21 **ADJUSTMENT OF PRINCIPAL AMOUNTS, MODIFICATION**
22 **OR CLARIFICATION PRIOR TO EXAMINATION OF BIDS**

23 The City's Chief Financial Officer (the "CFO"), in consultation with the City's financial and
24 bond advisors, in the CFO's sole discretion and prior to the examination of bids, may (i) adjust the
25 aggregate principal amount set forth herein or may adjust the principal amount without increasing
26 the aggregate principal amount of Bonds; (ii) adjust individual maturities, and/or (iii) modify or
27 clarify any other term hereof, including the date on which bids for the Bonds will be received, by
28 issuing a notification of the adjusted series, amounts, modification or clarification via Thomson
29 Municipal News ("TM3") and/or BIDCOMP/PARITY and/or Bloomberg Financial Services no later
30 than 8:00 a.m., prevailing Mountain Time, on the Bid Date.

31 **ADJUSTMENTS TO PRINCIPAL AMOUNTS AFTER DETERMINATION OF BEST BID**

[+Bracketed Material+] - New
[-Bracketed Material-] - Deletion

1 The aggregate principal amount of the Bonds is subject to increase or reduction, and each
2 scheduled maturity thereof is subject to increase or reduction, by the CFO after the determination
3 of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours
4 after the end of the time of bid examination and will be in the sole discretion of the City. To
5 cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate by
6 email to the City Treasurer, Cilia Agliandolo at cagliandolo@cabq.gov with a copy to the City's
7 municipal advisor at erik.harrigan@rbccm.com or such other method as may be indicated by the
8 CFO within one-half (1/2) hour after the end of the time of bid examination, the amount of any
9 original issue discount or premium on any maturity of the Bonds, the initial offering price of each
10 maturity, the cost of bond insurance, if any, and the amount received from the sale of the Bonds
11 to the public that will be retained by the Purchaser as its compensation.

12 The CFO, in consultation with the City's financial and bond advisors, may change the
13 dollar amount bid by the Purchaser if the aggregate principal amount of the Bonds is adjusted as
14 described below, but the interest rates specified by the Purchaser for all maturities will not change.
15 The CFO, in consultation with the City's financial and bond advisors, will make every effort to
16 ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from
17 dividing (i) the aggregate difference between the offering price of the Bonds to the public and the
18 price to be paid to the City, less any bond insurance premium to be paid by the Purchaser, by (ii)
19 the principal amount of the Bonds) does not increase or decrease from what it would have been
20 if no adjustment was made to principal amounts shown in the maturity schedule. The City will
21 notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than
22 12:00 p.m. prevailing Mountain Time on the day of the sale and award of the Bonds. EXCEPT
23 AS SPECIFICALLY PROVIDED IN THIS NOTICE OF BOND SALE, THE PURCHASER MAY
24 NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE CITY FOR ANY REASON,
25 INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN
26 THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE
27 BONDS.

28 BOND PROVISIONS

29 SECURITY: The Bonds will be general obligations of the City payable as to both principal
30 and interest from property taxes levied against all taxable property within the City, without

1 limitation as to rate or amount, and the full faith and credit of the City will be pledged for payment
2 of the Bonds.

3 RATINGS: The City has applied and will pay for ratings from S&P Global Ratings.

4 PAYING AGENT AND REGISTRAR: The registrar (the “Registrar”) and the paying agent
5 (the “Paying Agent”) for the Bonds will be the Treasurer of the City.

6 GENERAL: The Bonds will be issued in one series, in fully registered form, dated the
7 delivery date, numbered as determined by the Registrar, or as otherwise requested by the
8 Purchaser, and issued in denominations of \$5,000 or integral multiples of \$5,000.

9 The Bonds will bear interest at the interest rate or rates stated in the Best Bid (described
10 below). If a Bond is not paid at its maturity, the principal amount will continue to draw interest at
11 the rate specified in the Bond until the principal amount is paid in full.

12 Interest on the Bonds will be payable on January 1 and July 1 in each year while the Bonds
13 are outstanding, beginning July 1, 2023. The Bonds will bear interest until maturity from the most
14 recent date to which interest has been paid or provided for or, if no interest has been paid or
15 provided for, from the date of the Bonds. Unless adjustments are made, the Bonds will mature
16 serially on July 1 in the following years and principal amounts:

17 Series 2023A Bonds

18	Years	Principal
19	<u>Maturing</u>	<u>Amount</u>
20	2024	\$1,500,000

28	2032	1,480,000
29	2033	1,480,000
30	2034	1,480,000
31	2035	1,480,000

[+Bracketed Material+] - New
[-Bracketed Material-] - Deletion

1 2036 1,480,000

2 The Series 2023A Bonds maturing on and after July 1, 2032 are subject to redemption
3 prior to maturity, in whole or in part, at any time on or after July 1, 2031, at par value.

