Part I: Background

Overview

Developed by Albuquerque lodging businesses and Visit Albuquerque, the Albuquerque Tourism Marketing District (ATMD) is a business improvement district designed to promote the economic vitality of the ATMD and the general welfare of the city of Albuquerque (City) by providing specific benefits to payors, by funding sales, marketing, communications, visitor services enhancements and destination product development/tourism grants for lodging businesses paying the ATMD business improvement benefit fee.

Effective July 1, 2022, the ATMD will remain in operation for a duration of five (5) years. The ATMD provides an additional source of funding to expand promotion of the City, enhance visitor services and develop destination assets and events, with the benefit of increased room night sales to lodging businesses paying the ATMD business improvement district fee. These funds will supplement, not supplant, lodgers' tax and hospitality fee tourism marketing revenues.

Pursuant to City of Albuquerque Ordinance No. O-22-014, which authorized creation of the ATMD, and the Business Improvement District Act, NMSA 3-63-1 et. seq. (BID Act), Visit Albuquerque has prepared the FY26 Budget & FY25 Progress Report for submission to the City Council for its review and approval. Visit Albuquerque is the authorized management committee designated to administer the ATMD pursuant to the BID Act.

Governance

Albuquerque City Council, through adoption of the ordinance creating the ATMD and pursuant to § 3-63-11 NMSA, has appointed Visit Albuquerque to serve as the ATMD's management committee and administer and implement the ATMD Plan. Visit Albuquerque is a nonprofit corporation that operates within the boundaries of the ATMD. Pursuant to the ATMD Plan, Visit Albuquerque has established the ATMD Committee, which is responsible for approving the budget for ATMD funds and managing expenditures. The ATMD Committee is comprised solely of lodging business owners or owner representatives paying the ATMD benefit fee, and has a minimum of five (5) members with the following criteria:

1. A minimum of three select-service owners or owner representatives;
2. A minimum of two full-service owners or owner representatives;
3. Representation must include hotels in five various neighborhoods defined by Visit Albuquerque's mapping system;
4. No more than two members may represent hotels from the Downtown area; and
5. Only one member may represent the same ownership/management group.

Current members of the ATMD Committee are:

Sharmin Dharas
Owner, Hotel Zazz
Small Property Representative

Sean Jariwala
Managing Partner, Ambica Hospitality
AAHOA Representative

Deepesh Kholwadwala
Chief Executive, Sun Capital Hotels

Dhawal Kholwadwala
President, 505 Hospitality
GAHLA Representative

Damen Kompanowski
General Manager, Sheraton Uptown

Malini Perumal
Senior Vice President for Sales, Marketing & Revenue Management
Total Management Systems Inc.

Molly Ryckman
Vice President of Sales & Marketing, Heritage Hotels & Resorts

Improvements and Activities

The improvements and activities to be provided for fiscal year 2025/2026 are consistent with the District Plan (Plan). ATMD improvements and activities will increase overnight tourism and market assessed lodging businesses as destinations for leisure travelers, meetings and events, thereby increasing room night sales for lodging businesses paying the ATMD improvement district benefit fee.

Sales, Marketing & Communications

The sales, marketing and communications program will continue to promote the City of Albuquerque and assessed lodging businesses as destinations for leisure travelers, meetings and events. The sales and marketing program will continue to have a central theme of promoting Albuquerque as a desirable place for overnight visits. The program will continue to have the goal of increasing overnight visitation and room night sales at assessed lodging businesses, and may include the following activities:

- Online marketing efforts to increase awareness and optimize online presence to drive overnight visitation and room sales to assessed lodging businesses;
- Advertising targeted at potential visitors to drive overnight visitation and room sales to assessed lodging businesses;
- Attendance at trade shows to promote travel to the city and promote assessed lodging businesses;
- Sales blitzes to promote Albuquerque as a destination for meetings and events and promote assessed lodging businesses;
- Familiarization tours of the city's attractions, visitor assets and assessed lodging businesses;
- Preparation and production of collateral promotional materials such as brochures, flyers and maps featuring the city's attractions, visitor assets and assessed lodging businesses;
- Attendance at professional industry conferences and affiliation events to promote Albuquerque as a destination and assessed lodging businesses;
- Lead generation activities designed to attract group events to assessed lodging businesses;
- Director of Sales and General Manager meetings to plan and coordinate tourism promotion efforts for assessed lodging businesses;
- Development and maintenance of a website designed to promote Albuquerque as a destination and promote assessed lodging businesses;
- Marketing campaigns that position Albuquerque as a top choice for potential visitors to increase demand for overnight visitation to assessed businesses;
- Strategies to increase demand for overnight visitation and room sales to assessed businesses, including local marketing, followed by drive markets, short-fly markets, long-fly markets, and eventually key international markets; and
- Utilize research to determine recovery factors that dictate consumer sentiment towards travel to assessed businesses.

Visitor Services Enhancements

The visitor services enhancement (VSE) program will continue to provide funding for programs and initiatives based on criteria to be developed by Visit Albuquerque. The focus of the VSE program will continue to be on the entire destination brand footprint to ensure a consistent brand experience throughout the ATMD. VSE programs may include:

- A long-term ambassador program with trained staff that supplements the current level of police presence around assessed businesses and encourages overnight visitation at assessed lodging businesses;
- Welcome center and kiosk improvements including new technology-driven visitor information enhancements; and
- Brand-centric visitor services training program for both public and private sector staff.

Destination Product Development / Partner Grants

Destination product development / partner grants projects will continue to be designed to improve the visitor experience in an effort to increase overnight visitation at assessed lodging businesses. As the total number of rooms sold and room prices increases over time, the amount of available funds for projects will increase. As required by applicable law or regulation, the ATMD Committee will continue to observe all appropriate City-required practices, including but not limited to the obtaining of contracts and permits, to implement destination project development/ partner grants projects. Projects may include:

- Comprehensive and integrated wayfinding signage system including signage to parking decks and lots;
- Rubber tire trolley transportation program connecting assessed lodging businesses with downtown and other attractions, to increase room night sales;
- Art and cultural projects, to attract overnight visitors;
- Gateway enhancements, to attract overnight visitors;
- Enhancements to environmental experiences which attract overnight visitors, that expose visitors to the value of the vital ecosystems;
- Improvements to existing parks and sports facilities utilized by overnight visitors;
- Grants and Partnerships with targeted special events that attract overnight visitors;
- Safe and fun entertainment complex for young teens and adults utilized by overnight visitors;
- Live music venue which attracts overnight visitors;
- Infrastructure improvements that enhance Albuquerque's competitive position to attract desirable special events year around and attract overnight visitors; and
- Improvements to the City's downtown parking deck that make the overnight visitor experience more desirable.

Administration

The administration portion of the budget shall continue to be utilized for administrative staffing costs, office costs, advocacy, and other general administrative costs such as insurance, legal, and accounting fees. The administration portion of the budget shall not

exceed ten percent (10%) of the annual budget, in accordance with the ATMD's plan, in any year of the ATMD's term. There shall continue to be an emphasis on spending ATMD funds on programs that drive maximum benefit to the assessed lodging businesses at the least possible cost.

Contingency/Reserve

The budget includes a contingency line item to continue to account for uncollected business improvement benefit fees, if any. If there are contingency funds collected, they may be held in a reserve fund or utilized for other program, administration or renewal costs at the discretion of the ATMD Committee. Policies relating to contributions to the reserve fund, the target amount of the reserve fund, and expenditure of monies from the reserve fund shall be set by the ATMD Committee. Contingency/reserve funds may continue to be spent on ATMD programs or administrative and renewal costs. The reserve fund may be used for the costs of renewing the ATMD.

