City shall thereupon be entitled to take possession of the Premises, and Tenant shall immediately surrender the Premises to City and agrees to pay to City, on demand, the following damages:

- a. the unpaid Rent and other amounts due at the time of termination plus interest thereon at the maximum lawful rate per annum from the due date until paid;

- b. the net present value of the balance of the Rent for the remainder of the Term (or applicable Extended Term), for the remainder of the Term or then-current Extended Term (had such Term not been terminated by City prior to the date of expiration), less the net present value of the fair market value rental of the Premises for said period taking into consideration a reasonable lease up period and reasonable expenses that would be incurred by City in re-letting the Premises (spread evenly throughout the term of the new lease), however this sum shall not be less than zero as in no event shall City be obligated to pay Tenant if the difference is a negative number. Both future payments computed in accordance with this provision shall be discounted to present value in accordance with accepted financial practices using a discount rate of four percent (4%) per annum. For purposes of this Article, Tenant's obligations, if any, for insurance premium increases and real estate taxes shall be projected based on the average rate of annual increases from the Rent Commencement Date through the date of default; and
- c. any other amount arising out of Tenant's failure to perform its obligations under the Lease, or which in the ordinary course of events would be likely to result therefrom, including the cost of recovering the Premises, which costs shall not include the costs of demolition or remodeling the Premises for a new tenant, and brokerage commissions.

(2) Continue this Lease in effect, and as long as the City does not terminate Tenant's right to possession and City may enforce all its rights and remedies under the Lease, including the right to recover the Rent. Actions to collect amounts due by Tenant to City as provided in this Article may be brought from time to time, on one or more occasions, without the necessity of waiting until expiration of the Lease Term or then-current Extended Term.

(3) Terminate Tenant's right of possession (but not this Lease) and repossess the Premises pursuant to the laws of the State of New Mexico, without demand or notice of any kind to Tenant, in which event City may, but shall be under no obligation to do so (except to the extent required by the laws of the State of New Mexico), relet the Premises for the account of Tenant for such rent and upon such terms as shall be satisfactory to City. Tenant shall be responsible for Rent for the period that the Premises are vacant, and for all direct and reasonable costs of recovering possession, re-letting the Premises, and collecting amounts owed, as provided in this Article XII, Section (B). Tenant shall be liable for any deficiency of such Rent payment that is less than the total Rent due, and for all other payments herein provided for the unexpired balance of the Term or applicable Extended Term of this Lease. City may, at its discretion, elect to accelerate all future payments due in this paragraph, and such future payments shall be discounted to present value in accordance with accepted financial practices using a discount rate of four percent (4%) per annum. If said default by Tenant continues, City may, at any time thereafter, elect to terminate the Lease as provided above.

(4) From time to time recover accrued and unpaid Rent and damages arising from Tenant's breach of the Lease, regardless of whether the Lease has been terminated, together with applicable late charges and interest at the rate of eighteen percent (18%) per annum or the highest lawful rate, whichever is less.

(5) Subject to any subordination of lien expressly granted by City in writing, to enforce the statutory Landlord's lien on Tenant's property.

(6) With or without having terminated the Lease, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying or using said Premises or any part thereof, by force if necessary, without incurring liability to Tenant or to any person occupying or using the Premises for any damage caused or sustained by reason of such entry or such removal.

(7) Enter upon and/or take possession of the Premises and perform any obligation on Tenant's behalf and recover from Tenant, upon demand, the entire amount paid or incurred by City for such purpose, plus fifteen percent (15%) for special handling, supervision, and overhead, which Tenant hereby acknowledges constitutes reasonable liquidated damages and not a penalty.

(8) Alter all locks and other security devices at the Premises without terminating this Lease. City shall not be obligated to provide a key or other means of ingress to the Tenant or Tenant's agents, or to pay for any damage to any security system, or to provide re-entry for any reason or under any circumstances whatsoever.

