FROM: Timothy M. Keller, Mayor 

SUBJECT: Resolution Authorizing the Acceptance of Grant Funds from the U.S. Department of Commerce, Minority Business Development Agency

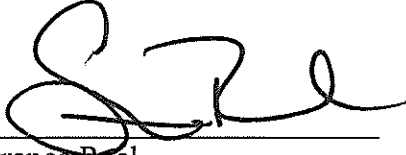

Attached is a Resolution authorizing the acceptance of grant funds from the U.S. Department of Commerce Minority Business Development Agency. The \$458,247 grant will provide an appropriation to the City of Albuquerque Economic Development Department for fiscal year 2023. Due to the exigent circumstances faced by the Nation's minority businesses enterprises (MBEs) because of the COVID-19 pandemic, some selective MBDA Business Centers, including the New Mexico will be awarded a non-competitive grant to assist MBEs to prevent, prepare for, and respond to the coronavirus, and including identifying and accessing local, State, and Federal government assistance related to such virus. The \$458,247 grant will be dispersed over 1 year, beginning July 1, 2022 and ending June 30, 2023 to the Economic Development Department. This funding will help to facilitate growth within the minority private sector businesses in Albuquerque and New Mexico. This legislation will include a lease agreement between the Albuquerque Hispano Chamber of Commerce and the City of Albuquerque's Economic Development Department, which will allow this project to have officers to operate and consult with MBEs.

COMMENTS ON NON-MONETARY IMPACTS TO COMMUNITY/CITY GOVERNMENT:

Coronavirus Response and Relief – Business Centers: The proposed MBDA Coronavirus Response and Relief project will work alongside our existing MBDA Business Center to serve and provide more comprehensive relief to MBEs. This includes supporting MBE growth, exporting, manufacturing, and Federal contracting initiatives and priorities, especially during and with a focus on the effects of the COVID-19 pandemic on MBEs, in accordance with the MBDA Funding Opportunity. **Providing technical assistance to businesses and MBEs:** The Center will use an innovative model whereby Center staff and contracted Business Advisors serve as the technical assistance providers of outreach and MBE supports while professional service providers deliver training and one-to-one assistance in their areas of expertise. This multiplies the knowledgebase available to clients, opens additional networks, and strengthens access to MBE communities and culturally relevant services. Strategically, we will focus client recruitment on New Mexico's high growth industries like biosciences, healthcare, aerospace and drone technology, construction, energy, defense, optics and photonics, cybersecurity, advanced manufacturing, and film and television. This means helping MBEs that are poised for significant demand-driven growth and helping improve the state economy and workforce opportunities – as well as supporting the industries that are taking an active part in preventing, responding to, and promoting resilience in the face of the COVID-19 and future pandemics. **IDOH to be paid by Grant.**

Re: Invitation to Submit an Application for a Coronavirus Response and Relief Funding
New Mexico MBDA Business Center

Funding Amount: \$458,247

Dear Ms. Mitchell:

The Minority Business Development Agency (MBDA) is the only Federal agency designed to foster the growth and development of minority business enterprises (MBEs). MBDA delivers services to MBEs through a nationwide network of public-private partnerships funded through federal financial assistance awards.

As part of the Consolidated Appropriations Act of 2021, Congress authorized funding in the amount of \$25,000,000 for the Minority Business Development Centers Program, including Specialty Centers, for “necessary expenses, including any cost sharing requirements that may exist, for assisting minority business enterprises to prevent, prepare for, and respond to coronavirus, and including identifying and accessing local, State, and Federal government assistance related to such virus.” Consolidated Appropriations Act 2021; Div. M – Coronavirus Response, and Relief Supplemental Appropriations Act, 2021 (Coronavirus Relief Act)(P.L. 116-260, sec. 323(d)(1)(B)(Dec. 27, 2020).

The goals and work requirements will support all MBEs and emphasize smaller and non-employer MBEs. MBDA expects to award a total of 12 grants. The funding level for each award is based on MBE density by state.