4 INTEREST RATE, MINIMUM BID AND LIMITATIONS: The following matters and
5 limitations regarding interest rates are applicable:

6 1. Interest on the Bonds will be payable on January 1 and July 1 in each year,
7 beginning July 1, 2023, and will be computed on the basis of a 360-day year, consisting of twelve,
8 30-day months.

9 2. The maximum net effective interest rate on the Bonds shall not exceed ten percent
10 (10%) per annum.

11 3. Each interest rate specified must not include fractions other than 1/8 or 1/20 and
12 must be stated as a decimal.

13 4. All Bonds of a series having the same maturity shall bear the same rate of interest,
14 but bonds of the same maturity of different series may bear different rates of interest. No Bond
15 shall have more than one rate of interest. Neither coupons nor a zero rate of interest is permitted.

16 5. Each bid for Bonds must specify the expected reoffering price (the "Expected
17 Reoffering Price") for each maturity of each series of the Bonds to the "Public." As used in this
18 paragraph, "Public" does not include bond houses, brokers or similar persons or organizations
19 acting in the capacity of underwriters, placement agents or wholesalers.

20 6. A zero interest rate may not be specified, and the rate of interest on any Bond may
21 not exceed the rate of interest on any other Bond by more than 3.0% per annum.

22 7. The maximum interest rate may not exceed 5.000%.

23 8. Discounts shall not be permitted as part of the sale price of the Series 2023A
24 Bonds in whole, although discounts may be offered on any single maturity of Series 2023A Bonds.
25 Subject to the limitations stated above, it is permissible to bid a different interest rate for each
26 maturity date of the Bonds without limitation as to the number of rates specified.

27 BOOK-ENTRY: It is anticipated that the Bonds will be issued in book-entry form and
28 deposited with a securities depository company (the "Depository") selected by the City with no
29 physical distribution of Bond certificates to the public. Transfers of beneficial ownership of the
30 Bonds will be effected on the records of participants (the "Participants") of the Depository and
31 other nominees of beneficial owners of Bonds (the "Beneficial Owners") maintaining a relationship

1 with the Participants (the “Indirect Participants”). As a condition to delivery of the Bonds, the
2 Purchaser will be required, immediately after acceptance of delivery, to deposit the Bond
3 certificates with the Depository on the date the Bonds are delivered, registered in the name of the
4 Depository or its nominee. Principal and interest will be paid to the Depository or its nominee as
5 registered owner of the Bonds. The transfer of principal and interest payments to the Beneficial
6 Owners will be the responsibility of Participants. The City will not be responsible or liable for
7 maintaining, supervising or reviewing the records maintained by the Depository, Participants or
8 Indirect Participants. If (i) the Bonds are not eligible for the Depository services, (ii) the Depository
9 determines to discontinue providing its services with respect to the Bonds, or (iii) the City
10 determines that a continuation of the system of the book-entry transfers through the Depository
11 is not in the best interest of the Beneficial Owners or the City, the City will either identify another
12 qualified securities depository or Bond certificates will be delivered to Beneficial Owners or their
13 nominees.

14 CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on
15 the Bonds, but neither the failure to print a CUSIP number on any Bond nor any error with respect
16 to the numbers will constitute cause for failure or refusal by the Purchaser to accept delivery of
17 and to pay for the Bonds in accordance with the terms of the bid and this Official Notice of Bond
18 Sale. All expenses relating to placing the CUSIP numbers on the Bonds will be paid by the City,
19 but the CUSIP Service Bureau charge for the assignment of those numbers will be the
20 responsibility of and shall be paid by the Purchaser of the Bonds.

21 PAYMENT: Except as otherwise provided by the Depository, the principal of and
22 premium, if any, on the Bonds will be payable upon presentation and surrender of the Bonds at
23 the office of the Paying Agent on or after their respective maturity dates. Except as otherwise
24 provided by the Depository, interest on the Bonds is payable by check or draft mailed to the
25 registered owners of the Bonds, as shown on the registration books maintained by the Registrar
26 at the address appearing in the registration books at the close of business on the 15th day of the
27 calendar month next preceding each interest payment date (the “regular record date”) or in such
28 other manner as may be agreed upon by the Paying Agent and the registered owner. Any interest
29 which is not timely paid or duly provided for will cease to be payable to the owners of the Bonds
30 (or of one or more predecessor Bonds) as of the regular record date, but will be payable to the
31 owners of the Bonds (or of one or more predecessor Bonds) as shown on the registration books

[+Bracketed Material+] - New

1 of the Registrar at the close of business on a special record date for the payment of that overdue
2 interest. The special record date will be fixed by the Registrar and Paying Agent whenever money
3 becomes available for payment of the overdue interest and notice of the special record date will
4 be given to owners not less than ten (10) days prior thereto.

