AGREEMENT

RECITALS

WHEREAS, the City has determined that it will provide basic social services to ensure that its residents are afforded access to basic services required to maintain a reasonable quality of life; and

WHEREAS, these services enhance the health, wellness, education and public safety of the City of Albuquerque; and

WHEREAS, the City has appropriated funds ("City Funds") for this purpose; and

WHEREAS, the City desires to engage the Contractor to render certain social services as described herein; and

WHEREAS, the Contractor represents that it has the expertise and resources necessary to render such social services; and

NOW THEREFORE, in consideration of the premises and mutual obligations herein, the parties hereto do mutually agree as follows:

1. Goals and Objectives: The Contractor agrees to accomplish the goals and objectives set out in Exhibit A to this Agreement in a satisfactory and proper manner, as determined by the City and within the financial resources provided.
2. Scope of Services: The Contractor shall perform the services set out in Exhibit A ("Services") in a satisfactory and proper manner as determined by the City and within the financial resources provided.
3. Time of Performance: Services of the Contractor designated herein are to commence November 1, 2024, and shall be undertaken and completed in such sequence as to assure their expeditious completion in light of the purposes of this Agreement but, in any event, all of the Services required hereunder shall be completed by June 30, 2025. The execution of this Agreement was delayed, causing a gap between November 1, 2024 and the date of execution of this Agreement. By signing this Agreement, the parties ratify all actions taken in accordance with the terms and conditions of this Agreement, from November 1, 2024 through to the execution of this Agreement. Further, the parties explicitly agree that all of the terms and conditions of this Agreement, including but not limited to insurance requirements and indemnification, are applicable continuously commencing on November 1, 2024.
4. Compensation and Method of Payment:

- A. Maximum Compensation: For performing the Services specified in Section 2 of this Agreement, the City agrees to pay the Contractor a total amount not to exceed TWO HUNDRED THIRTY THREE THOUSAND THREE HUNDRED THIRTY THREE AND 33/100 DOLLARS (\$233,333.33), which amount includes any applicable gross receipts taxes and which amount shall constitute full and complete compensation for the Contractor's Services under this Agreement, including all expenditures made and expenses incurred by the Contractor in performing the Services per the "City Budgets" attached hereto and made a part hereof as Exhibit B.
- B. Method of Payment:
- (1) The City agrees to pay such sum to the Contractor on a cost reimbursement basis at no more than bi-weekly but no less than quarterly intervals, and subsequent to receipt of a requisition for payment in compliance with the budgetary and fiscal guidelines of the City. Only those costs which are allowable under the terms of this Agreement shall be reimbursed. The City shall withhold reimbursement to the Contractor for failure to perform the Services described in this Agreement and for failure to meet any other requirements of this Agreement. Payment will be withheld until such time as the Contractor is in full compliance with all the terms of this Agreement.
 - (2) All requisitions for payment submitted by the Contractor must be supported by documentation of Services provided in the Contractor's files, and indicate "pay now."
 - (3) Checks issued by the Contractor to pay obligations incurred under this Agreement shall be made payable to the vendor for services or materials and not to cash.
 - (4) The funds received by the Contractor under this Agreement shall be spent by the Contractor within three (3) days of the receipt of said funds unless such funds are for the reimbursement of costs for which Contractor funds have already been spent.
 - (5) The City and the Contractor specifically agree that although the default payment schedule for the City is "net 30," under this Agreement the Contractor will be "pay now." This Agreement authorizes that the process required for payment may begin upon receipt of the invoice by the City, rather than 30 days after the invoice date.
- C. Program Income: Program Income refers to the gross income earned by the Contractor from City-supported activities. Program Income shall be treated as described in the *Administrative Requirements for Social Services Contracts Awarded Under the City of Albuquerque*, Section 13.B. Accounting for Program Income, as amended.
- D. Responsibility to Monitor Contract: Contractor shall be responsible for ensuring that the Contractor does not bill for Services in an amount that exceeds the total contract amount. With each invoice submitted to the City, the Contractor shall include a ledger report that identifies the total amount the Contractor has billed for Services under this Agreement and any Supplements to this Agreement. If at any time the Contractor

determines that payment for Services may or will exceed the total amount provided in this Agreement and any Supplements to this Agreement, the Contractor shall notify the City in writing, as soon as possible after making that determination. If the Contractor's billing exceeds the amount of this Agreement and any Supplements, the City may stop or delay payment, or the Services may be ceased or delayed at the City's request.