Proposed Goals and Metrics:

Section 323(d)(1)(B) of the Coronavirus Relief Act provided funding for “necessary expenses, including any cost sharing requirements that may exist, for assisting minority business enterprises to prevent, prepare for, and respond to coronavirus, and including identifying and accessing local, State, and Federal government assistance related to such virus.” MBDA has set the following metrics for reporting below:

1. Number of MBEs affected by COVID-19 that are assisted by the Business Center;
2. Number of MBEs informed and/or referred by the Business Center to COVID-related local, state, and Federal government assistance programs;

3. Number of MBE applications submitted to local, state, and Federal government assistance programs as a result of Business Center assistance;
4. Number of awards issued by local, state, and Federal programs to MBEs assisted by the Business Center;
6. Number and type (e.g., small, medium, large, etc.) of MBEs affected by COVID-19, in economically distressed areas, assisted by the Business Center;
7. Number and type (e.g., small, medium, large, etc.) of MBEs affected by COVID-19, in rural areas, assisted by the Business Center.

Applicants must propose goals that address and meet items 1-7 above.

Applicants must include in their applications proposed goals that must be met within the performance period for each of the above metrics. Applicants also must submit progress performance reports on a semi-annual (first six (6) month) and annual (12 month) basis, with financial information. Financial reports must include drawdowns based on the above metrics, details for staffing percentages, and specific allocations of funding made for dedicated staff.

Budget:

Each recipient must submit the required budget forms to include the SF-424, SF-424A, SF-424B, project narrative, budget narrative, CD-511, and SF-LLL in support of this funding. The proposed costs identified by each recipient must be consistent with the funding levels for this initiative as identified by MBDA and appear to be reasonable, allowable, and allocable.

Funding is subject to the availability of funds for an award period of performance of July 1, 2022 – June 30, 2023.

Recommendation:

The Minority Business Development Agency (MBDA) invites the New Mexico MBDA Business Center located in Albuquerque, NM to apply for funding, not to exceed \$458,247 for the referenced award action.

Please note that the above goals are separate from, and in addition to, the existing performance goals for the current MBDA Business Center.

If the operator elects to accept the additional funding, the operator must submit in writing via email to MBDA accepting the funding and goals.

Instructions to apply for funding will be forthcoming. All the documents required for the application package must be submitted through the Grants.Gov system, which may be accessed at: <http://www.grants.gov>.

If you have any questions regarding the above, please do not hesitate to contact me at (202) 482-0065.

Sincerely,

Nakita Chambers

Should the month-to-month hold over tenancy continue for more than a 12-

Tenant acknowledges that the exercise by Landlord of any of the rights conferred on Landlord under this Lease, and Landlord's exercise of a right of entry upon the Premises conferred by this Lease shall not be deemed to be a constructive or actual eviction of Tenant and shall not be considered to be a breach of Landlord's covenant of quiet enjoyment. Landlord hereby warrants and represents that Landlord has full right and sufficient title to lease the Premises for the term and upon the terms and conditions set forth herein.

I. COMPLIANCE WITH LAW.

1. Tenant shall at all times during the term of this Lease at its own expense, comply with all federal, state, county, municipal, and other governmental statutes, ordinances, laws, rules and regulations, now or hereafter enacted or amended, affecting the Premises, or occasioned by or affecting the use thereof by Tenant, including, but not limited to, the Americans With Disabilities Act.

2. Tenant shall have the right to contest by appropriate legal proceedings, without cost or expense to Landlord, the validity of any law, ordinance, order, rule, regulation or requirement affecting Tenant's use and/or occupancy of the Premises. If compliance by Tenant may be legally held in abeyance during the contest without subjecting Landlord or Tenant to any liability whatsoever for failure to so comply, Tenant may postpone compliance until the conclusion of the proceedings.

3. Tenant shall procure, at its sole expense, any permits and licenses required for the transaction of business in the Premises and otherwise comply with all applicable laws, ordinances and governmental regulations. Tenant shall immediately notify Landlord

in the event any permit, license, or approval necessary for the operation of Tenant's business from the Premises is revoked or suspended. If such revocation or suspension is not corrected within twenty (20) days after notice to Landlord (or such longer period as is reasonable so long as Tenant initiates such correction within the twenty (20) day period and thereafter diligently and continuously works towards correcting the revocation or suspension), then it shall be an automatic event of Default under this Lease.

J. UTILITIES.

Tenant shall not install any equipment or fixtures, or use the same, in any manner that exceeds the safe and lawful capacity of any utility equipment or lines serving the Premises. Landlord shall not be liable in damages or otherwise for any failure, variation, shortage or interruption of any utilities or services, and Tenant shall not be entitled to terminate this Lease or abate any portion of the Rent as a result of such failure, variation, shortage or interruption.