(9) In case of any event of default or breach by Tenant, Tenant shall also be liable for and shall pay to City, at the address specified for notice to City herein, in addition to any sum provided to be paid above; the costs of removing and storing Tenant's or other occupant's property; the costs of repairing, altering, remodeling, or otherwise putting the Premises into condition acceptable to a new tenant or tenants, and all reasonable expenses incurred by City in enforcing or defending City's rights and/or remedies, recovering possession, re-letting the Premises, or collecting amounts owed, including reasonable attorneys' fees (including, but not limited to, the reasonable fees and disbursements of City's legal counsel and the reasonable charges of City's internal legal counsel, litigation expenses, expert witness fees, and service of process fees).

(10) In the event that City shall have taken possession of the Premises pursuant to the authority herein granted, then City shall have the right to keep in place and use all of the furniture, fixtures, and equipment at the Premises, including that which is owned by or Leased to Tenant at all times prior to any foreclosure thereon by City or repossession thereof by a lessor thereof or third party having a lien thereon. City shall also have the right to remove from the Premises (without the necessity of obtaining a distress warrant, writ of sequestration, or other legal process) all or any portion of such furniture, fixtures, equipment, and other property located thereon and place same in storage at any premises within the county in which the Premises are located; and in such event, Tenant shall be

liable to City for costs incurred by City in connection with such removal and storage, and Tenant disclaims any right to hold City liable and shall hold City harmless from all loss, damage, cost, expense, and liability in connection with such removal and storage. City shall also have the right to relinquish possession of all or any portion of such furniture, fixtures, equipment, and other property to any person ("Claimant") claiming to be entitled to possession thereof who presents to City a copy of any instrument represented to City by Claimant to have been executed by Tenant (or any predecessor of Tenant) granting Claimant the right under various circumstances to take possession of such furniture, fixtures, equipment, or other property, without the necessity on the part of City to inquire into the authenticity of said instrument's copy of Tenant's or Tenant's predecessor's signature thereon and without the necessity of City's making any nature of investigation or inquiry as to the validity of the factual or legal basis upon which Claimant purports to act; and Tenant disclaims any right to hold City liable and shall hold City harmless from all cost, expense, loss, damage, and liability incident to City's relinquishment of possession of all or any portion of such furniture, fixtures, equipment, or other property to Claimant. The rights of City herein stated shall be in addition to any and all other rights which City has or may hereafter have at law or in equity, and Tenant stipulates and agrees that the rights herein granted City are commercially reasonable.

(11) Seek injunctive relief, including, if applicable, a mandatory injunction.

(12) Pursue any other remedies provided in specific provisions of this Lease, available at law, or provided in equity.

(13) If Tenant fails more than twice within a twelve (12) month period to observe or perform any covenant, condition, or agreement of the Lease (including, without limitation, the payment of Rent), regardless of whether such failures have been cured by Tenant, the third failure will at the election of City, in its sole and absolute discretion, be deemed an automatic event of default, without notice to Tenant or an opportunity to cure.

(14) Once a failure to make a payment of Rent or a failure to perform or observe any other term or condition contained in this Lease has occurred, City, in its sole discretion, may at any time require that all future payments from Tenant pursuant to this Lease be in certified funds or made by automatic electronic bank transfers.

(15) All of the remedies provided in this Article XII shall survive the termination of this Lease.

XIII. HAZARDOUS SUBSTANCES.

A. "Hazardous Substance" means any substance, material, waste, pollutant, or oil, which is, or becomes designated, classified or regulated as being "toxic," "hazardous," "radioactive," "dangerous," or a "pollutant," or any similar term, which is or becomes similarly designated, classified, or regulated, under any Environmental Law, including asbestos, petroleum and petroleum products.