City Fee

The City of Albuquerque shall continue to retain a fee equal to one percent (1%) of the amount of business improvement benefit fees collected to cover its costs of collection and administration.

ATMD Budget and Business Improvement Benefit Fee

Estimated FY26 Estimated Budget

The FY26 budget for the ATMD is estimated to total approximately \$6,654,000. Projections for the FY26 budget are based on the actual collections from FY25, less the one percent (1%) City administration fee.

Business Improvement Benefit Fee

There is no change in the method and basis of levying the business improvement benefit fee.

Business Improvement Benefit Fee Rate

The annual business improvement benefit fee rate is two percent (2%) of gross room rental revenue. Based on the benefit received, business improvement benefit fees will not be collected on: stays of more than thirty (30) consecutive days; stays pursuant to a written agreement for at least thirty (30) consecutive days; stays by any person to whom rent is charged at the rate of \$2.00 per day or less; stays at institutions of the federal government, the state or any political subdivisions thereof; stays at religious, charitable, educational, or philanthropic institutions, including without limitation stays at summer camps operated by such institutions; stays at clinics, hospitals, or other medical facilities; stays at privately-operated convalescent homes or homes for the aged, infirm, indigent, or chronically ill; stays at short-term rental units; and stays pursuant to contracts executed prior to July 1, 2022, or as soon as possible thereafter.

The term “gross room rental revenue” as used herein means: the consideration received by a lodging business in money, credits, property or other consideration value in money for lodgings. Gross room rental revenue shall not include any federal, state or local taxes collected, including but not limited to state gross receipts taxes, local sales taxes, and lodgers’ taxes.

The business improvement benefit fee is levied upon and a direct obligation of the assessed lodging business. However, the assessed lodging business may, at its discretion, pass the business improvement benefit fee on to transients. The amount of the business improvement benefit fee, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the lodging business. The business improvement benefit fee shall be disclosed as the “Tourism Marketing Benefit Fee.” The business improvement benefit fee is imposed solely upon, and is the sole obligation of the assessed lodging business even if it is passed on to transients. The business improvement benefit fee shall not be considered taxable revenue for any purposes, including calculation of lodgers’ taxes.

Bonds shall not be issued that are secured by ATMD revenue for the provision of ATMD programs or for the retirement of pre-existing debt of the City of Albuquerque.

Time and Manner for Collecting Business Improvement Benefit Fees

The ATMD business improvement benefit fee was implemented on July 1, 2022 and will end five (5) years from its start date. The City shall continue to be responsible for collecting the business improvement benefit fee on a monthly basis (including any delinquencies, penalties and interest) from each lodging business and remitting the funds to Visit Albuquerque. The City shall take all reasonable efforts to collect the business improvement benefit fee from each lodging business. The City shall forward the business improvement benefit fees to the management committee, Visit Albuquerque, on a monthly basis, less the one percent (1%) city fee.

Penalties and Interest

The ATMD shall reimburse the City of Albuquerque for any costs associated with collecting unpaid business improvement benefit fees. If sums in excess of the delinquent ATMD business improvement benefit fees are sought to be recovered in the same collection action by the City, the ATMD shall bear its pro rata share of such collection costs. Assessed lodging businesses which are delinquent in paying the business improvement benefit fee shall be responsible for paying:

1. *Original Delinquency:* Lodging businesses shall make a return by the 25th of each month on forms provided by the City for lodging paid to the lodging business in the preceding calendar month and shall remit therewith to the City payment of the business improvement fee then. The report shall include sufficient information to enable the City to audit the report. If the 25th day of the month falls on a weekend or holiday, the return shall be due on the next business day.
If any lodging business makes a return without paying the business improvement benefit fee then due, the lodging business shall be liable for the business improvement benefit fee and a penalty equal to ten percent (10%) thereof or \$100, whichever is greater. Promptly after receipt of such return, the City shall give the delinquent lodging business written notice of the business improvement benefit fee and penalty.
2. *Neglect or Refusal to Make Return:* If any lodging business neglects or refuses to make a return and pay the business improvement benefit fee, the Mayor shall make an estimate based upon an examination of the lodging business' books and records, or upon any information in its possession or that may come into its possession, of the amount of gross room rental revenue of the delinquent lodging business for the period in respect to which the lodging business has failed to make a return, and upon the basis of said estimated amount shall compute and assess the business improvement benefit fee payable by the delinquent lodging business, adding to this amount a penalty equal to ten percent (10%) thereof or \$100, whichever is greater. Promptly thereafter the City shall give the delinquent lodging business written notice of the estimated business improvement benefit fee and penalty.
3. *Continued Delinquency:* If payment is not made by the lodging business within fifteen (15) days of the date of the notice that the business improvement benefit fee is delinquent, the Mayor may bring an action in law or equity in the district court for the collection of any amounts due, including without limitation penalties thereon, interest on the unpaid principal at a rate of not exceeding one percent (1%) a month,

the costs of collection and reasonable attorneys' fees incurred in connection therewith.

4. *Continuous Surety Bond:* A Continuous Surety Bond naming the City as beneficiary in the amount of \$3,000 plus \$60 per room or individual sleeping accommodation available for use by the public shall be posted and filed with the City Clerk upon a lodging business' failure to remit business improvement benefit fees for two (2) consecutive months. If payment or posting Continuous Surety Bond is not made by the lodging business within fifteen (15) days of the date of notice that the business improvement benefit fee is delinquent, the Mayor may bring an action in law or equity in the district court for the collection of any amount due, including without limitation penalties thereon, interest on the unpaid principal at a rate not exceeding one percent (1%) a month, the costs of collection and reasonable attorneys' fees incurred in connection therewith. Continuous Surety Bond shall remain in force three (3) years from date of issuance per arrear incident applicable. Continuous Surety Bond may be augmented or applied to any succeeding arrear business improvement benefit fee due the City of Albuquerque.
5. *Lodging Business Disputes:* A lodging business that disputes the assessment of any business improvement benefit fee or related penalties and interest may, within five (5) working days of the date of the notice from the City that the business improvement benefit fee is delinquent, appeal the Mayor's decision to the City Hearing Officer as set forth in § 4-4-9 of the Municipal Code of the City of Albuquerque.