K. INDEMNIFICATION; LIABILITY.

1. Landlord shall not in any event be liable for any acts or omissions of Tenant or its agents, servants, employees, or independent contractors, or for any condition resulting from the operations or activities of Tenant, its agents, servants, employees, or independent contractors either as to Tenant or to any other person, including any and all claims, losses, damages, and expenses relating to any of the foregoing.
2. Landlord agrees to pay for all damage to third parties from personal injury or property damage that occurs in the Premises caused by the intentional misuse, or neglect by Landlord or Landlord's employees, agents, and invitees. Further, Landlord agrees to indemnify, defend, and hold harmless Tenant and its officials, agents, and employees from and against any and all claims, actions, suits, or proceedings of any kind brought against said parties because of any injury or damage received or sustained by any person, persons, or property arising out of or resulting from the actions, omissions, or misconduct of Landlord or its agents in the performance of obligations and the terms and conditions of this Lease.
3. Tenant agrees to pay for all damage to third parties from personal injury or property damage that occurs in the Premises to the extent caused by the intentional misuse or neglect by Tenant or Tenant's employees, agents, and invitees, provided, however, that any liability incurred in connection with this Lease by Tenant is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1 et seq., NMSA 1978, as amended

L. INSURANCE.

1. Tenant represents that it is adequately self-insured, and that Tenant's municipal self-insurance program includes the following types of coverage in appropriate amounts:

- a. Special Form property insurance covering the contents owned by Tenant in the Premises.
- b. Comprehensive General Liability Insurance.
- c. Workmen's Compensation Insurance.
- d. Automobile Liability Insurance.

2. Evidence of Coverage. Tenant shall deliver to Landlord a letter evidencing self-insurance, if required and requested by Landlord at the time of or following execution of the Lease.

M. REPAIRS AND MAINTENANCE; TENANT'S NEGLIGENCE; SUBSTANTIAL DAMAGE.

Landlord shall keep the roof, the foundation, structural elements of the Building and Premises (including molding, locks and hardware, painting or other treatment of interior walls), pipes and conduits of the Building and Premises in good condition and repair in accordance with standards then prevailing for comparable properties of like age and character or such higher standard as Tenant may determine, except that Landlord shall not be required to make any repairs occasioned by the act or negligence of Tenant, its agents, employees, subtenants, licensees and concessionaires, which repairs shall be made by Tenant. In the event that the Premises should become in need of major repairs and/or replacements for major components that impact the Building as a whole, including but not limited structural repairs to the Building, repairs to the exterior of the Building including but not limited to the roof, or repairs to the HVAC or major building systems, said repairs and/or replacements shall be the responsibility of the Landlord. Tenant shall give immediate written notice thereof to Landlord and Landlord shall take prompt and appropriate steps to initiate such repairs following delivery of such written notice, except in exigent circumstances, in which case Landlord shall take such steps immediately and without delay. An exigent circumstance is when, without the necessary major repair or replacement, the Premises are unusable by Tenant and/or when the lack of the necessary repair or replacement places Tenant's property in substantial danger of being ruined. If the major repair or replacement causes an exigent circumstance and Landlord fails or is unable to make any such repairs in a timely manner, and Tenant is able to make repairs more quickly, then upon notice to Landlord, Tenant may make the repairs or replacement and Landlord shall reimburse Tenant for said repairs or replacement. Landlord shall have no liability for any damages or injury arising out of any

condition or occurrence causing a need for such repairs unless the damage results from the Landlord's negligence, delay or willful misconduct. Landlord shall not be liable or responsible for breakdowns or temporary interruptions in access or utilities nor for interference with Tenant's business or Tenant's access to the Premises during the course of repairs or remedial work, unless and to the extent resulting from the negligence or willful misconduct of the Landlord.

N. AMERICAN WITH DISABILITIES ACT.

Tenant agrees to meet all applicable requirements of the American with Disabilities Act of 1990, as amended, and all applicable rules and regulations, as amended, (the "ADA"), that are imposed directly on Tenant as a public entity or that would be imposed on the Landlord.