5 AUTHORIZATION: The Series 2023A Bonds were authorized at the municipal election of
6 the City held on November 2, 2021, pursuant to the Constitution and laws of the State and the
7 City Charter. Each question on the ballot for which Bonds are being issued was approved by a
8 majority of all electors of the City who voted on that question.

9 PURPOSES: The City purposes and the amounts for which the Series 2023A Bonds will
10 be issued are as follows: (1) \$1,296,000 for public safety; (2) \$11,410,000 for citizens' centers;
11 (3) \$30,000 for parks and other recreational facilities; (4) \$1,760,000 for facilities and equipment;
12 (5) \$457,000 for public libraries; (6) \$3,236,000 for streets; and (7) \$1,111,000 for public
13 transportation. To the extent permitted by law, an authorized officer of the City may adjust the
14 amounts attributable to particular purposes for which the Bonds will be issued by a certificate
15 describing the adjustment executed prior to delivery of the Bonds, so long as any such adjustment
16 does not result in a change in the principal amount of the Bonds unless otherwise permitted by
17 law.

18 SUBMISSION OF BIDS: Any prospective bidder that intends to submit an electronic bid
19 must submit its electronic bid through the facilities of PARITY. Subscription to i-Deal's BIDCOMP
20 Competitive Bidding System is required in order to submit an electronic bid. The City will neither
21 confirm any subscription nor be responsible for the failure of any prospective bidder to subscribe.

22 An electronic bid made through the facilities of PARITY shall be deemed an irrevocable
23 offer to purchase the Bonds on the terms provided in this Official Notice of Bond Sale ("Notice"),
24 and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the City. The
25 City and RBC Capital Markets, LLC shall not be responsible for any malfunction or mistake made
26 by or as a result of the use of the facilities of PARITY, the use of such facilities being the sole risk
27 of the prospective bidder.

28 If any provisions of this Notice conflict with information provided by PARITY, as the
29 approved provider of electronic bidding services, this Notice shall control. Further information
30 about PARITY, including any fee charged, may be obtained from BIDCOMP/PARITY, 1359
31 Broadway, 2nd Floor, New York, New York 10018, i-Deal Prospectus:(212) 849-5024 or (212)

1 849-5025; BidComp/Parity: (212) 849-5021.

2 For information purposes only, bidders are requested to state in their electronic bids the
3 true interest cost to the City. All electronic bids shall be deemed to incorporate the provisions of
4 this Notice and the Official Bid Form.

5 GOOD FAITH DEPOSIT: The Purchaser will be required to provide a deposit of \$386,000,
6 which is equal to two percent (2%) of the preliminary issue size (the "Good Faith Deposit"), in
7 immediately available funds wired to the City not later than 2:00 p.m., prevailing Mountain Time,
8 on April 5, 2023. Wire information will be provided to the Purchaser by the City or the City's
9 financial advisor upon bid award. The Good Faith Deposit will be deposited by the City in an
10 account of the City (without interest thereon to the Purchaser) and will be applied against the
11 purchase price of the Bonds. The Good Faith Deposit will be returned if the City does not accept
12 the bid. If the bid is accepted and the Purchaser does not complete the purchase of the Bonds
13 within thirty (30) days following the acceptance of its bid by the Council or within ten (10) days
14 after the Bonds are ready and are offered by the City for delivery, whichever is later, the Good
15 Faith Deposit will be forfeited to the City for noncompliance with the bid. In that event, the Council
16 may accept the bid of the bidder making the next best bid for the Bonds, if that bidder elects to
17 purchase the Bonds on that basis or, in the event of any failed purchase, or if all bids for Bonds
18 are rejected, the Council may reoffer the Bonds for public sale or may sell them privately.

19 SALE RESERVATIONS: The Council, in connection with the Bonds, reserves the
20 privilege:

- 21 1. of waiving any irregularity or informality in any bid;
- 22 2. of rejecting any and all bids for the Bonds; and
- 23 3. of reoffering the Bonds for public sale or of selling the Bonds at private sale.