Part III: FY25 Progress Report and Benefits to Assessed Lodging Businesses

FY25 Actuals

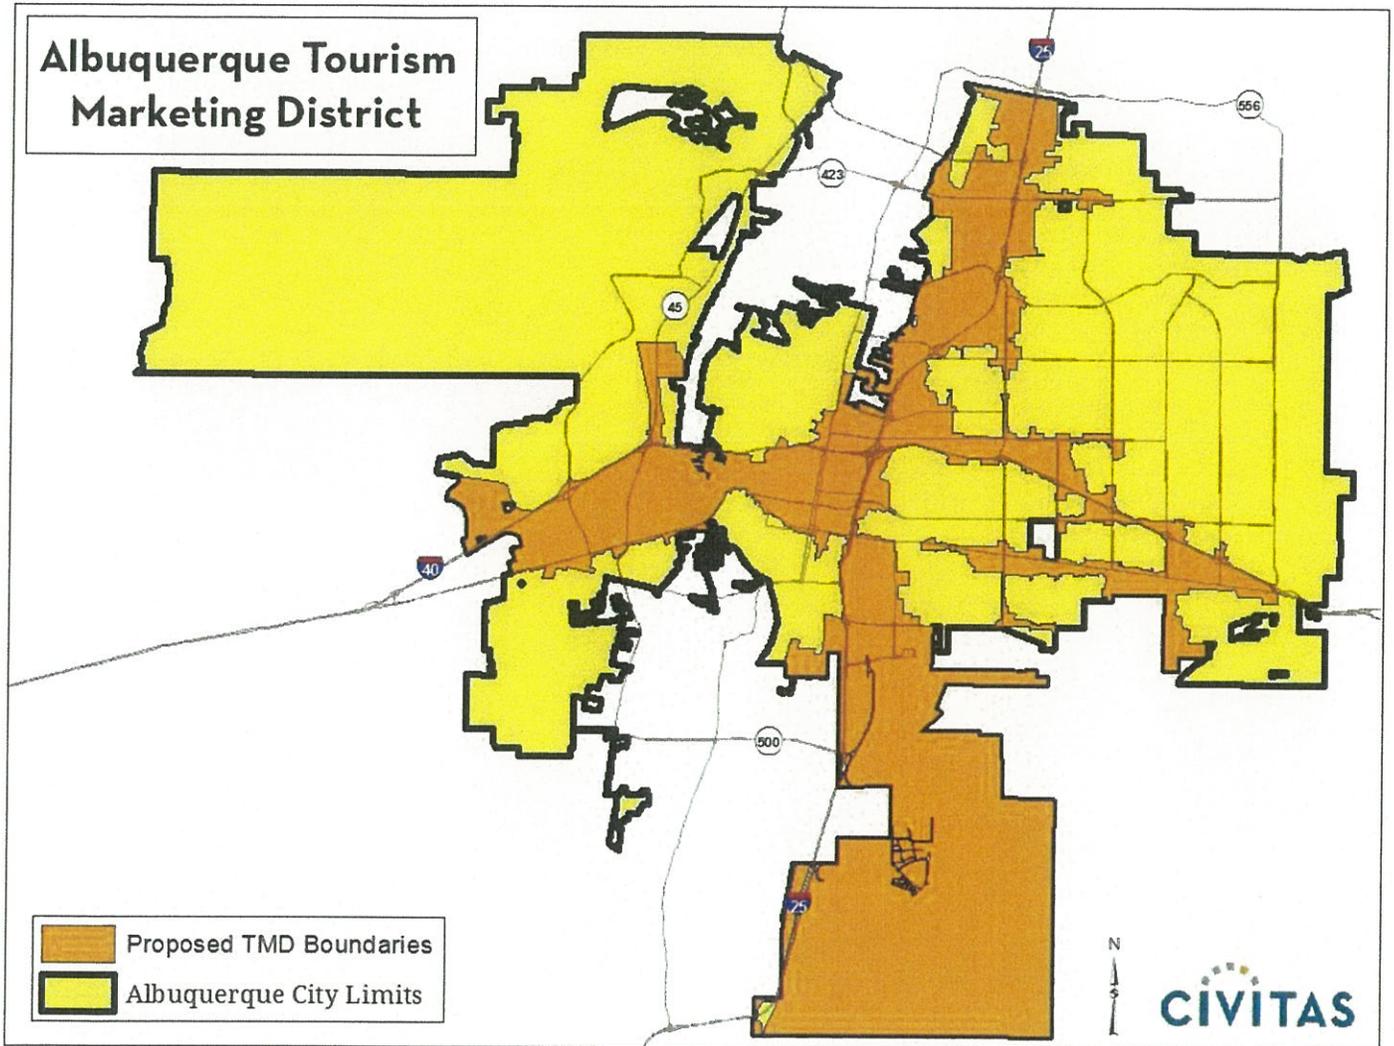

The FY25 budget for the ATMD was estimated to total approximately \$6,811,000. In FY25, estimated collections, less the one percent (1%) City administration fee, were higher than expected, totaling \$6,839,760.

A complete ATMD Financial Report outlining assets, liabilities, income and operating expenses can be found in Appendix 4.

Progress Report

With funding from the ATMD, Visit Albuquerque, with its continued service as the management committee of the ATMD, has continued to expand its marketing reach and has achieved strong results. ATMD funding has opened the door to new channels, and has enabled year-round advertising beyond the constraints of seasonal campaigns. Examples of these activities are detailed in Appendix 3.

ALBUQUERQUE TOURISM MARKETING DISTRICT FY25 PAID ADVERTISING PLACEMENTS

SUMMARY OF PLACEMENTS

Advertising placed with ATMD dollars in FY25 generated more than **919 million impressions**. Channels were selected to reach target audiences likeliest to travel to Albuquerque and included ads at five airports, sponsored wi-fi at four airports, online banner ads and Connected TV spots delivered to target audiences in nine cities, train wraps on the Denver Light Rail system, outdoor billboards in Los Angeles and Denver, online banner ads to support signature events, and social media ads. Ad placements reaching leisure travelers totaled \$4.3 million.

Leisure advertising shifted from outdoor billboards to airport kiosks and monitors in FY25, with airport advertising representing 443.5 million impressions and \$1,614,382 in ad spend. People who see ads in airports, unlike those who see billboards, are known travelers and likely to have higher household incomes. Many are also business travelers, allowing us to reach those who plan events.

In addition, almost \$130,000 of ATMD dollars were devoted to **reaching meeting planners** with ad placements with the Professional Convention Management Association (PCMA) that included banner ads in e-newsletters and print ads in *PCMA Convene*.

DALLAS-FORT WORTH INTERNATIONAL AIRPORT

July 1, 2024, to June 30, 2025

Impressions: 90,954,020

Spend: \$486,477

Dallas-Fort Worth International Airport is the third-busiest airport in the world by the number of aircraft landings and the second-busiest airport in the world by passenger count. DFW is the largest hub for American Airlines in the world. Our presence there in FY25 included:

July 1, 2024, to Jan. 12, 2025:

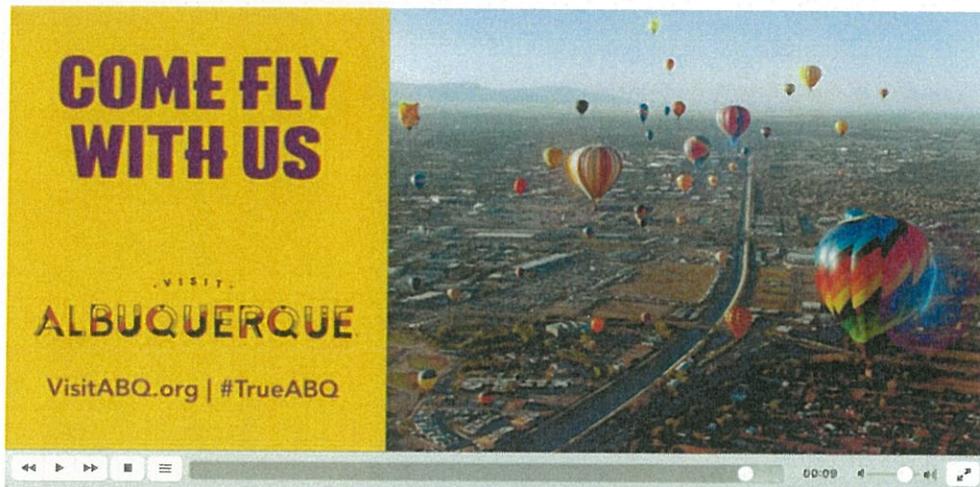

- 20.75 ft. x 7.75 ft. sign in Terminal A between Gates 15-17
- 11.9 ft. x 6.8 ft. sign in Terminal C near Gate 12
- 77 ft. x 4 ft. sign in Terminal C baggage claim area

Our advertisement in the Terminal C baggage claim area appeared on the largest single ad space available at DFW. It measures over 300 square feet.

