

1 Priority Improvement Projects,” and “Operations and Program Support” as
2 identified in this Resolution, as these needs have significant local, regional,
3 and statewide impact. And for implementation of these projects to be
4 successful a partnership between the City of Albuquerque and the State of
5 New Mexico is needed.

6 SECTION 2. Following is the list of projects for which the City is
7 requesting funding from the New Mexico Legislature. These projects will be
8 supported with local funding and other resources. It is the desire of the City to
9 fully fund a project or a distinct phase of a project so that state funds can be
10 expended in an efficient manner that best benefits the community

11 24/7 Emergency Shelter(s) with Crisis Triage Support Phase 2:
12 Obtain state funds to match \$14,000,000 in local funds for construction of
13 phase two of the centralized emergency shelter with triage support to provide
14 services seven days a week and for 24 hours a day that include connection to
15 indigent care, mental crisis treatment, and addiction treatment.

16 Albuquerque Convention Center: Match local funds to continue
17 to renovate the Convention Center buildings, adjacent features and access, in
18 order to attract large scale nation-wide conventions and performances to
19 Albuquerque.

20 African American History Museum and Cultural Center: Plan,
21 design and construct a museum and cultural center to educate people about
22 the nations African America history, art and culture and the impact of African
23 American history, art and culture on New Mexico.

24 Alameda Boulevard between Barstow Street and Rich Court: Build
25 out the full roadway cross-section so as to improve traffic flow on an
26 east/west arterial and make storm drainage improvements to reduce
27 neighborhood flooding.

28 Altura Park Renovations: Renovate the irrigation system and plant
29 new trees for Altura Park.

30 Broadway Corridor Projects: Match City Lodgers Tax, City General
31 Obligation Bonds and Private Investments for the construction of the
32 Downtown Broadway Corridor Project to include storm drainage facilities,
33 roadway, pedestrian and streetscape improvements between Marble Avenue

1 and Martin Luther King Boulevard and an at-grade railroad crossing at
2 Marquette Avenue. And to match funding from Bernalillo County Affordable
3 Housing Bonds and Mortgage Finance Authority Tax Credits to renovate 96
4 affordable housing units at the Commons in Martineztown in the South
5 Martineztown Neighborhood of Albuquerque.

6 Brush Truck: Purchase a brush truck for the Albuquerque Fire and
7 Rescue Department's District Station 16 for the purpose of providing wildland
8 fire protection for the Urban/Wildland Interface in Albuquerque's North East
9 Heights.

10 Cibola Loop Community Complex: Design and construct
11 community facilities at the City's Cibola Loop Complex to include a library, a
12 multi-generational center and Indoor lap, recreational, and therapy pools to
13 serve the Northwest Mesa of Albuquerque.

14 City Council District 6 City Parks Irrigation, and Infrastructure
15 Improvements: Update the irrigation systems, parking areas and play ground
16 of aging parks, in Albuquerque City Council District 6

17 City Council District 6 Sidewalk Repair and Infill: Address
18 pedestrian safety and access needs in neighborhoods with high levels of
19 pedestrian activity in Albuquerque City Council District 6.

20 City Council District 7 Community Centers: Renovate, expand and
21 otherwise improve the McKinley and Snow Park Community Centers in
22 Albuquerque City Council District 7.

23 City Council District 8 City Parks Irrigation and Infrastructure
24 Improvements: Update the irrigation systems, parking areas and play ground
25 of aging parks, in Albuquerque City Council District 8.

26 Community Centers: Plan, design, construct, update and renovate
27 community centers throughout the City of Albuquerque to improve service
28 delivery of services provided to the public, through community centers,
29 including meeting spaces, computer labs, self-improvement classes, and
30 fitness gyms.

31 Community and Public Safety Complex in Albuquerque's Southeast
32 Heights: Construct a Community and Public Safety Complex at San Mateo
33 Boulevard and Kathryn Street to improve the delivery of public safety services

1 in the Southeast Heights of Albuquerque and to incentivize new private and
2 public investment along the South San Mateo Corridor

3 Crestview Bluff/Arenal Drain Land Acquisition: Purchase property
4 to preserve open space at a historic bluff in the Atrisco Land Grant.