24 BASIS OF AWARD: The Bonds, subject to the sale reservations, will be sold to the
25 responsible bidder making the Best Bid for the Bonds (the "Best Bid"). Subject to the right of the
26 City to reject any and all bids, the Best Bid for the Bonds will be the bid which states the lowest
27 true interest cost determined by discounting semi-annually all future payments of principal and
28 interest on the Bonds to the date of the Bonds, and to the price paid, based upon a 360-day year,
29 consisting of twelve, 30-day months. In the event of any error in interest cost calculation in a bid,
30 the interest rate and any premium set forth in the Bid Form will be considered as determining the
31 correct true interest cost.

[+Bracketed Material+] - New
[-Bracketed Material-] - Deletion

1 An award may be made by the City to any bidder in a principal amount less than the
2 principal amount of the Bonds for which the bid is submitted. Further, in the event of an award
3 by the City for a principal amount less than the principal amount the bidder submitted, any
4 premium bid shall be ratably reduced. If two or more bids have the same true interest cost, the
5 first bid submitted, as determined by reference to the time stamp displayed on PARITY, shall be
6 deemed to be the leading bid.

7 RATIFICATION OF AWARD: The City will notify the apparent successful bidder(s)
8 (electronically via PARITY) as soon as possible after the City's receipt of bids, that such bidder's
9 bid appears to be the lowest and best bid received which conforms to the requirements of the Official
10 Notice of Bond Sale, subject to verification and to official action taken by the Chief Financial
11 Officer, Director of the Department of Finance and Administrative Services or the City Treasurer
12 to award the Bonds on behalf of the City by 4:00 p.m. Prevailing Mountain Time, April 5, 2023,
13 pursuant to the authority delegated to the Authorizing Officer by City Ordinance adopted on March
14 20, 2023.

15 MANNER AND TIME OF DELIVERY: The Purchaser will not be required to accept
16 delivery of the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the
17 date stated for opening bids. If the Bonds are not tendered within that period of time, the Good
18 Faith Deposit (without accruing interest thereon) will be returned to the Purchaser upon its
19 request. The Bonds will be made available for delivery by the City to the Purchaser as soon as
20 reasonably possible after the date of the sale. The City anticipates delivering the Bonds to The
21 Depository Trust Company in New York, New York, on or about April 26, 2023. The Purchaser
22 will be given seventy-two (72) hours' notice of the time fixed by the City for tendering Bonds for
23 delivery. At such time any initiative or referendum available with respect to the Bonds will have
24 lapsed.

25 CONTINUING DISCLOSURE: In connection with the issuance of the Bonds, the City will
26 deliver a continuing disclosure undertaking for purposes of Rule 15c2-12 of the Securities
27 Exchange Act of 1934, as amended (the "Rule"), as described in the Official Statement for the
28 Bonds (the "Official Statement"). For purposes of the Rule, the City is the only "obligated person"
29 with respect to the Bonds and will agree, as described in the Official Statement, to provide or
30 cause to be provided (i) certain annual financial information and operating data (the "Annual
31 Information") for the preceding fiscal year, (ii) the City's audited financial statements, (iii) timely

1 notice of the occurrence of certain material events with respect to the Bonds, and (iv) timely notice
2 of any failure by the City to provide its Annual Information within the time specified in that
3 agreement. See the more complete description of the agreement in the Preliminary Official
4 Statement.

5 PAYMENT OF PURCHASE PRICE: The Purchaser will be required to make payment of
6 the balance of the purchase price of the Bonds (after credit for the Purchaser's Good Faith
7 Deposit) in immediately available funds at a bank or trust company in Albuquerque, New Mexico
8 designated by the City, simultaneously with the delivery of the Bonds. The balance of the
9 purchase price, including any premium, must be paid in the funds specified and not by any waiver
10 of interest, nor by any other concession as a substitution for those funds.

11 ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING-PRICE RULE MAY
12 APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED): The winning bidder
13 shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to
14 the City at closing an "issue price" or similar certificate, with such modifications as may be
15 appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond
16 Counsel. All actions to be taken by the City to establish the issue price of the Bonds may be
17 taken on behalf of the City by the City's municipal advisor identified herein and any notice or report
18 to be provided to the City may be provided to the City's municipal advisor.

19 (a) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i)
20 (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to
21 the initial sale of the Bonds (the "competitive sale requirements") because:

22 (i) the City shall disseminate a Notice of Sale to potential underwriters in a
23 manner that is reasonably designed to reach potential underwriters;

24 (ii) all bidders shall have an equal opportunity to bid;

25 (iii) the City may receive bids from at least three underwriters of municipal
26 bonds who have established industry reputations for underwriting new issuances of municipal
27 bonds; and

28 (iv) the City anticipates awarding the sale of the Bonds to the bidder who
29 submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set
30 forth in this Notice of Sale.