Jan. 13, 2025, to June 30, 2025:

- 10-second videos on 72 i-Vision screens (85") and 48 baggage claim monitors (75")

DALLAS LOVE FIELD

July 1, 2024, to June 29, 2025

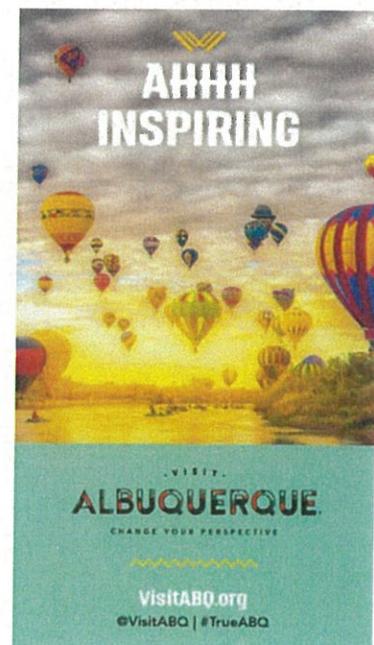

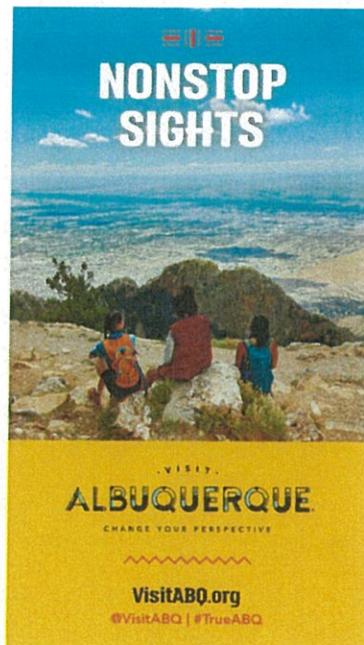

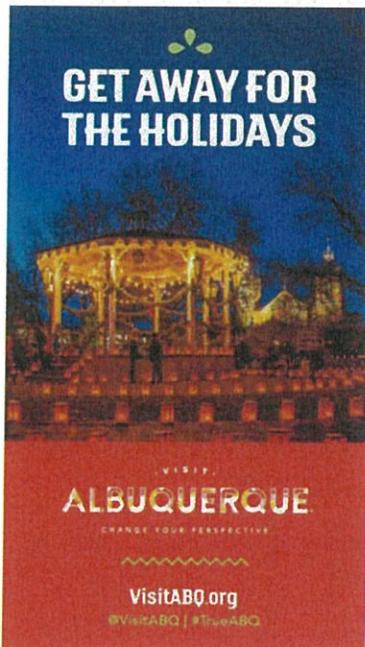

Impressions: 126,313,156

Spend: \$135,888

Dallas Love Field is the operating base for Southwest Airlines, which has a 95% market share at the airport. Southwest Airlines is the largest carrier by passenger volume to the Albuquerque International Sunport. Visit Albuquerque's advertising at Love Field included:

- Thirteen 80-inch digital screens throughout the terminals and concourses
- Eight 82-inch digital screens in the baggage claim area

With digital screens, we are able to rotate messaging seasonally or promote events such as the Albuquerque International Balloon Fiesta.

DENVER INTERNATIONAL AIRPORT

July 1, 2024, to June 29, 2025

Impressions: 66,859,389

Spend: \$359,500

Denver International Airport is the third-busiest in the world in terms of passenger traffic. At DIA, our ads appear on 40 double-sided digital “blade” signs at 20 gate hold areas in Concourse C. This concourse is primarily used by Southwest Airlines and accounts for 34% of all passenger traffic at DIA. Each blade sign is 8 feet tall. Because the sign includes the gate number at the bottom, they are highly viewed.

PHOENIX SKY HARBOR INTERNATIONAL AIRPORT

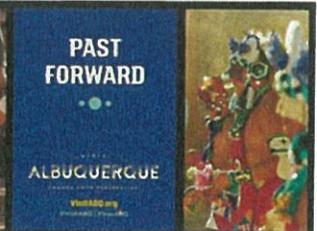

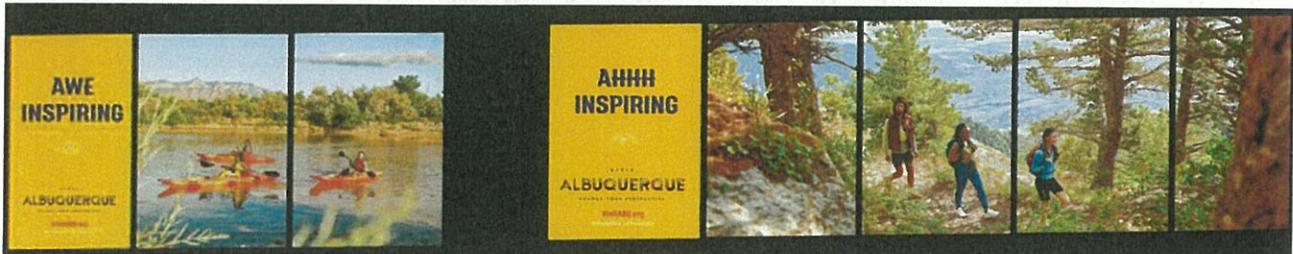

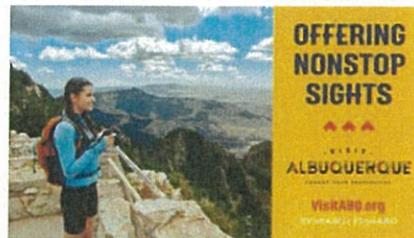

July 1, 2024, to June 29, 2025

Impressions: 120,875,825

Spend: \$186,524

Phoenix Sky Harbor is one of the 10 busiest airports in the United States. Our advertising presence there includes four large window wraps on Level 3 of Terminal 4, which services Southwest Airlines and American Airlines, and digital signage in Terminal 3 and Terminal 4.

- Four window wraps, two are 36 ft. x 6 ft., one is 31 ft. x 6 ft., and one is 17 ft. x 6 ft.
- 42 baggage claim monitors in Terminal 3

