The Administrator contacted the SAC Committee and RFP respondents on June 1, 2022 and advised them that this meeting would take place via email. She reminded the SAC Committee to have their scores and comments emailed to her by 11:00am on June 8, 2022.

The Administrator collected the Committee members' scores and she deleted the high score and low score and then totaled the proposal scores. The totaled scores resulted in ties so the Administrator followed the SAC Rules and Regulations to break all ties by adding one (1) point

to the respondent having the highest score dropped, this again resulted in ties. The Administrator followed the appropriate process for a total of five iterations which finally resulted in all ties broken. Point Deductions were not applied since this project contains federal funding. The Committee and respondents were advised of the final scores and the Administrator asked the Committee if there was a motion for interviews; no motion was made. The Administrator verified the scores prior to submitting the Committee's recommendation to the Mayor.

Final scores reported via the email meeting were as follows:

Dekker/Perich/Sabatini	263
FBT Architects	248
Greer Stafford	249
H+M Design Group	251
Huitt-Zollars	253
Jon Anderson Architecture	250
Molzen Corbin	257
SMPC Architecture	256

The Administrator informed the Committee of the following ranking of the firms based on their scores and subject to verification of Total Final Points:

Dekker/Perich/Sabatini	263

There being no further business before the Committee, the Administrator adjourned the email meeting by emailing everyone at 9:10am on 6/9/22.