Provided, however, that any budget revisions must be eligible expenditures under this Agreement.
6. Amendment to Agreement: Amendments to this Agreement shall be in writing and signed by both parties.
7. Fiscal Agent, Purchasing Agent, and Personnel Agent:
 - A. The Contractor shall serve as its own fiscal agent, purchasing agent, and personnel agent.
 - B. Contractor shall have and maintain financial policies and procedures, an accounting system, purchasing policies and procedures (including bid requirements) and personnel policies and procedures that adhere to generally accepted accounting and management standards and practices.
8. Performance Monitoring: The Contractor will from time to time provide assistance and information needed by City staff to monitor and evaluate the performance of the above mentioned Scope of Services. It is understood that City staff, at its discretion, may perform periodic fiscal and program monitoring reviews on dates to be arranged. It is also understood that reviews by other officials may be required on dates to be arranged.
9. Restrictions on Use of Funds:
 - A. Contractor must establish and use a set of written accounting policies which meet the minimum standards established by the City for contract accounting.
 - B. The funds provided by this Agreement are primarily intended to provide the Services called for by this Agreement to low and moderate income residents, defined as residents having 80% or below of the median income of the Albuquerque Standard Metropolitan Statistical Area (SMSA).
10. Reversion of Assets: Upon the expiration of this Agreement, the Contractor shall transfer to the City any City Funds on hand at the time of expiration and any accounts receivable attributed to the use of City Funds. The Contractor shall ensure that any property that was acquired or improved in whole or in part with City Funds complies with the Scope of Services Section of this Agreement and must adhere to the Property Management Section

of the *Administrative Requirements for Social Services Contracts Awarded Under the City of Albuquerque*, as amended.

11. Appropriations: Notwithstanding any other provision in this Agreement, the terms of this Agreement are contingent upon the City Council of the City of Albuquerque making the appropriations necessary for the performance of this Agreement. If sufficient appropriations and authorizations are not made by the City Council, or if the City Council un-appropriates or deauthorizes funds during a fiscal year, this Agreement may be terminated upon thirty (30) days' written notice given by the City to all other parties to this Agreement. Such event shall not constitute an event of default. All payment obligations of the City and all of its interest in this Agreement will cease upon the date of termination. The City's determination as to whether sufficient appropriations are available or have been made shall be accepted by all parties and shall be final.
12. Independent Contractor:
 - A. Neither the Contractor nor its employees are considered to be employees of the City of Albuquerque for any purpose whatsoever. The Contractor is considered to be an independent contractor at all times in the performance of the Scope of Services described herein.

If the Services under this Agreement require the Contractor to work with or be in proximity to children or other vulnerable populations, the Contractor will comply with all applicable requirements contained in the *Administrative Requirements for Social Services Contracts Awarded Under the City of Albuquerque*, as amended.
14. Indemnity: The Contractor agrees to defend, indemnify, and hold harmless the City and its officials, agents, and employees from and against any and all claims, suits, demands, actions, or proceedings of any kind brought against any of those persons because of any injury or damage received or sustained by any person, persons, or property, which injury is arising out of or resulting from the Contractor's provision of goods or services under this Agreement, or by reason of any asserted act or omission, neglect, or misconduct of the Contractor or the Contractor's agents, employees, or subcontractors, or the agents or employees of any subcontractor of Contractor, whether direct or indirect.
