CITY OF ALBUQUERQUE
Albuquerque, New Mexico
Office of the Mayor

Mayor Timothy M. Keller

INTER-OFFICE MEMORANDUM

April 25, 2022

TO: Isaac Benton, City Council President

FROM: Timothy M. Keller, Mayor 

SUBJECT: Resolution amending the adopted Capital Improvement Program for the City of Albuquerque – Aviation Department by appropriating funds for Investment Income and Passenger Facility Charge revenues, and transferring funds between existing projects, closing projects, approving new projects, and accepting grant funding.

I submit herewith for City Council approval a copy of the above-referenced Resolution. This legislation will appropriate Investment Income for the Post Security Improvements project, and approved Passenger Facility Charge (PFC) revenues to existing projects approved by the FAA in PFC Application Number Seven (7) (Terminal Building Perimeter Concrete, Hotspot Construction, West Ramp Reconstruction Projects) and the Post Security Improvements project. Additionally, this legislation will transfer excess funds from the Runway 8/12 Realignment, and Sunport Cargo Facility projects, and will close the DEII Hangar Lease Facility, W. Airport Improvement, DEII Master Plan Update, DEII Airport Wildlife Hazard Survey, Runway 8/26 Pavement Rehab Design, South Apron Island A3, Taxiway C Fillet Reduction, Taxiway F7 Connector Runway 3/21, Taxiway A1 Holdline Relocation, Taxiway F6, DEII Master Plan Approval, DEII Mower, and the Sunport Taxiway A Holdline Relocation projects to provide supplemental funding for the Airline Coverage Account, Alb. Improvement Account, Advanced Engineering, Access Control Improvements, Post Security Improvements, Taxiway E Reconstruction Phase B, Sunport Art Program, Sunport Emergency Generator Construction, Terminal Apron Reconstruction Phase III, and the DEII Airfield Pavement Rehab Design and PER Projects.

Additionally, this legislation will allow for the creation of a new project for the DEII FY23-24 Airfield Maintenance project. This legislation will also allow for the acceptance and appropriation of additional FAA grant funds for the Sunport Hotspots Construction, the Sunport Airport Coronavirus Response Grant Program (ACRGP) and the Sunport Cargo Facility and the Post Security Improvement projects.

Lastly, this legislation will allow for the acceptance and appropriation of NM Department of Transportation grant funding for the DEII FY23-24 Airfield Maintenance project.

Cover Analysis

1. What is it?

Resolution amending the adopted Capital Improvement Program for the City of Albuquerque – Aviation Department by appropriating funds for Investment Income and Passenger Facility Charge revenues, and transferring funds between existing projects, closing projects, approving new projects, and accepting grant funding.

2. What will this piece of legislation do?

This legislation will appropriate Investment Income for the Post Security Improvements project, and approved Passenger Facility Charge (PFC) revenues to existing projects approved by the FAA in PFC Application Number Seven (7) (Terminal Building Perimeter Concrete, Hotspot Construction, West Ramp Reconstruction Projects) and the Post Security Improvements project. Additionally, this legislation will transfer excess funds from the Runway 8/12 Realignment, and Sunport Cargo Facility projects, and will close the DEII Hangar Lease Facility, W. Airport Improvement, DEII Master Plan Update, DEII Airport Wildlife Hazard Survey, Runway 8/26 Pavement Rehab Design, South Apron Island A3, Taxiway C Fillet Reduction, Taxiway F7 Connector Runway 3/21, Taxiway A1 Holdline Relocation, Taxiway F6, DEII Master Plan Approval, DEII Mower, and the Sunport Taxiway A Holdline Relocation projects to provide supplemental funding for the Airline Coverage Account, Alb. Improvement Account, Advanced Engineering, Access Control Improvements, Post Security Improvements, Taxiway E Reconstruction Phase B, Sunport Art Program, Sunport Emergency Generator Construction, Terminal Apron Reconstruction Phase III, and the DEII Airfield Pavement Rehab Design and PER Projects. Additionally, this legislation will allow for the creation of a new project for the DEII FY23-24 Airfield Maintenance project. This legislation will also allow for the acceptance and appropriation of additional FAA grant funds for the Sunport Hotspots Construction, the Sunport Airport Coronavirus Response Grant Program (ACRGP) and the Sunport Cargo Facility and the Post Security Improvement projects. This legislation will also allow for the acceptance and appropriation of NM Department of Transportation grant funding for the DEII FY23-24 Airfield Maintenance project.

3. Why is the project needed?

This legislation is needed to appropriate Investment Income for the Post Security Improvements project and to reallocate funding from existing and closing projects to provide funding for continued improvements at the Albuquerque International Sunport. Additionally, this legislation is needed to appropriate PFC revenues to the Terminal Building Perimeter Concrete, Sunport Hotspots Construction and West Ramp Reconstruction projects that were approved by the FAA in PFC Application Number Seven (7) as well as appropriate PFC revenue for the Post Security Improvements project. Lastly, this legislation is needed to allow for the acceptance of additional Federal grant funding from the FAA and NM DOT.

4. How much will it cost and what is the funding source?

This legislation will appropriate investment income and PFC revenues, transfer funds from existing projects and will close completed projects to provide \$73,603,308 to supplement existing projects and for the creation of new projects. Of this \$873,603,308, \$1,000,000 will be transferred to the Airline Coverage Account, \$1,000,000 will be transferred to the Alb. Improvement Account, \$1,000,000 will be transferred to Advanced Engineering, \$925,000 will be transferred to the Access Control Improvements project, \$53,000,000 will be transferred to the Post Security Improvements project, \$500,000 will be transferred to the Taxiway E Reconstruction Phase B project, \$70,000 will be transferred to the Sunport Art Program project, \$2,500,000 will be transferred to the Sunport Emergency Generator Construction Project, \$3,632,853 will be transferred to the Terminal Apron Reconstruction Phase III project, and \$50,000 will be transferred to the DEII Airfield Pavement Rehab (design and PER) project. Additionally, \$3,100 will be appropriated for the creation and matching funds for the DEII FY23-24 Airfield Maintenance project. Additionally, this legislation will allow for the acceptance and appropriation of Federal FAA Airport Improvement Program grant funds including \$6,666,667 for the Sunport Air Cargo Apron Expansion project, \$421,277 for the Sunport Hotspots Construction project, \$71,474,500 for the Post Security Improvements project and \$3,812 for the ACRGP grant as well as \$20,000 in NM DOT grant funds for the DEII FY23-24 Airfield Maintenance project.

5. Is there a revenue source associated with the project? If so, what level of income is projected?

In addition to the federal and state grant funding noted above, the Post Security Improvements project will provide additional concession space beyond the TSA Security Checkpoint that the Aviation Department plans to lease to future tenants for business use. The expected revenue is unknown at this time, as lease agreements will be negotiated at a later date.