B. “Environmental Laws” means any Federal, state or local law, statute, ordinance or regulation, rules, or guidelines, now or hereafter in effect, pertaining to or governing Hazardous Substances or which relate to the protection of human health, safety, or that of the environment, including, without limitation, CERCLA (Comprehensive Environmental Response, Compensation and Liability Act of 1980), RCRA (Resources Conservation and Recovery Act of 1976) and SARA (Superfund Amendments and Reauthorization Act of 1986).

C. Tenant’s Responsibilities. At its own expense, Tenant will procure, maintain in effect and comply with all conditions of any and all permits, licenses, and other governmental and regulatory approvals required for Tenant’s use of the Premises. Tenant will not cause or permit any Hazardous Substance to be brought upon, kept or used in or about the Property by Tenant, its agents, employees, contractors, or invitees without the prior written consent of City. Tenant will cause any and all Hazardous Substances brought upon the Premises by Tenant to be removed from the Premises and transported solely by duly licensed haulers to duly licensed facilities for final disposal of such materials and wastes. Tenant will, in all respects, handle, treat, deal with, and manage any and all Hazardous Substances in, on, under, or about the Premises in total conformity with all applicable Environmental Laws and prudent industry practices regarding management of such Hazardous Substances. Upon expiration or earlier termination of the term of the Lease, Tenant will cause all Hazardous Substances placed on, under, or about the Premises by Tenant or at Tenant’s direction to be removed and transported for use, storage, or disposal in accordance and compliance with all applicable Environmental Laws. Tenant will not take any remedial action in response to the presence of any Hazardous Substances in or about the Premises or the Property, nor enter into any settlement agreement, consent decree or other compromise with respect to any claims relating to any Hazardous Substances in any way connected with the Premises without first notifying City of Tenant’s intention to do so and affording City ample opportunity to appear, intervene, or otherwise appropriately assert and protect City’s interests with respect thereto.

D. City’s Representation. City represents and warrants that, to the best of its knowledge, the Premises do not contain nor have the Premises ever contained hazardous substances, nor have the Premises ever been investigated or held in violation of any environmental law.

E. Environmental Audit. At any time and from time to time, City may retain an environmental consultant or engineer to conduct an environmental audit or environmental assessment of the Premises and Tenant’s compliance with applicable laws, rules, and regulations. Tenant shall extend its full cooperation with such audit or investigation. If Tenant is found not to be substantially in compliance with applicable law, then Tenant shall pay all reasonable costs associated with such audit or assessment to City upon demand; otherwise all costs shall be borne by City. In addition, Tenant, at City’s request from time to time, shall complete such questionnaires and provide such information with respect to Tenant’s activities and operations on the Premises as City shall reasonably require.

F. Notice. If the Premises or the Property become contaminated in any manner for which Tenant is legally liable or otherwise become affected by any release or discharge of a Hazardous Substance, Tenant shall immediately notify City of the release or discharge of the

Hazardous Substance. This obligation shall survive the expiration or earlier termination of this Lease.

XIV. RIGHT OF ENTRY. The City, agents and other representatives shall have the right to enter into and upon the Premises or any part thereof at reasonable times and with reasonable notice for the purpose of inspecting the Premises, making repairs, showing the Premises to prospective lenders or purchasers of the Property and prospective tenants during the six (6) months preceding the expiration of the term. City shall also at all reasonable times with or without notice have access to the Premises for the purposes of performing City's obligations and exercising its rights under this Lease. In the event of an emergency as determined by the City, the City, its agents, and other representatives may enter at any time, without notice and without the presence of Tenant. Tenant will permit City at any time within one hundred and eighty (180) days prior to the expiration of this Lease, to place upon the Premises any usual "To Let" or "For Lease" signs, and permit potential tenants to inspect the Premises, provided that such inspections do not unreasonably interfere with the operations of Tenants business activities.