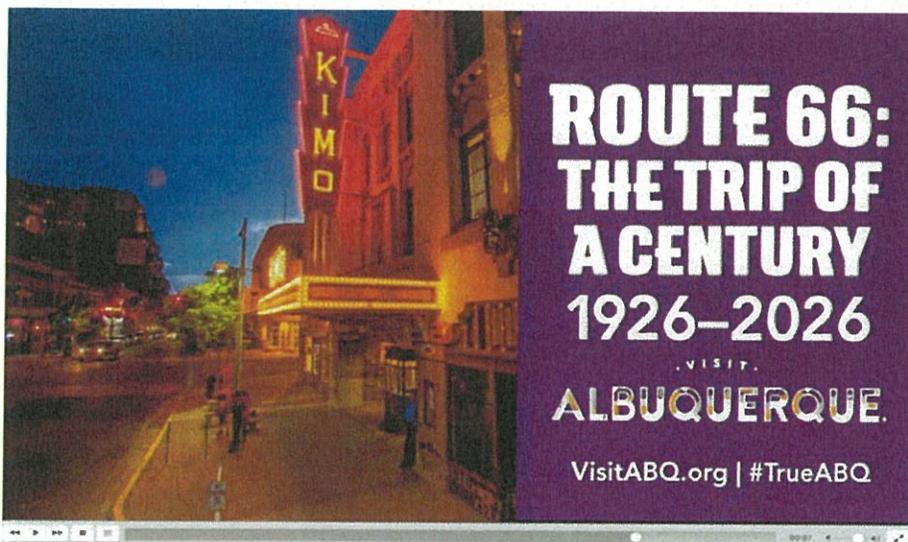

LOS ANGELES INTERNATIONAL AIRPORT

February 17, 2025, to July 14, 2025

Impressions: 29,955,702

Spend: \$445,992

We placed 10-second video spots on 107 i-Vision (80") and baggage claim (70") monitors throughout LAX, the world's 11th busiest airport and a major international gateway for the United States. Our ads appeared in eight out of the nine terminals at LAX, including Terminal 1, primarily used by Southwest Airlines; Terminals 2 and 3, Delta Airlines; Terminals 4 and 5, American Airlines; Terminal 6, primarily used by Alaska Airlines, Hawaiian Airlines and Air Canada; and Terminals 7 and 8, United Airlines.

SPONSORED AIRPORT WI-FI

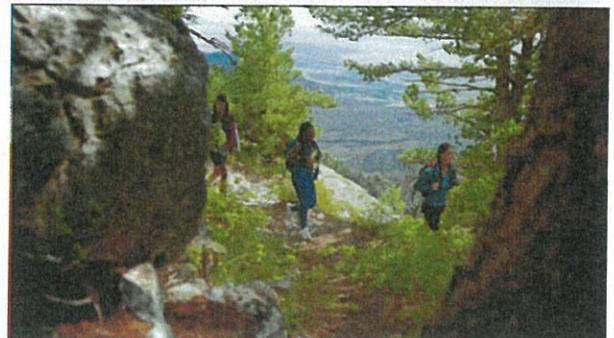

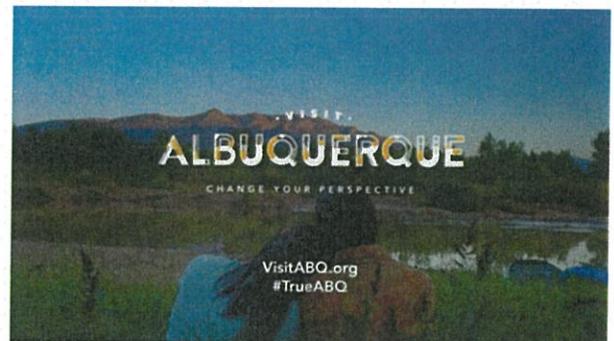

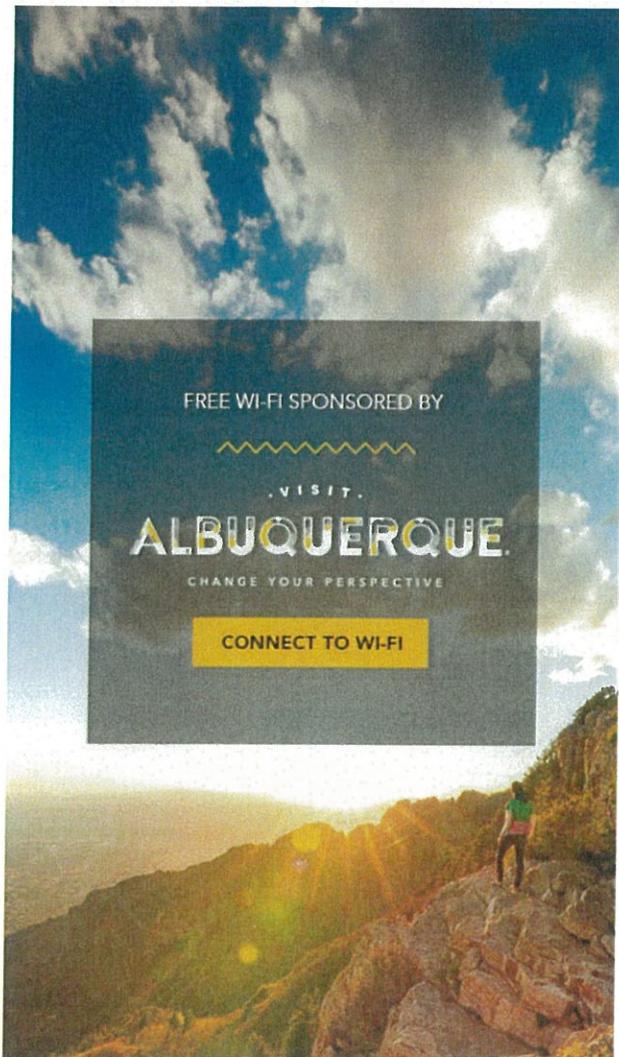

July 1, 2024, to March 31, 2025

Impressions: 8,598,547

Spend: \$0 (bonus placements provided by the vendor at no charge following our FY24 ad buy)

Approximately one-third of passengers at four U.S. airports watched a 15-second commercial for Albuquerque in order to connect to the airport's free wi-fi service. After the video played, viewers had the option to click through to Visit Albuquerque's website. They also were asked to take a one-question survey about their impression of Albuquerque as a vacation destination. To measure the effect of the commercial, responses of travelers who saw the video are compared to responses of those who did not. Visit Albuquerque sponsored the wi-fi at:

- Austin-Bergstrom International Airport
- Chicago Midway
- Phoenix Sky Harbor Airport
- Los Angeles International Airport

ONLINE BANNER ADS

July 1, 2024, to June 30, 2025 (except Los Angeles was February 18, 2025, to July 31, 2025)

Impressions: 168,548,851

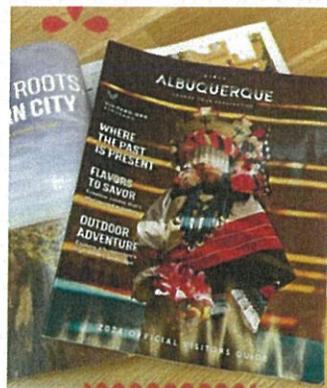

Spend: \$1,400,799

Online banner ads in nine sizes targeted travelers from Amarillo, Colorado Springs, Dallas, Denver, El Paso, Los Angeles, Lubbock, Phoenix and Tucson, as well as from New Mexico cities outside Albuquerque. The ads targeted traveler segments including foodies, outdoor enthusiasts, arts and culture lovers, roadtrippers and Route 66 travelers, cyclists, birders, staycationers, repeat visitors, and more. Sample ads are shown below.

CONNECTED TV COMMERCIALS AND PREROLL VIDEO

July 1, 2024, to June 30, 2025

Impressions: 29,097,905

Spend: \$692,806

Visit Albuquerque places 15- and 30-second video spots on internet-connected TV sets where viewers stream digital content through Apple TV, Amazon Fire, Roku and others, as well as preroll video spots that play before the content of an online video. Our videos target travelers from Amarillo, Colorado Springs, Dallas, Denver, El Paso, Los Angeles, Lubbock, Phoenix and Tucson, as well as from New Mexico cities outside Albuquerque.