O. RIGHT TO ENTER WITHOUT NOTICE.

The Landlord, its agents, and other representatives, shall have the right to enter into and upon the Premises or any part thereof at reasonable times for the purpose of inspecting the Premises, making repairs, showing the Premises to prospective lenders, purchasers of the Premises, or prospective tenants upon a thirty (30) day notice to Tenant. In the event of an emergency as determined by the Landlord, the Landlord, its agents and other representatives, may enter at any time, without notice and without the presence of Tenant provided that Landlord gives Tenant notice of such entry and the exigent circumstances as soon as reasonably possible. Tenant will permit Landlord at any time within six (6) months prior to the expiration of this Lease, to place upon the Premises any usual "To Let" or "For Lease" signs, and permit potential tenants to inspect the Premises, provided Tenant is given reasonable notice of such inspections and such inspections do not unreasonably interfere with the operations of Tenants business activities.

P. TERMINATION AND SURRENDER OF PREMISES.

At the expiration of the Base Term of this Lease, or Renewal Term if the Lease is extended as permitted pursuant to its terms, or upon its earlier termination as provided hereunder, Tenant shall surrender the Premises to the Landlord in as good condition as Premises was in at the beginning of the Term, reasonable use, wear and tear excepted, clean, and free of debris. Tenant shall remove Tenant's personal property from the Premises. Any and all improvements made to the Premises during the term hereof shall, unless Landlord requests their removal, belong to the Landlord without compensation, allowance, or credit to Tenant, except movable trade fixtures, furnishings, and equipment of the Tenant which can be removed without defacing the Premises, including the underlying and related property. Tenant shall repair any damage to the Premises occasioned by the installation or removal of Tenant's trade fixtures, furnishings, and equipment. Any of Tenant's personal property left by Tenant on or about the Premises at the expiration or termination of this Lease shall, at the option of the Landlord, become the property of the Landlord, and the Landlord shall be entitled to use, sell or otherwise dispose of such personal property.

Q. DEFAULT AND REMEDIES.

1. Default. The occurrence of any one or more of the following events shall constitute a Default (a “**Default**”) by Tenant:

a. Failure to make payment when due where such failure shall continue without cure for a period of thirty (30) consecutive calendar days after written notice thereof from Landlord to Tenant.

b. The abandonment of the Premises by Tenant for a period of thirty (30) consecutive calendar days.

c. The failure by Tenant to observe or perform any of the material, express covenants or provisions of this Lease, where such failure shall continue for a period of thirty (30) consecutive calendar days after written notice thereof from the Landlord to Tenant, provided that if the nature of Tenant’s Default is such that more than thirty (30) consecutive calendar days are reasonably required for its cure, then Tenant shall not be deemed to be in Default if Tenant commences to cure within the thirty (30)-day period, and thereafter diligently and continuously prosecutes such cure to completion.

d. Tenant assigns this Lease or subleases all or any portion of the Premises without Landlord’s prior written consent.

e. Tenant **(i)** files, or consents by answer or otherwise to the filing against it, of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction; **(ii)** makes an assignment for the benefit of its creditors; **(iii)** consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of itself or of any substantial part of its property; or **(iv)** takes action for the purpose of any of the foregoing.

f. A court or governmental authority of competent jurisdiction, without consent by Tenant, enters an order appointing a custodian, receiver, trustee or other officer with similar powers with respect to Tenant or with respect to any substantial portion of its property, or enters an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or insolvency law of any jurisdiction, or enters an order decreeing the dissolution, winding up or liquidation of Tenant, or if any such petition is filed against Tenant and such petition is not dismissed within **180 days**.

2. Landlord’s Remedies. In the event of Default by Tenant, as defined above, the Landlord, in addition to any other remedies set forth in this Lease, may, without further notice or demand, terminate this Lease, in which event this Lease and the leasehold

estate hereby created shall automatically terminate upon the effective date specified by Landlord in such notice with the same force and effect and to the same extent as if the specified termination effective date was the date originally fixed in this Lease for the expiration of the Lease term. Landlord shall thereupon be entitled to take possession of the Premises, and Tenant shall immediately surrender the Premises to the Landlord and agrees to pay the Landlord, on demand, the following damages:

- a. any unpaid Rent and other amounts due at the time of termination plus interest thereon at the maximum lawful rate per annum from the due date until paid;
- b. the net present value of the balance of the Rent for the remainder of the Base Term or Renewal Term, as may be applicable, less the net present value of the fair market value rental of the Premises for said period taking into consideration a reasonable lease-up period and reasonable expenses incurred by Landlord in re-letting the Premises (spread evenly throughout the term of the new lease), provided, however that this sum shall not be less than zero as in no event shall Landlord be obligated to pay Tenant if the difference is a negative number. Both future payments computed in accordance with this provision shall be discounted to present value in accordance with accepted financial practices using a discount rate of 1% per annum; and
- c. any other amount arising out of Tenant's failure to perform its obligations under the Lease, or which in the ordinary course of events would be likely to result therefrom, including brokerage commissions and the cost of recovering the Premises which costs shall not include the costs of demolition or remodeling the Premises for a new tenant.

