2 URGING THE NEW MEXICO STATE LEGISLATURE TO REPEAL THE NEW  
3 MEXICO RENT CONTROL PROHIBITION.

4 WHEREAS, New Mexico is a large state comprised of vastly differing  
5 communities which have their own unique housing issues and needs; and

6 WHEREAS, Albuquerque is by far the largest and most populated  
7 municipality in the State, with its population being almost five times that of the  
8 next largest city in the State, and it has unique housing needs outside of the  
9 scope of other cities and towns in New Mexico because of its urban make-up  
10 and large population; and

11 WHEREAS, a housing crisis in large cities in the State of New Mexico and  
12 throughout the Nation is causing an unprecedented number of people to be  
13 homeless or precariously housed; and

14 WHEREAS, since the COVID-19 Pandemic began in March of 2020, rental  
15 housing costs in Albuquerque have risen at unprecedented rates; and

16 WHEREAS, the growing population of homeless and precariously housed  
17 people in the State constitutes a housing crisis, which local governments  
18 must have some freedom in finding policies to create housing solutions; and

19 WHEREAS, New Mexico State Statute NMSA 1878, § 47-8a-1, the "Rent  
20 Control Prohibition," purports to govern all localities in the state; and

21 WHEREAS, housing is an issue of local concern, and local governments  
22 need the ability to impose landlord-tenant laws that are appropriate for their  
23 specific locality, whether it is rural or urban in nature.