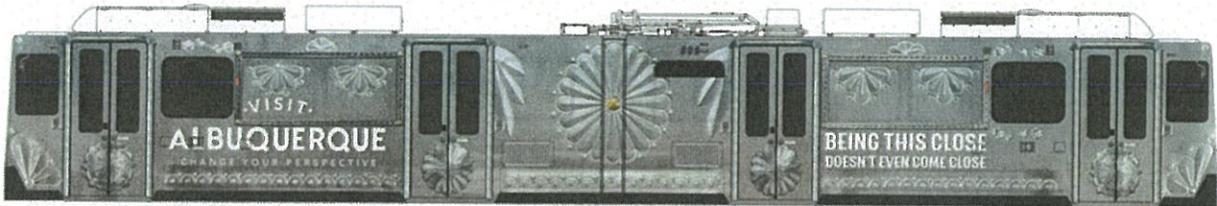

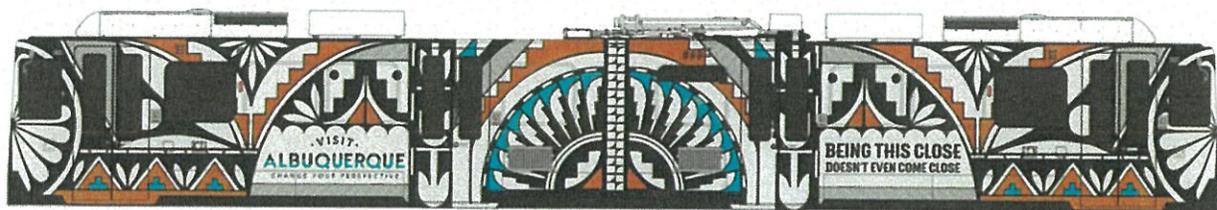

DENVER LIGHT RAIL TRAIN WRAPS

July 1, 2024, to January 26, 2025

Impressions: 182,419,072

Spend: \$23,229

Visit Albuquerque messages are featured on trains on running throughout the Denver metropolitan area on the Denver Light Rail system. The designs are seen not only by train passengers, but by pedestrians and automobile drivers whom the trains pass by. Each design includes a QR code that takes people to the Visit Albuquerque website to learn more about planning a trip. Our ads appeared on 10 trains from July 2024 through January 2025 and continued running on many trains through June 2025 at no additional cost.

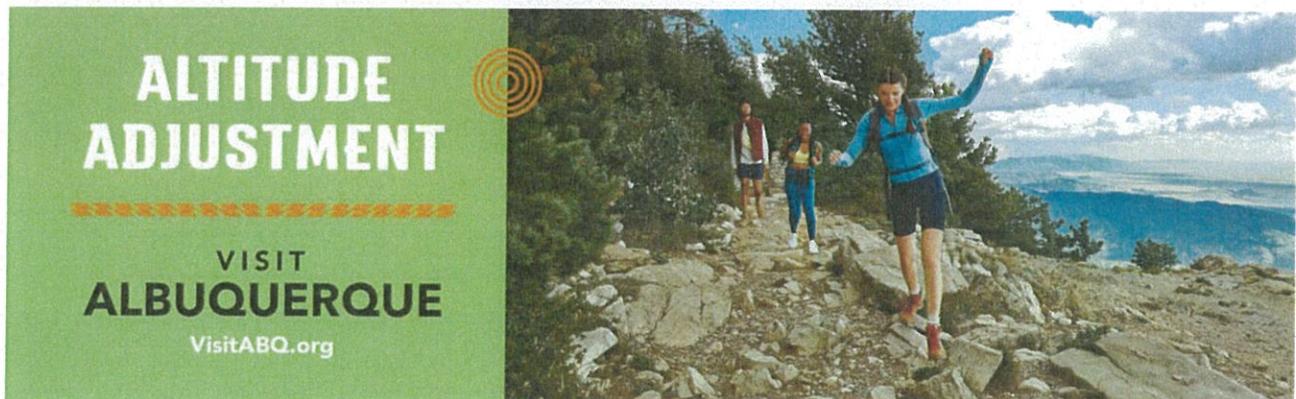

OUTDOOR BILLBOARDS IN DENVER AND LOS ANGELES

July and August 2024

Impressions: 42,182,285

Spend: \$0

We did not use ATMD funds to purchase outdoor billboards in FY25. However, if billboard companies do not have a new advertiser to take over the location of a vinyl billboard, they often will leave existing artwork posted for longer the contracted period. Our billboard contracts in Denver and Los Angeles expired on June 30, 2023 (the conclusion of FY24), but the billboard companies kept them posted for July and August 2024, generating 42 million "bonus" impressions at no additional cost. Below are examples of some of artwork on the billboards in those cities.

SIGNATURE EVENT ADVERTISING

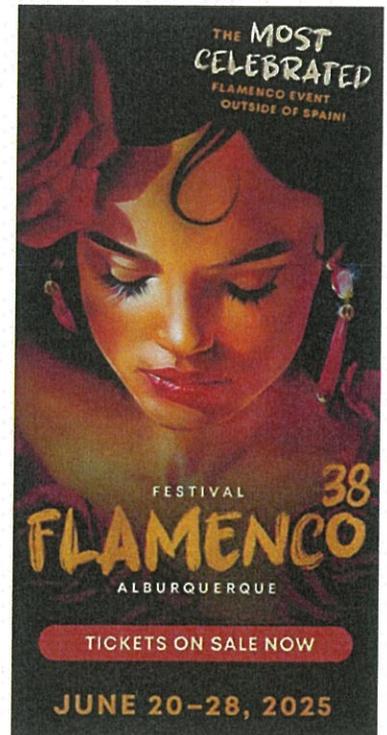

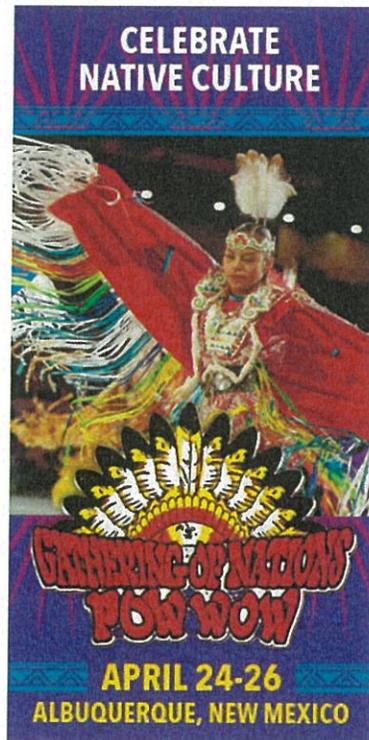

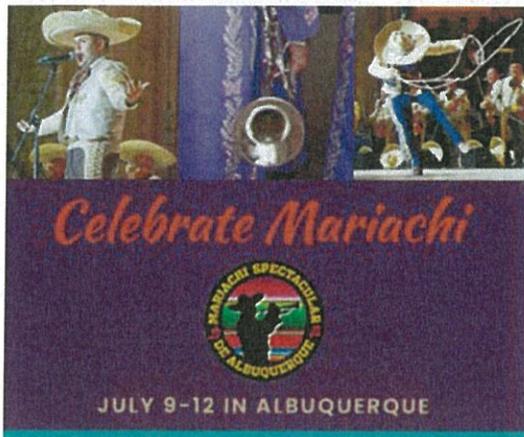

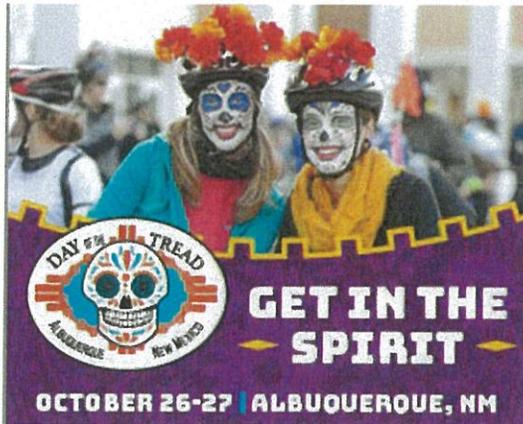

Various dates, see below

Impressions: 6,330,485

Spend: \$45,829

Visit Albuquerque developed marketing campaigns to promote awareness and ticket sales for four "signature events" in FY25. These events also each received \$10,000 grants from the Tourism Grant Program funded by the ATMD. We worked with event producers to determine messaging and target markets for each event and to develop a customized campaign.

