Standing to appeal a final decision may be granted to any of the following parties:

1. The owner of the property listed in the application.
2. A representative of any City department, City agency, or other governmental or quasi-governmental agency whose services, properties, facilities, interest, or operations may be affected by the application.
3. Any party appealing either of the following decisions:
  - a. Declaratory Ruling.
  - b. Adoption or Amendment of Albuquerque/Bernalillo County Comprehensive Plan.
4. Any other person or organization that can demonstrate that his/her/its property rights or other legal rights have been specially and adversely affected by the decision [but in no circumstances shall a person's use of public lands constitute standing].
  - a. Such showing must be presented by the appellant as part of the appeal, and the LUHO or City Council shall enter a finding or findings as to whether this requirement has been met.
  - b. If it is found that the appellant cannot satisfy this standard, the appeal shall be denied.
5. Property owners (other than the applicant) and Neighborhood Associations on the basis of proximity for decisions as specified in Table 6-4-2.
  - a. Distances noted in feet in Table 6-4-2 are measured from the nearest lot line of the subject property.
  - b. Distances for Neighborhood Associations are based on the boundary on file with the ONC at the time the application for decision related to the subject property was accepted as complete. [Additionally, for standing to appeal, a Neighborhood Association must submit a petition in support of the appeal, signed by a majority of

3                                    c.     For application types with no distance specified, the  
4                                    final decision may be appealed pursuant to the  
5                                    Subsection specified in Table 6-4-2.

6     6-4(U)(3)(d) Land Use Hearing Officer (LUHO)  
7                                    1. Once an appeal has been accepted by the Planning Director, [as soon as  
8                                    possible but within 30 calendar days,] the Planning Director shall prepare  
9                                    and transmit a record of the appeal together with all appeal material  
10                                    received from the appellant to impacted parties and to the LUHO through  
11                                    the Clerk of the City Council. [The official record shall be a recording of the  
12                                    underlying hearing(s), but the Planning Director shall also include an  
13                                    unofficial transcript with the appeal record transmission.] The LUHO shall  
14                                    schedule a hearing on the matter within 30 calendar days of receipt and  
15                                    notify the parties. Appellants and parties to the appeal may submit written  
16                                    arguments to the LUHO through the Clerk of the City Council so long as the  
17                                    written argument is received by the Clerk of the City Council at least 10  
18                                    calendar days prior to the hearing.

19     6-4(U)(4)     Criteria for Decision  
20                                    The criteria for review of an appeal shall be whether the decision-  
21                                    making body or the prior appeal body made [one (1)] [4] of the  
22                                    following mistakes.

23     6-4(U)(4)(a) The decision-making body or the prior appeal body acted  
24                                    fraudulently, arbitrarily, or capriciously.

25     6-4(U)(4)(b) The decision being appealed is not supported by substantial  
26                                    evidence.

27     6-4(U)(4)(c) The decision-making body or the prior appeal body erred in  
28                                    applying the requirements of this IDO (or a plan, policy, or  
29                                    regulation referenced in the review and decision-making  
30                                    criteria for the type of decision being appealed).