XV. FIRE OR OTHER CASUALTY LOSS TO PERSONAL PROPERTY. The City shall not be liable for any damage or loss of the Tenant's personal property on the Premises from any cause, including but not limited to bursting or leaking of water pipes, leaking roof, fire, theft, and negligence of co-tenants. Tenant shall be solely responsible for obtaining and paying for insurance covering Tenant's personal property in the Premises, operations losses, and liability insurance. Tenant shall not be insured by the City for such losses and shall not be entitled to make loss claims under the insurance coverage of the City.

XVI. ASSIGNMENT AND SUBLETTING. Tenant shall not assign this Lease or sublet the whole or any part of the Premises at any time for any reason without the City's prior written approval. Tenant acknowledges that the terms of this Lease are unique to Tenant and Tenant's situation, and that the City may not grant such terms to a potential assignee or sublessee. It being further understood that it shall be reasonable for City, among other things, to withhold consent if City is not satisfied with the financial responsibility, identity, reputation, or business character of the proposed assignee or subtenant. Notwithstanding any consent by City, Tenant and its guarantor(s), if any, shall remain jointly and severally liable (along with each approved assignee and sublessee, which shall automatically become liable for all obligations of Tenant hereunder with respect to that portion of the Premises so transferred), and City shall be permitted to enforce the provisions of this Lease directly against Tenant or any assignee or sublessee without proceeding in any way against any other party. In the event of an assignment or sublease, contemporaneously with the granting of City's consent, Tenant shall cause the assignee or sublessee to expressly assume in writing and agree to perform all of the covenants, duties and obligations of Tenant hereunder and such assignee or sublessee shall be jointly and severally liable therefore along with Tenant. Unless approved by City, no usage of the Premises, different from the usage provided for in Article I, above, shall be permitted, and all other terms and provisions of the Lease shall continue to apply after such assignment or sublease. Tenant shall not enter into, execute, or deliver any financing or security agreement that can be given priority over any mortgage given by City or its successors. City shall have the right to assign or transfer, in whole or in part, City's rights and obligations hereunder and in the Property and the Premises.

XVII. TAXES AND ASSESSMENTS. Tenant shall promptly pay all taxes and other exactions assessed or assessable, shall pay all license and permit fees applicable to the Tenant’s operation, and shall acquire and keep current all licenses, municipal, state, or federal, required as a result of the Tenants’ operation on the Premises and shall not allow any of said taxes, excises, or fees to become delinquent.

A certificate of insurance that states that the failure to give the City notice imposes no liability or obligation on the insurer shall not be in compliance with this Article. For example, certificates or policies stating that the insurance company shall “endeavor to notify” and that the “failure to give such notice imposes no obligation” on the insurance company are not in compliance with the insurance requirement of this Lease. All certificates of insurance shall provide that thirty (30) days written notice be given to the Director, Risk Management Department, City of Albuquerque, P.O. Box 470, Albuquerque, NM 87103 and the Real Property Manager, City of Albuquerque, P.O. Box 1293, Albuquerque, New Mexico 87103, before a policy is canceled, materially changed or not renewed. Various types of required insurance may be written in one or more policies. The City shall have the right to request current confirmation of insurance coverage from time to time. No review or approval of any such insurance certificate by the City shall derogate or diminish the City’s rights or Tenant’s obligations. Tenant shall not take possession of the Premises without having complied with the requirements of this Article. If at any time Tenant fails to provide satisfactory evidence of all required coverages, the City may, but shall have no obligation to, purchase such insurance for Tenant which shall be at Tenant’s sole cost and expense, and which shall be immediately due and payable by Tenant upon demand by City.

Provided, however, Tenant is not required to indemnify the City for the negligence or intentional acts, errors, or emissions of the City or of its employees or agents.