- Day of the Tread, ads in market Sept. 26 to Oct. 20, 2024, targeting Phoenix and Tucson.
- Gathering of Nations, ads in market March 20 to April 17, 2025, targeting Amarillo, Colorado Springs, Dallas, Denver, El Paso, Los Angeles, Lubbock, Phoenix, Salt Lake City and Tucson.
- Festival Flamenco, ads in market May 15 to June 11, 2025, targeting Amarillo, Colorado Springs, Dallas, Denver, El Paso, Los Angeles, Lubbock, Phoenix, San Diego and Tucson.
- Mariachi Spectacular, ads in market June 12 to July 2, 2025, targeting Amarillo, Colorado Springs, Dallas, Denver, El Paso, Los Angeles, Lubbock, Phoenix and Tucson.

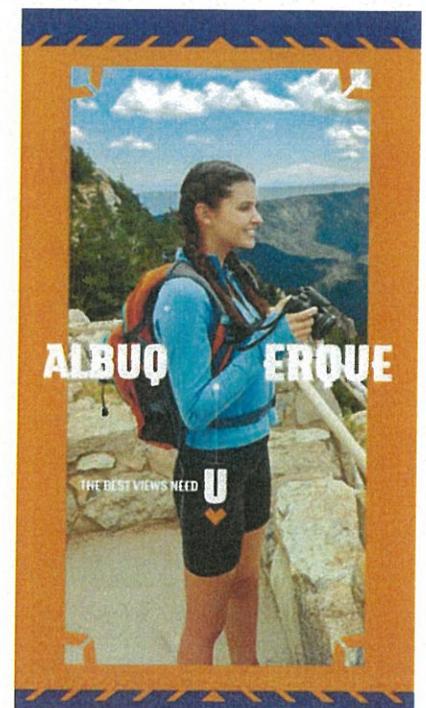

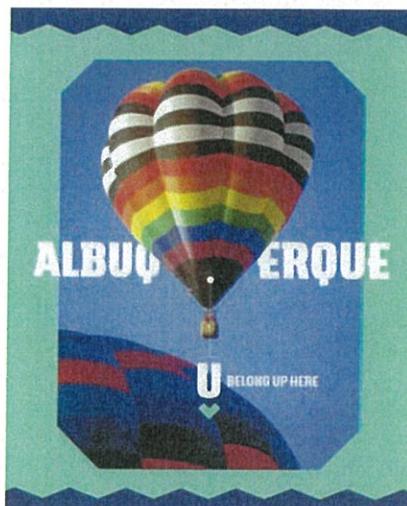

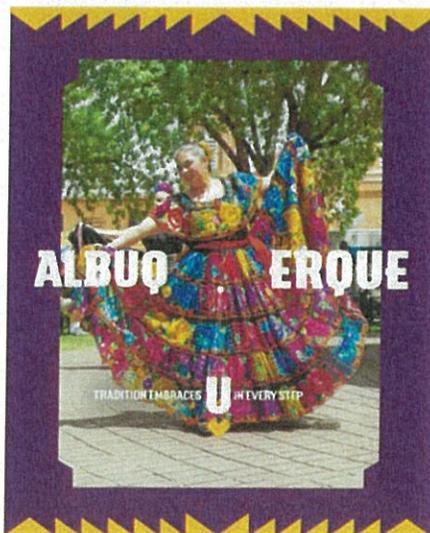

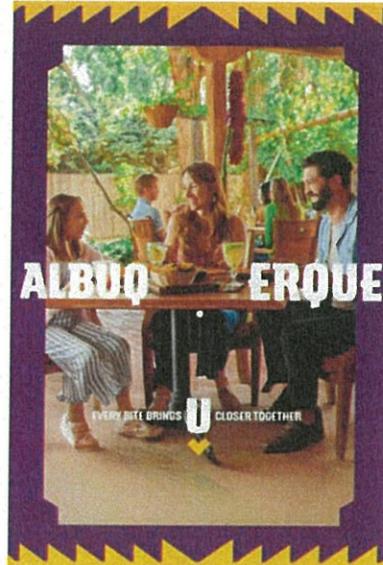

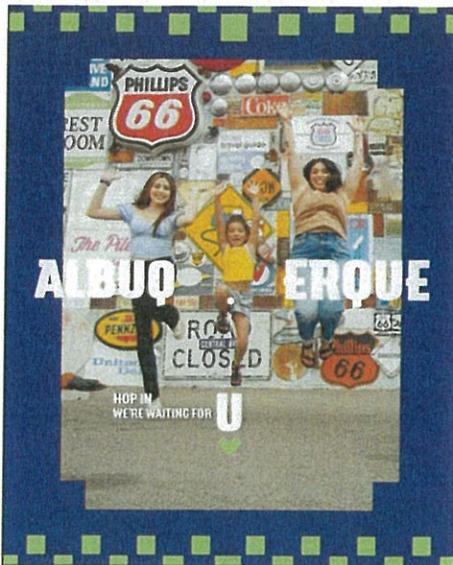

SOCIAL MEDIA ADVERTISING CAMPAIGN

May 2025 to June 30, 2025

Impressions: 44,705,992

Spend: \$500,000

Research shows that Albuquerque's target travelers are heavy users of social media and use it for trip inspiration and planning. In early 2025, the ATMD Governance Committee approved a significant expansion of Visit Albuquerque's use of paid social media. The funds were used to develop and place a new campaign that launched in May 2025 that includes ads on Instagram, Facebook, TikTok, Pinterest and YouTube. The "U are Here" campaign creatively invites travelers to imagine themselves as the middle "U" in Albuquerque's name. During the last two months of the fiscal year, the campaign generated almost 45 million impressions and more than 3 million engagements (likes, clicks, shares), for an engagement rate of more than 6.5%. Engagement rates above 6% are considered strong.

PCMA

July 2024 to June 2025
 Impressions: 640,944
 Spend: \$129,036

A small amount of ATMD marketing dollars were directed toward the meeting planner audience rather than leisure travelers. We placed ads throughout FY25 targeting members of the Professional Convention Management Association (PCMA). With more than 50,000 members, PCMA is the world's largest membership association for business event planners and suppliers.

We advertised in PCMA's "The Raise" and "This Week" e-newsletters and in seven issues of PCMA's print magazine, *Convene*. Two of the print ads were two-page spreads that highlighted Albuquerque's meeting venues, Convention Center, attractions and neighborhoods.