5 Crime-Fighting Technology Modernization: Funding to integrate
6 and update APD crime-fighting systems and to incorporate cutting-edge
7 technology in the areas of mobile technology, records and computer-aided
8 dispatch systems that can provide continuous real-time information that it is
9 integrated regionally and with State Public Safety Agencies, and a fully
10 integrated data warehouse.

11 Fiftieth Anniversary of Balloon Fiesta: Funding to match local
12 funds to celebrate the 50th anniversary of New Mexico's crown jewel event in
13 2021, including constructing a crow's nest and upgrading the public address
14 system and electronic systems at Balloon Fiesta Park.

15 Golf Course Improvements: Upgrading, modernizing, equipping for
16 accessibility and improving public golf courses across the City.

17 Holocaust & Intolerance Museum of New Mexico: Plan, design and
18 construct a museum to educate people about the Holocaust as well as other
19 genocides and forms of bullying that have affected people around the world.

20 Indoor Sports Complex Albuquerque West Side: Provide a field
21 house as part of the complex with Albuquerque Public School Nusenda
22 Stadium and the Jennifer Riordan Sparks Kindness Sports Complex for the
23 Albuquerque/Bernalillo County indoor sports leagues and as a location to host
24 regional tournaments.

25 Interstate Interchange Landscaping: Landscape Interstate
26 Interchanges within the City of Albuquerque that are gateways to the City and
27 the major community and employment centers in Albuquerque.

28 Isotopes Park Improvements: Plan, design, construct, furnish and
29 equip and otherwise improve Isotopes Park, including but not limited to
30 netting, field improvement, and concession stands at Isotopes Park.

31 Joan Jones Community Center Gymnasium: Construct Phase
32 Three of the Joan Jones Community Center to include an indoor gymnasium.

1 **Los Altos Park Renovations:** Complete renovations to the Los Altos
2 Park softball fields, the dog park, the tree canopy, and parking lots and add a
3 BMX pump track so as to provide a facility for sports tourism and community
4 recreation.

5 **McMahon Blvd Cross-Section Buildout:** Buildout the full cross-
6 section of McMahon Boulevard from Anasazi Ridge Avenue/Kayenta Street to
7 Maravillas/Rockcliff Drive to include, right of way acquisition, planning, design
8 and construction so as to improve the flow of traffic on an east/west arterial in
9 the Northwest Mesa of Albuquerque.

10 **Neighborhood Lighting in Underserved Areas of Southeast and**
11 **Southwest Albuquerque:** Design and construct lighting to enhance safety and
12 security in the aging and historically underserved areas of Southeast and
13 Southwest Albuquerque.

14 **North Domingo Baca Park Pool:** Construct a recreation and lap
15 pool to fill a service void in Albuquerque and Bernalillo County east of the Rio
16 Grande River, north of Montgomery Boulevard/Montano Road west of the
17 Sandia National Wilderness and south of Tramway Boulevard/Road.

18 **Old Town-Bio Park- Museum Connectivity:** Match local investments
19 in the State's most popular tourist attraction, the BioPark, by enhancing
20 connectivity to other regional tourist destinations including Old Town and the
21 State's Museum of Natural History.

22 **Park Shade Structures and Spray Parks:** Enhance neighborhood
23 recreational opportunities by providing shade structures and spray pads in
24 parks Citywide.

25 **Paseo del Norte Widening from Calle Nortena to Rainbow**
26 **Boulevard:** Expand Paseo del Norte Boulevard to four lanes in each direction,
27 as provided for in the regional transportation infrastructure plan, to include
28 right of way acquisition, design, and construction to improve the flow of traffic
29 for Albuquerque's Northwest Mesa and the City of Rio Rancho by improving a
30 failed link in the arterial system that creates significant traffic delays.