XIX. CONDEMNATION.

A. Termination. B. Award. City shall be entitled to receive and retain the entire award or consideration for the affected lands and improvements and Tenant shall not have, or advance, any claims against City for (i) the value of its property or its leasehold estate, (ii) the unexpired term of this Lease, (iii) costs of removal or relocation, or (iv) business interruption expense or any other damages arising out of the taking or purchase. Nothing herein shall give City any interest in or preclude Tenant from seeking and recovering on its own account from the condemning authority any separate award of compensation attributable to the taking or purchase of Tenant's chattels or trade fixtures or attributable to Tenant's relocation expenses provided that any such separate claim by Tenant shall not reduce or adversely affect the amount of City's award. If any such separate award made or compensation paid to Tenant specifically includes an award or amount for City, Tenant shall promptly account therefor to City.

XX. ETHICS AND CAMPAIGN PRACTICES BOARD, FAIR DEALING AND CONFLICT OF INTEREST.

A. To the extent allowable, Tenant agrees to provide the Board of Ethics and Campaign Practices of the City of Albuquerque or its investigator (the "Board") with any records or information pertaining in any manner to this Lease whenever such records or information are within Tenant's custody, are germane to an investigation authorized by the Board and are requested by the Board. Tenant further agrees to appear as a witness before the Board as required by the Board in hearings concerning ethics or campaign practices charges heard by the Board. Tenant agrees to require that all contractors, subcontractors, or sub-consultants employed by Tenant for any of the services performed under the terms of this Lease will agree in writing to comply with the provisions of this paragraph. Tenant, will not be compensated for its time or any costs it incurs in complying with the requirements of this paragraph.

B. Upon execution of this Lease, or within five (5) days after the acquisition of any interest described in this Lease or any time during the Term of this Lease, the Tenant shall disclose in writing to the City whether any City Councilor or other officer or employee of the City has or hereafter acquires any direct, indirect, legal or beneficial interest in the Tenant or in any contract, lease or agreement between the City and Tenant or in any franchise, concession, right or privilege of any nature granted by the City to the Tenant in this Lease.

C. Tenant covenants that the only person or firm interested in this Lease as principal or principals is named in this Lease, and that this Lease is entered into by the Tenant without collusion on the part of the Tenant with any person or firm, without fraud, and in good faith. The Tenant also covenants that no gratuities, in the form of entertainment, gifts, or otherwise, were, or during the term of this Lease will be, offered or given by the Tenant or any agent or representative

of the Tenant to any officer or employee of the City with a view towards securing this Lease or for securing more favorable treatment with respect to making any determinations with respect to performing this Lease.

XXI. DISCRIMINATION PROHIBITED. In the operation and use of the Premises, the Tenant shall not on the grounds of race, color, religion, sexual orientation, sexual preference, national origin or ancestry, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Title 49 CFR Parts 21 and 23, the Civil Rights Act of 1964, as amended, the Equal Pay Act of 1963, the Rehabilitation Act of 1973, and the New Mexico Human Rights Act. Without limiting the generality of the foregoing, the Tenant shall not discriminate against any employee or applicant for employment because of race, color, religion, gender, sexual orientation, sexual preference, national origin or ancestry, age, or physical or mental handicap. Such action will include, but not be limited to: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training; and disciplinary actions and grievances. The Tenant agrees to post in conspicuous places available to employees, and applicants for employment, notice to be provided setting forth the provisions of this non-discrimination clause.

XXII. AMERICANS WITH DISABILITIES. Tenant agrees to meet all applicable requirements of the American with Disabilities Act of 1990, as amended, and all applicable rules and regulations, as amended, (the "ADA"), that are imposed directly on Tenant or that would be imposed on the City as a public entity. Tenant agrees to be responsible for knowing all applicable requirements of the ADA and to defend, indemnify and hold harmless the City, its officials, agents, and employees from and against any and all claims, actions, suits, or proceedings of any kind brought against said parties as a result of any acts or omissions of Tenant or its agents in violation of the ADA.

XXIII. BROKER. Tenant represents that it has not consulted or negotiated with any broker or finder with regard to the Premises or this Lease.