R. HAZARDOUS SUBSTANCES.

1. Definitions: For the purposes of this Lease, the following terms have the following meanings:

- a. **“Environmental Law”** means any Federal, state or local law, statute, ordinance or regulation, rules or guidelines, now or hereafter in effect, pertaining to or governing Hazardous Substances or which relate to the protection of human health, safety, or that of the environment, including, without limitation, **CERCLA** (Comprehensive Environmental Response, Compensation and Liability Act of 1980), **RCRA** (Resources Conservation and Recovery Act of 1976) and **SARA** (Superfund Amendments and Reauthorization Act of 1986).
- b. **“Hazardous Substance”** means any substance, material, waste, pollutant, or oil, which is, or becomes designated, classified or regulated as being “toxic”,

“hazardous”, “radioactive”, “dangerous” or a “pollutant”, or any similar term, which is or becomes similarly designated, classified or regulated, under any Environmental Law, including asbestos, petroleum and petroleum products.

2. Tenant’s Responsibilities: At its own expense, Tenant will procure, maintain in effect, and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for Tenant’s use of the Premises. Tenant will not cause or permit any Hazardous Substance to be brought upon, kept or used in or about the Premises by Tenant, its agents, employees, contractors or invitees without the prior written consent of Landlord, except this paragraph 2 does not pertain to any hazards that may have been on the Premises prior to the Effective Date of this Lease. Tenant will cause any and all Hazardous Substances brought upon the Premises by Tenant to be removed from the Premises and transported solely by duly licensed haulers to duly licensed facilities for final disposal of such materials and wastes. Tenant will, in all respects, handle, treat, deal with and manage any and all Hazardous Substances in, on, under or about the Premises in total conformity with all applicable Environmental Laws and prudent industry practices regarding management of such Hazardous Substances. Upon expiration or earlier termination of the term of the Lease, Tenant will cause all Hazardous Substances placed on, under or about the Premises by Tenant or at Tenant’s direction to be removed and transported for use, storage or disposal in accordance and compliance with all applicable Environmental Laws. Tenant will not take any remedial action in response to the presence of any Hazardous Substances in or about the Premises, nor enter into any settlement agreement, consent decree or other compromise in respect to any claims relating to any Hazardous Substances in any way connected with the Premises without first notifying Landlord of Tenant’s intention to do so and affording Landlord ample opportunity to appear, intervene or otherwise appropriately assert and protect Landlord’s interests with respect thereto.

3. Landlord’s Representation: Landlord represents and warrants that, to the best of its knowledge, the Premises does not contain nor have the Premises ever contained Hazardous Substances, nor have the Premises ever been investigated or held in violation of any Environmental Law.

4. Environmental Audit. At any time and from time to time, Landlord may retain an environmental consultant or engineer to conduct an environmental audit or environmental assessment of the Premises and Tenant’s compliance with applicable laws, rules and regulations. Tenant shall extend its full cooperation with such audit or investigation. If Tenant is found not to be substantially in compliance with applicable law, then Tenant shall pay all reasonable costs associated with such audit or assessment to Landlord upon demand; otherwise all costs shall be borne by Landlord. In addition,

Tenant, at Landlord's request from time to time, shall complete such questionnaires and provide such information with respect to Tenant's activities and operations on the Premises as Landlord shall reasonably require.

5. If the Premises become contaminated in any manner for which Tenant is legally liable or otherwise become affected by any release or discharge of a Hazardous Substance, Tenant shall immediately notify Landlord of the release or discharge of the Hazardous Substance.

S. FIRE OR OTHER CASUALTY LOSS TO PERSONAL PROPERTY.

The Landlord shall not be liable for any damage or loss of the Tenant's personal property on the Premises from any cause, including, but not limited to, bursting or leaking of water pipes, leaking roof, fire, theft, and negligence of co-Tenants. Tenant shall be solely responsible for obtaining and paying for insurance covering Tenant's personal property in the Premises, operations losses and liability insurance. Tenant shall not be insured for such losses by the Landlord and shall not be entitled to make loss claims under the insurance coverage of the Landlord.