OVERVIEW

Albuquerque

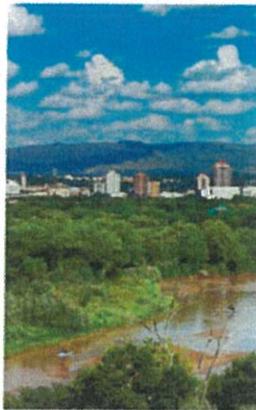

Surrounded by a striking, high-desert landscape and steeped in the heritage of more than 70 diverse cultures, including 21 Native American tribes and pueblos, Albuquerque offers a different kind of destination experience for business events. Along with versatile accommodations and venues – including a modern convention center – expect to find immersive ways for attendees to discover the city's rich culture. Whether sampling New Mexican cuisine or soaking up views of the Sandia Mountains, they will be amidst settings that lend themselves to making connections. Plus, the city's favorable climate and convenient accessibility make it an appealing choice for gatherings any time of the year.

Streetscape Route 66

This iconic highway, which will celebrate its centennial in 2026, runs through the heart of Albuquerque along Central Avenue, connecting the Old Hill, Downtown, and Historic Old Town neighborhoods. Visitors will find plenty to do and see – and eat – along the corridor, from local shops, craft fairs, roadside diners, and landmarks like the Rialto Theatre, known for its Pueblo-Dezco architecture. Exploring the nation's "Mother Road" is a great reason for attendees to back on an extra-day's stay in Albuquerque.

1 Albuquerque Convention Center

Modern and versatile with more than 270,000 square feet of flexible indoor meeting space, this convention center offers dedicated exhibit, ballroom, and breakout space within Downtown Albuquerque. Hotels, restaurants, and shopping are all within an easy stroll.

2 Indian Pueblo Cultural Center

The IPCC highlights the rich traditions of New Mexico's 19 pueblos, presenting visitors with Native American culture and traditions through exhibits on Indigenous history and art as well as traditional performances and authentic Native cuisine.

3 Albuquerque International Airport

New Mexico's largest airport, which has direct flights to more than 25 cities, is a quick and easy commute to Downtown and other Albuquerque neighborhoods. But visitors have reason to linger: ADQ is about to reveal a terminal renovation that will include a new food hall and additional retail offerings.

4 Old Town

Historic Old Town has been the heart of Albuquerque since its founding in 1706. More than three centuries later, the neighborhood remains a hub for shopping, cuisine, and culture – including Museum Row, home to Albuquerque Museum and other venues that offer rich insights into regional art, history, and science.

5 Sandia Peak Aerial Tramway

The longest tramway in North America, the Sandia Peak Aerial Tram offers panoramic views as it ascends 2.7 miles to the 10,378-foot crest of the Sandia Mountains. At the summit, visitors can enjoy hiking trails, dining, and stunning views of the surrounding landscape.

LEISURE ADVERTISING EFFECTIVENESS

Markets for ATMD advertising were Amarillo, Colorado Springs, Dallas, Denver, El Paso, Lubbock, Phoenix and Tucson for the entire fiscal year, and Los Angeles for the period from Feb. 18 to June 30, 2025. In each of those markets, advertising that was funded by non-ATMD dollars also ran.

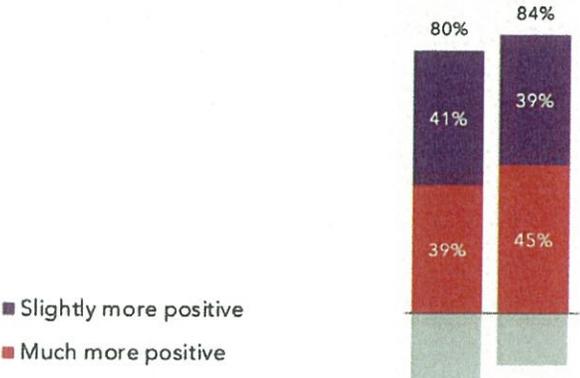

A survey conducted for Visit Albuquerque by Prodege asked target travelers whether they recalled seeing at least one element of Visit Albuquerque’s paid advertising campaign in FY25. Survey results showed that awareness of Visit Albuquerque’s paid advertising was highest in Amarillo, at 38%, followed closely by El Paso (35%) and Lubbock (34%). Even in large cities like Los Angeles and Dallas, ad awareness reached 24% among target travelers, defined as those ages 25 to 74 who have taken at least one overnight leisure trip in the past 12 months.

Awareness of Visit Albuquerque’s paid advertising increased in every market in FY25 compared to FY24. (Change in awareness could not be measured in Tucson or Lubbock because those markets were not measured in FY24.)

	Phoenix	Denver	Tucson	Dallas	El Paso	Amarillo	Colorado Springs	Lubbock	Los Angeles

In addition, the study showed that 84% of those who recalled seeing our paid advertising in FY25 said the ads had a positive impact on their perceptions of Albuquerque – 4 points higher than FY24.

Advertising Positive Impact of Perceptions of Albuquerque

The Prodege survey showed that 4 million target travelers in nine core media markets recalled seeing our paid advertising during FY25. Visit Albuquerque’s Research & Market Intelligence team used the Prodege data to produce an FY25 Marketing Effectiveness Study. The study determined that travelers from the nine core markets booked nearly 308,000 trips to Albuquerque as a direct result of Visit Albuquerque’s advertising campaigns funded by ATMD, lodgers’ tax and 1% hospitality fee collections. Multiplying the total number of person trips by the average per person per trip spend, the study showed that Visit Albuquerque influenced nearly \$116 million in direct visitor spending and nearly \$10 million in taxes generated for Albuquerque.

Visit Albuquerque spent just over \$5 million in paid media in key markets in FY25. (Spending was from all sources.) Based on the direct spending by influenced visitors, Visit Albuquerque returned nearly \$22 in visit spending and \$2 in tax revenue for every ad dollar spent.

FY25 Return on Ad Spend

ALBUQUERQUE TOURISM MARKETING DISTRICT FY25 DESTINATION DEVELOPMENT REPORT

TOURISM GRANTS PROGRAM

Consistent with the District Plan, a portion of revenue generated by the Albuquerque Tourism Marketing District in FY25 was dedicated to funding a Tourism Grants Program. To be considered for a grant, applicants were required to demonstrate their project's potential to increase overnight visitation at assessed lodging businesses. Preference also was given to events scheduled to take place during the shoulder season from November to March and to projects that advance the goals of Albuquerque's Destination Master Plan. Released in November 2024, the Destination Master Plan is a 10-year roadmap that identifies how Albuquerque can offer a more immersive and engaging experience for travelers. It identified key priority areas for development, including events and festivals, Downtown development and activation, venues and facilities, infrastructure, transportation and other areas. More than 2,300 stakeholders contributed to development of the plan.

In FY25, the Tourism Grant Program awarded \$500,000 to 32 organizations for transformative initiatives focused on priority areas in the Destination Master Plan. Recipients of Incubator grants were eligible to receive up to \$10,000 in project funding, recipients of Innovator grants were eligible for up to \$100,000 with a matching requirement, and recipients of Signature Event grants received \$10,000 in funding plus development of a customized marketing campaign.

VISITOR SERVICES ENHANCEMENTS

In addition to marketing the destination, creating a memorable experience for visitors is another goal of the Albuquerque Tourism Marketing District. Visit Albuquerque operates two Visitor Information Centers – one in Old Town and one at the Albuquerque International Sunport. In FY25, Visit Albuquerque added immersive elements to its Old Town location to create a more engaging experience, including a hot air balloon gondola, a flamenco dress on loan from the National Institute of Flamenco, displays of Pueblo pottery and turquoise jewelry, and a punched tin postal mailing station with complimentary Route 66 postcards. Visit Albuquerque also opened a Convention Welcome Center across from the Albuquerque Convention Center, where meeting attendees can find city information and maps, take a photo in an interactive photobooth, and pick up complimentary branded souvenirs that promote Albuquerque.