C. Other Tenants. City reserves the right to lease or sell any portion of the Property to such other tenants, occupants or other parties and for such uses as City, in City's sole discretion, deems appropriate. Tenant acknowledges that City has made no representations as to City's continued ownership of all or any portion of the Property or the presence of any specific tenant or number or types of tenants at the Property as of or after the Rent Commencement Date, hours or days that such other tenants shall or may be open for business or gross sales that may be achieved by Tenant or any other tenants at the Property. Without limiting the foregoing, Tenant acknowledges that portions of the Property will not be used for retail purposes and that City may in the future enlarge or diminish such non-retail areas.

E. Limitations. In connection with exercising any rights reserved under this Article XXIV, City shall:

(1) take reasonable steps to minimize interference with access to the Premises except when necessary on a temporary basis;

(2) take reasonable steps to avoid materially changing the configuration or reducing the square footage of the Premises unless required by law or other causes beyond City's reasonable control (and in the event of any permanent material reduction in the area of the Premises the Base Rent shall be proportionately reduced); and

(3) if City enters the Premises in connection with any of the foregoing matters, take reasonable steps to minimize any interference with Tenant's business, and following completion of the work, return Tenant's leasehold improvements, fixtures, property, and equipment to the original locations and conditions to the fullest extent reasonably possible.

XXV. MISCELLANEOUS

A. Waiver of Default. No failure by the City to insist upon the strict performance of any term, condition, or covenant of this Lease or to exercise any right or remedy available on the breach thereof, and no acceptance of full or partial Rent during the continuance of any breach will constitute a waiver of any breach or of any term, condition, or covenant. No obligation of this Lease that Tenant is required to perform, and no breach thereof, will be waived, altered, or modified, except by written instrument executed by the City.

B. Relation to Other Leases. This Lease is separate and distinct from and shall be construed separately from any other agreement between City and Tenant or the City and any other tenant.

C. Time is of the Essence. Time is of the essence in the performance of this Lease.

D. Governmental Right and Powers. Nothing in this Lease shall be construed or interpreted as limiting, relinquishing, or waiving any rights of ownership enjoyed by the City in the Premises or Property or waiving or limiting the City's control over the management, operations, or maintenance of the Premises except as specifically provided in this Lease, or impairing the City's exercise of or otherwise defining the governmental rights and the police powers of the City.

E. Exhibits. All certificates, documents, exhibits, attachments, riders, and addenda, if any, referred to in this Lease, including but not limited to the exhibits referred to in this Lease, are hereby incorporated into this Lease by reference and are made a part hereof as though set forth in full in this Lease to the extent they are consistent with the terms and conditions of this Lease.

F. No Partnership or Agency. Nothing contained in this Lease is intended or shall be construed in any respect to create or establish any relationship other than that of landlord and tenant, and nothing herein shall be construed to establish any partnership, joint venture, or

association, or to make Tenant the general representative or agent of City for any purpose whatsoever.

G. Non-Liability of City. City shall not in any event be liable for any acts or omissions of Tenant or its agents, servants, employees, invitees, or independent contractors or for any condition resulting from the operations or activities of Tenant, its agents, servants, employees, or independent contractors either as to Tenant or to any other person. City shall not be liable for Tenant's failure to perform any of its obligations under this Lease, or for any delay in the performance thereof, nor shall any such delay, or failure, be deemed a default by City. Notwithstanding anything to the contrary in this Lease, neither the City, nor City's administration, councilors, directors, employees, agents, representatives, successors, or assigns (collectively, "City's Affiliates") shall be personally responsible or liable for any representation, warranty, covenant, undertaking, or agreement contained in the Lease, and the sole right and remedy of Tenant or any subsequent sublessee or assignee shall be against City's interest in the Premises. Neither Tenant nor any subsequent sublessee or assignee shall seek to obtain any judgment imposing personal liability against the City, City's Affiliates, or their successors or assigns, nor execute upon any judgment or place any lien against any property other than City's interest in the Premises. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1 et seq., NMSA 1978, as amended.