T. ASSIGNMENT AND SUBLETTING.

Neither Party shall assign this Lease or any of its rights and responsibilities hereunder (the "Assigning Party") in whole or in part regarding the Building or the Premises at any time for any reason without the other Party's (the "Non-Assigning Party") prior written approval, which approval shall not be unreasonably withheld. In the event of an assignment, or in the case of the Tenant, a sublease, contemporaneously with the granting of consent by the Non-Assigning Party, the Assigning Party shall cause the assignee or sublessee to expressly assume in writing and agree to perform all of the covenants, duties and obligations of the Assigning Party as set forth in this Lease and such assignee or sublessee shall be jointly and severally liable therefor along with the Assigning Party unless otherwise released therefrom in writing by the Non-Assigning Party.

U. TAXES AND ASSESSMENTS.

Landlord shall promptly pay to Bernalillo County the property taxes, including any additional assessments or exactions assessed or assessable, relating to the Property, Building, and Premises. Landlord will pay any and all additional exactions assessed or assessable. Landlord shall not allow any of said Bernalillo County property taxes to become delinquent and Landlord will not allow any additional assessment to become delinquent. Tenant shall pay all license and permit fees applicable to the Tenant's operation, and acquire and keep current all licenses, whether municipal, state, or federal, required as a result of the Tenant's operation on the Premises, and shall not allow any of said fees to become delinquent.

V. CONDEMNATION.

1. If during the Term any part of the Premises is taken or purchased by right of eminent domain or in lieu of condemnation, and if in the reasonable opinion of Landlord or Tenant substantial alteration or reconstruction of the portion of the Premises is necessary or desirable as a result thereof, or the amount of parking available to the portion of the Premises is materially and adversely affected, Landlord and/or Tenant shall have the right to terminate this Lease by giving the other Party at least sixty (60) days' written notice of such termination.

2. Landlord shall be entitled to receive and retain the entire condemnation award or consideration for the affected lands and improvements, and Tenant shall not have, or advance, any claims against Landlord for (i) the value of Landlord's property or its leasehold estate, (ii) the costs of removal or relocation, (iii) the unexpired term of this lease, and (iv) business interruption expense or any other damages arising out of the taking or purchase. Nothing herein shall give Landlord any interest in, or preclude Tenant from seeking and recovering on its own account from the condemning authority any separate condemnation award of compensation attributable to the taking or purchase of Tenant's chattels or trade fixtures or attributable to Tenant's relocation expenses provided that any such separate claim by Tenant shall not reduce or adversely affect the amount of Landlord's condemnation award. If any such separate award made or compensation paid to Tenant specifically includes a condemnation award or amount for Landlord, Tenant shall promptly account therefor to Landlord.

W. DISCRIMINATION PROHIBITED.

In the operation and use of the Premises, the Tenant shall not on the grounds of race, color, religion, sexual orientation, sexual preference, national origin or ancestry, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Title 49 CFR Parts 21 and 23, the Civil Rights Act of 1964, as amended, the Equal Pay Act of 1963, the Rehabilitation Act of 1973, and the New Mexico Human Rights Act. Without limiting the generality of the foregoing, the Tenant shall not discriminate against any employee or applicant for employment because of race, color, religion, gender, sexual orientation, sexual preference, national origin or ancestry, age, or physical or mental handicap. Such action will include, but not be limited to: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training; and disciplinary actions and grievances. The Tenant agrees to post in conspicuous places available to employees, and applicants for employment, notice setting forth the provisions of this non-discrimination clause.

X. LEASE EXEMPT FROM BATEMAN ACT; APPROPRIATIONS.

1. This Lease is contingent upon the Tenant receiving the anticipated federal grant and funds therefrom being appropriated for this Lease. In the event the funds are not received and appropriated as anticipated, this Lease shall be void.

2. By virtue of the provisions of NMSA 1978, §6-6-12 (1999), this Lease is exempt from the Bateman Act, including, without limitation as set out in NMSA 1978, §6-6-12 (1968), and it does not constitute the creation of debt. Nonetheless, as a result of Tenant's requirements and demands, if in any fiscal year of the City of Albuquerque during the term of this Lease, sufficient appropriations and authorizations are not made by the City Council to fund this Lease, this Lease may be terminated by the Tenant at the end of the Tenant's then current fiscal year, upon ninety (90) days' written notice given by the Tenant to the Landlord. Such event shall not constitute an event of Default under this Lease. Upon termination of this Lease as provided in this Section II (X), the Landlord and the Tenant shall have no further rights, obligations or liabilities as between the Landlord and Tenant as provided in this Lease, and all payments obligations and liabilities of the Tenant and of its interest in this Lease will cease upon the date of termination, except as otherwise provided in this Lease, including, without limitation, as to liabilities expressly stated to survive termination of the Lease.

