. Why is this project needed?** It is vital to continually maintain the City Charter to comport with state law as well as to address any confusions or outstanding issues from the previous election cycle. This Code Clean Up will remove outdated references to state law and election management, and will also address items from the 2021 election cycle in advance of the 2023 cycle. These items include removing references to the management of elections that are overseen by the County Clerk and the Secretary of State. During the 2021 election cycle it was discovered that candidates circulating petitions during separate timeframes created issues that could be avoided by merging the petition timeframes.
- 4. How much will it cost and what is the funding source?** N/A
- 5. Is there a revenue source associated with this contract? If so, what level of income is projected?** N/A
- 6. What will happen if the project is not approved?** The references to election management will remain in the City Code and will continue to cause confusion. Candidates will also continue to circulate petitions during separate timeframes.
- 7. Is this service already provided by another entity?** No.