H. Force Majeure. In the event City or Tenant is delayed, hindered, or prevented from performing any act or thing required hereunder by reason of strikes, lockouts, labor troubles, casualties, failure or lack of utilities, governmental laws or regulations, riots, insurrection, war, acts of God, public health emergency, pandemic, epidemic, executive order, or other causes beyond the reasonable control of City or Tenant, neither Party shall be liable for the delay, and the period for the performance by either Party shall be extended for a period equivalent to the period of such delay. The foregoing shall be inapplicable to the payment of Rent by Tenant.

I. Contract Review. City and Tenant acknowledge that they have thoroughly read this Lease including all exhibits hereto, and have sought and received whatever competent advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations herein. City and Tenant further acknowledge that this Lease is the result of negotiations between them and that this Lease shall not be construed against either Party hereto by reason of that Party's preparation of all or part of this Lease.

J. Notices. Any notice from one Party to the other must be in writing and shall be deemed duly given three (3) days after deposit in the United States Mail if mailed by registered or certified mail, return receipt requested, or upon receipt or refusal to accept if personally delivered or deposited with a national overnight deliver courier who obtains written confirmation of delivery, addressed to the other Party at the address set below, or such other address as either Party may designate in writing. The Parties shall be responsible for notifying each other of any change of address. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice, demand, or request sent.

If and when included within the term "Tenant" as used in this instrument there is more than one person, firm, or corporation, all shall jointly arrange amongst themselves and specify some individual at some specific address for the receipt of notices and payments to Tenant. All parties included with terms "City" and "Tenant" respectively, shall be bound by notices and payments given in accordance with the provisions of this Article to the same effects as if each had received such notice or payment.

If City desires to finance or refinance the Property, Tenant hereby agrees to deliver to any lender designated by City such financial statements of Tenant and any Guarantors named in this Lease as may be reasonably required by such lender. Such statements shall include the past three years' financial statements of Tenant and any guarantors. All such financial statements shall be received by City in confidence and shall be used only for the purposes herein set forth.

L. Audits and Inspections. At any time during normal business hours and as often as the City may deem necessary, there shall be made available to the City for examination all of the Tenant's records with respect to all matters covered by this Lease. The Tenant shall permit the City to audit, examine, and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Lease. The Tenant understands and will abide by the City's Accountability in Government Ordinance, §2-10-1 et seq. and Inspector General Ordinance, §2-17-1 et seq. R.O.A. 1994, and also agrees to provide requested information and records and appear as a witness in hearings for the City's Board of Ethics and Campaign Practices pursuant to Article XII, Section 8 of the Albuquerque City Charter.

M. Binding Effect. Once this Lease is made, the covenants, terms, and conditions of this Lease will be binding upon and inure to the benefit of the parties, their successors, assigns, subtenants, and subleases.

N. Further Actions. At any time and from time to time, each Party agrees, without further consideration, to take such actions and to execute and deliver such documents as may be reasonably necessary to effectuate the purposes of this Lease.

O. Severability. In the event any covenant, condition, or provision herein is held to be void, voidable, invalid, illegal, or unenforceable by any court of competent jurisdiction, such covenant, condition, or provision shall be deemed amended to conform to applicable laws so as to be valid or enforceable, or, if it cannot be so amended without materially altering the intention of the Parties, it shall be stricken. If stricken, all other covenants, conditions, and provision of this Lease shall remain in full force and effect provided that the striking of such covenants, conditions, or provisions does not materially prejudice either the City or Tenant in its respective rights and obligations contained in the valid covenants, conditions, or provisions of this Lease

P. Authorization. If Tenant executes this Lease as a corporation or partnership, then Tenant and the person(s) executing this Lease on behalf of Tenant, represent that such entity is duly qualified to do business in the State of New Mexico and that the individuals executing this

Lease on Tenant's behalf are duly authorized to execute and deliver this Lease on Tenant's behalf. City represents and warrants that it is the fee simple owner of the Premises, and that it has all requisite authority and approval to enter into this Lease.