Y. MISCELLANEOUS

1. Waiver Of Default. No failure by the Landlord or Tenant to insist upon the strict performance of any term, condition, or covenant of this Lease or to exercise any right or remedy available on the breach thereof, and no acceptance of full or partial Rent during the continuance of any breach will constitute a waiver of any breach or of any term, condition, or covenant. No obligation of this Lease that Tenant or Landlord is required to perform and no breach thereof, will be waived, altered, or modified, except by written instrument executed by the Landlord and Tenant.

2. Time Is Of The Essence. Time is of the essence in the performance of this Lease.

3. Exhibits. All certificates, documents, exhibits, attachments, riders, and addenda, if any, referred to in this Lease, including but not limited to the exhibits attached to this Lease, are hereby incorporated into this Lease by reference and are made a part hereof as though set forth in full in this Lease to the extent they are consistent with the terms and conditions of this Lease.

4. No Partnership or Agency. Nothing contained in this Lease is intended or shall be construed in any respect to create or establish any relationship other than that of Landlord and Tenant, and nothing herein shall be construed to establish any

partnership, joint venture, or association or to make Tenant the general representative or agent of Landlord or Landlord the general representative or agent of Tenant for any purpose whatsoever.

5. Force Majeure. In the event Landlord or Tenant is delayed, hindered or prevented from performing any act or thing required hereunder by reason of strikes, lockouts, labor troubles, casualties, failure or lack of utilities, governmental laws or regulations, riots, insurrection, war, acts of God, public health emergencies, pandemic, quarantine, governmental orders, or other causes beyond the reasonable control of Landlord or Tenant, neither Party shall be liable for the delay, and the period for the performance by either Party shall be extended for a period equivalent to the period of such delay. The foregoing shall be inapplicable to the payment of Rent by Tenant and to the delivery of the Premises by Landlord. In the event that such *Force Majeure* period of delay shall extend for a period of six (6) months or more, either Party shall have the right, in their discretion, to terminate this Lease by providing the other Party with written notice thereof, in which case the Parties shall proceed as though the Lease has expired upon its own terms as of the date of termination specified by the terminating Party.

6. Contract Review. Landlord and Tenant acknowledge that they have thoroughly read this Lease including all exhibits thereto and have sought and received whatever competent advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations herein. Landlord and Tenant further acknowledge that this Lease is the result of negotiations between them and that this Lease shall not be construed against either Party hereto by reason of that Party's preparation of all or part of this Lease.

7. Notices. Any notice from one Party to the other must be in writing and shall be deemed duly given three (3) days after deposit in the United States Mail if mailed by registered or certified mail, return receipt requested, or upon receipt or refusal to accept if personally delivered or deposited with a national overnight deliver courier who obtains written confirmation of delivery, addressed to the other Party at the address set below, or such other address as either Party may designate in writing. The Parties shall be responsible for notifying each other of any change of address. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice, demand or request sent.

All parties included with terms "Landlord" and "Tenant" respectively, shall be bound by notices and payments given in accordance with the provisions of this Subsection Y to the same effects as if each had received such notice or payment.

8. Estoppel Certificates. Tenant and Landlord shall at any time within ten (10) days after written request from either Party execute, acknowledge and deliver to the other Party a statement in writing: (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the Rent and any other charges are paid in advance, if any; (b) confirming the commencement and expiration dates of the term; (c) confirming the amount of the security deposit held by Landlord, if any; (d) acknowledging that there are not, to the certifying Party's knowledge, any uncured Defaults on the part of the other Party hereunder, or specifying such Defaults if any are claimed; and (e) confirming such other matters as the requesting Party may reasonably request. A prospective purchaser or encumbrancer of the Premises may conclusively rely upon any such statement. If the responding Party fails to respond within the required period, the responding Party shall conclusively be deemed to have certified, confirmed and acknowledged all matters requested by the requesting Party. If Landlord desires to finance or refinance the Premises, Tenant hereby agrees to deliver to any lender designated by Landlord such financial statements of Tenant as may be reasonably required by such lender. All such financial statements shall be used only for the purposes herein set forth.