31 **Rail Yards Improvements:** Match local and other sources of funds
32 to continue to redevelop the 27-acre historic Albuquerque Rail Yards site,
33 including bringing buildings up to occupation standards and codes.

1 **Replacement for City Fire Station 12:** To Purchase land, plan,
2 design and construct a new Fire Station 12, to replace an antiquated fire house
3 that services one of Albuquerque’s busiest fire districts for calls for service
4 and to improve the delivery of fire and rescue services in Albuquerque’s East
5 Gateway Area.

6 **Rio Grande and Bellamah Complete Street Improvements:** Match
7 City general obligation bonds and private investments to provide pedestrian
8 amenities, multi-modal improvements and streetscaping in Albuquerque’s Old
9 Town and Saw Mill Districts on Rio Grande Boulevard between Interstate 40
10 and Chacoma Place and on Bellamah Avenue between 18th Street and Rio
11 Grande Boulevard. This project will provide safe transportation to an area with
12 intensive pedestrian, and bicycle activity and will create an enhanced gateway
13 from Interstate 40 to Albuquerque’s Old Town and Museum District.

14 **Route 66 Destination and Visitors Center:** Construct a Route 66
15 Destination and Visitor Center on Nine Mile Hill at Central and 136th Street to
16 provide an interpretive center of Albuquerque’s role as the location of the
17 longest urban section of Route 66, to connect the culture and history of
18 Albuquerque Southwest Area with the New Mexico Tourism Industry, to
19 provide a site to view Albuquerque’s storied city lights and the surrounding
20 mountain ranges and to create an event center for the over quarter million
21 people of Albuquerque’s West Side.

22 **San Pedro Corridor Improvements from Paseo Del Norte to**
23 **Alameda Boulevard:** Convert a rural section San Pedro Road to an urban
24 cross-section to improve a north south arterial link in Albuquerque’s Far
25 Northeast Heights and to accommodate for significant traffic growth in the far
26 northeast section of Albuquerque.

27 **Santa Fe Village Storm Water Conveyance:** Construct a storm water
28 conveyance system at the base of the escarpment of the Petroglyph National
29 Monument to prevent flooding in the Southwest Quadrant of the Santa Fe
30 Village Neighborhood.

31 **School Crosswalk Improvements:** Funding to improve and increase
32 the safety of pedestrian crosswalks at Albuquerque Public Schools.

1 **Singing Arrow Community Complex:** Plan, design, and build the
2 Singing Arrow Community Complex including construction of a community
3 center in a high density area of mixed income neighborhoods and to build an
4 archeological center that protects and provides interpretive information
5 pertaining to the ruins of a historic Spanish Colonial Era Village located in
6 Singing Arrow Park.

7 **Soccer Fields Albuquerque’s West Side:** Construct soccer fields as
8 part of or near the complex with APS Nusenda Stadium and the Jennifer
9 Riordan Sparks Kindness Sports Complex.

10 **Tijeras Bio Zone Land Acquisition and Restoration:** Land
11 acquisition and restoration of City Open Space Lands in the Tijeras Bio Zone
12 to protect four bio-zones and the only other year round running stream in
13 Albuquerque besides the Rio Grande.

14 **Westgate Community Center:** Design and construct the Westgate
15 Community Center Phases One and Two to accommodate the significant
16 population growth in the Westgate Area of Albuquerque and to provide facility
17 space to offer the expanded list of services provided by modern community
18 centers.

19 **SECTION 3. Operations and Program Support:**

20 The City of Albuquerque seeks operational funding for key initiatives
21 with statewide impact.

22 (A) **Substance Abuse and Behavioral Health Services:** Provide
23 additional resources for substance abuse, mental health and other behavioral
24 health services critical to deterring and preventing crime across the State.

25 (B) **Respite Center Funding:** Continued support through the Area
26 Agency on Aging for the operations of the South Valley Respite Center.

27 (C) **Violence Interruption Program:** Encouraging development of a
28 statewide fund, available to support the Albuquerque Police Department and
29 other law enforcement agencies that supports social services and targeted
30 enforcement programs that combat violent crime.