Q. Joint and Several Liability. In the event that more than one person or entity executes the Lease as Tenant, all such persons and entities shall be jointly and severally liable for all of Tenant's obligations hereunder.

R. Headings and Captions. Captions of sections and paragraphs are for convenience, not limitation, and are not to be construed as modifying text.

S. Attorneys' Fees. If either Party to this Lease institutes any action or proceeding in court to enforce any provision hereof, for damage by reason of an alleged breach of any provision of this Lease, for a declaration of such Party's rights or obligations hereunder, or for any other judicial remedy, except to the extent otherwise stated herein, each Party shall be responsible for its own attorney's fees (including the reasonable fees and disbursements and charges of internal legal counsel) and litigation expenses, including, but not limited to expert witness fees and service of process fees.

T. Choice of Law, Venue. This Lease shall be construed under the laws of the State of New Mexico. The Parties agree that venue for the filing and pursuit of any suit, action, or proceeding arising out of this Lease shall be in Bernalillo County, New Mexico. The Parties irrevocably admit themselves to, and consent to, the jurisdiction of said court. The Parties further acknowledge that they have fully and fairly bargained for the terms of this Section T. The provisions of this Section T shall survive the expiration or earlier termination of this Lease.

U. Public Document. City and Tenant acknowledge that this Lease does not have a specific exemption within and may be subject to the New Mexico Inspection of Public Records Act, §14-2-1 et seq. NMSA 1978, as amended, and may be a "public record" within the meaning of said Act.

V. Appropriations. This Lease is contingent upon the funds required by the City to meet its obligations under this Lease being appropriated during each fiscal year in which this Lease is in force. In the event such funds are not appropriated, City shall give notice to Tenant and this Lease shall be terminated at the end of the last year in which such funds were appropriated, and such termination will not be considered a default by City.

W. Final Dates. If the final date of any deadline falls upon a Saturday, Sunday, or holiday recognized by the U.S. Postal Service, then in such event the time of such deadline shall be extended to the next day that is not a Saturday, Sunday, or holiday recognized by the U. S. Postal Service. Whenever the word "days" is used herein, it shall be considered to mean "calendar days" and not "business days" unless an express statement to the contrary is made.

X. Multiple Counterparts; Electronic Signatures. The Lease may be signed in multiple counterparts or with detachable signature pages, but in either or both circumstances shall constitute

one instrument, binding upon all parties thereto as if all parties signed the same document. Authenticated electronic signatures are legally acceptable pursuant to Section 14-16-7 NMSA 1978. The Parties agree that this Lease may be electronically signed and that the electronic signatures appearing on the Lease are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.

Y. Entire Agreement. This Lease, including the attached Exhibits, constitutes the full and final agreement of the Parties and incorporates all of the conditions, agreements, and understandings between the Parties concerning the subject matter of this contract, and all such conditions, understandings, and agreements have been merged into this written Lease. All prior negotiations and agreements are merged into this Lease. No prior condition, agreement, or understanding, verbal or otherwise, of the Parties or their agents shall be valid or enforceable unless embodied in this Lease.

Z. Modification. No subsequent agreement may modify this Lease unless it is in writing and signed by the Parties or their authorized agents. This Lease represents the entire contract between the Parties and, except as otherwise provided herein, may not be amended, changed, modified, or altered without the written consent of the Parties hereto.

IN WITNESS WHEREOF, THE PARTIES HERETO HAVE SIGNED THIS AGREEMENT AS OF THE DATE indicated by each signature, and the Lease is effective after approval by the City Council and then only upon the signature of the City's Chief Administrative Officer or his authorized designee.