9. Binding Effect. Once this Lease is made, the covenants, terms, and conditions of this Lease will be binding upon and inure to the benefit of the Parties and each of their respective successors, assigns, subtenants and sublessees.

10. Entire Agreement. This Lease, including the attached Exhibit A, constitutes the full and final agreement of the Parties and incorporates all of the conditions, agreements, and understandings between the Parties concerning the subject matter of this Lease, and all such conditions, understandings and agreements have been merged into this written Lease. All prior negotiations and agreements are merged into this Lease. No prior condition, agreement, or understanding, verbal or otherwise, of the Parties or their agents shall be valid or enforceable unless embodied in this Lease.

11. Modification. No subsequent agreement may modify this Lease unless it is in writing and signed by the Parties or their authorized agents. This Lease represents the entire contract between the Parties and, except as otherwise provided herein, may not be amended, changed, modified, or altered without the written consent of the Parties hereto.

12. Further Actions. At any time and from time to time, each Party agrees, without further consideration, to take such actions and to execute and deliver such documents as may be reasonably necessary to effectuate the purposes of this Lease.

13. Severability. In the event any covenant, condition or provision herein is held to be void, voidable, invalid, illegal, or unenforceable by any court of competent jurisdiction, such covenant, condition or provision shall be deemed amended to conform to applicable laws so as to be valid or enforceable, or, if it cannot be so amended, without materially altering the intention of the Parties, it shall be stricken. If stricken, all other covenants, conditions and provisions of this Lease shall remain in full force and effect provided that the striking of such covenants, conditions or provisions does not materially prejudice either the Landlord or Tenant in its respective rights and obligations contained in the valid covenants, conditions or provisions of this Lease.

14. Authorization: If Landlord executes this Lease as a corporation or partnership, then Landlord and the person(s) executing this Lease on behalf of Landlord, represent and warrant that such entity is duly qualified to do business in the State of New Mexico and that the individuals executing this Lease on Landlord's behalf are duly authorized to execute and deliver this Lease on Landlord's behalf. Landlord represents and warrants that it is the fee simple owner of the Premises, and that it has all requisite authority and approval to enter into this Lease.

15. Joint And Several Liability: In the event that more than one person or entity executes the Lease as Landlord, all such persons and entities shall be jointly and severally liable for all of Landlord's obligations hereunder.

16. Headings And Captions. Captions of sections and paragraphs are for convenience, not limitation, and are not to be construed as modifying text.

Z. ATTORNEYS' FEES.

If either Party to this Lease institutes any action or proceeding in court to enforce any provision hereof, for damage by reason of an alleged breach of any provision of this Lease, for a declaration of such Party's rights or obligations hereunder, or for any other judicial remedy, each Party shall be responsible for its own attorneys' fees (including the reasonable fees and disbursements and charges of internal legal counsel) and litigation expenses, including, but not limited to expert witness fees, and service of process fees.

AA. APPLICABLE LAW AND PARTIES BOUND.

This Lease shall be construed under the laws of the State of New Mexico. The Parties agree that venue for the assertion and pursuit to completion of any suit, action, or proceeding arising out of this Agreement shall be in Bernalillo County, New Mexico. The Parties irrevocably admit themselves to, and consent to, the jurisdiction of said court. In any litigation between Landlord and Tenant, the matter shall be decided by a judge sitting without a jury, and accordingly each Party hereby waives its right to a jury trial. The Parties further acknowledge that they have fully and fairly bargained for the terms of this Subsection AA. The provisions of this Subsection AA shall survive the expiration or earlier termination of this Lease.

CC. MULTIPLE COUNTERPARTS.

The Lease may be signed in multiple counterparts or with detachable signature pages, but in either, or both, circumstances shall constitute one instrument, binding upon all parties thereto as if all parties signed the same document.

DD. ELECTRONIC SIGNATURES.

Authenticated electronic signatures are legally acceptable pursuant to Section 14-16-7 NMSA 1978. The Parties agree that this Lease may be electronically signed and that the electronic signatures appearing on the Lease are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility

IN WITNESS WHEREOF, THE PARTIES HERETO HAVE SIGNED THIS AGREEMENT AS OF THE DATE indicated by each signature, and the Lease is effective after approval by the City Council and then only upon the signature of the City's Chief Administrative Officer or her/his authorized designee.