1 Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer
2 for the purchase of the Bonds, as specified in the bid.

3 In the event that the competitive sale requirements described above in
4 subparagraph (a) are not satisfied, the City shall so advise the winning bidder. The City may
5 determine to treat (i) the first price at which 10% of each maturity of the Bonds is sold to the public
6 as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale
7 date of any maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price
8 rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the
9 City if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the
10 Bonds. The City shall promptly advise the winning bidder, at or before the time of award of the
11 Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the
12 hold-the-offering-price rule during the Holding Period, as defined in subparagraph (c)(ii) below.
13 Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-
14 offering-price rule to any maturity of the Bonds.

15 (b) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have
16 offered or will offer the Bonds to the public on or before the date of award at the offering price or
17 prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid
18 submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the
19 purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity
20 to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the
21 initial offering price to the public during the Holding Period, as defined in subparagraph (c)(ii)
22 below.

23 (c) The following terms are defined below:

24 (i) Hold-the-Offering-Price Maturity means a maturity of the Bonds of which
25 less than 10% has been sold to the Public on the Sale Date.

26 (ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity,
27 the period starting on the Sale Date and ending on the earlier of (a) the close of the fifth business
28 day after the Sale Date, or (b) the date on which the winning bidder sold at least 10% of such
29 Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering
30 Price for such Holding-the-Offering-Price Maturity.

1 (iii) Maturity means Bonds with the same credit and payment terms. Bond with
2 different maturity dates, or Bonds with the same maturity date but different stated interest rates,
3 are treated as separate maturities.

4 (iv) Public means any person (including an individual, trust, estate, partnership,
5 association, company, or corporation) other than an Underwriter or a related party to an
6 Underwriter. The term “related party” for purposes of this certificate generally means any two or
7 more persons who have greater than 50 percent common ownership, directly or indirectly.

8 (v) Sale Date means the first day on which there is a binding contract in writing
9 for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is expected to be April 5, 2023.

10 (vi) Underwriter means (i) any person that agrees pursuant to a written contract
11 with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the
12 initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract
13 directly or indirectly with a person described in clause (i) of this paragraph to participate in the
14 initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail
15 distribution agreement participating in the initial sale of the Bonds to the to the Public).

16 LEGAL OPINION AND TRANSCRIPT: The validity and legality of the Bonds will be
17 approved by the bond counsel to the City (“Bond Counsel”). A letter will be delivered by the
18 disclosure counsel to the City (“Disclosure Counsel”) addressed to the City and the Purchaser, to
19 the effect that the firm has not independently verified the information contained in the Official
20 Statement, but that during the course of the participation by said firm in the preparation of the
21 Official Statement no information came to the attention of the firm to lead it to believe that the
22 Official Statement (except the information concerning the Depository, any insurance, and the
23 financial statements and other statistical and financial data contained in the Official Statement, as
24 to which such firm will make no statement) as of the date of the delivery of the Bonds either
25 contains an untrue statement of any material fact or omits to state a material fact necessary to
26 make the statements made, in the light of the circumstances under which they were made, not
27 misleading. The approving opinion of Bond Counsel, the letter of Disclosure Counsel, the Bonds
28 and a complete transcript of the legal proceedings will be furnished to the Purchaser without
29 charge.

30 TAX EXEMPT STATUS: Bond Counsel will also provide an opinion substantially in the
31 form included in the Preliminary Official Statement to the effect that, under existing law, the

1 interest on the Bonds (i) is excluded from gross income for federal income tax purposes and is
2 not a specific preference item for purposes of the federal alternative minimum tax, and (ii) is
3 exempt from State of New Mexico income taxation. Bond Counsel will express no opinion as to
4 any other tax consequences regarding the Bonds.

5 UNDERWRITING PERIOD: At the time of or prior to delivery of the Bonds, the Purchaser
6 will be required to terminate its underwriting period or periods (as defined in the Rule). In the
7 event that the Purchaser advises the City that its underwriting period has not been terminated at
8 the time of delivery of the Bonds, the Purchaser shall terminate its underwriting period not later
9 than five (5) days after the date of delivery of the Bonds, unless the City agrees to a longer period.
10 The City will consider any good faith request by the Purchaser for a longer period during which to
11 underwrite the Bonds.

12 RIGHT TO MODIFY OR AMEND NOTICE OF SALE: The City reserves the right to modify
13 or amend this Official Notice of Bond Sale, prior to the bid date. If any modifications occur,
14 supplemental information with respect to the Bonds will be communicated by posting on the
15 PARITY website not later than 3:00 p.m., Albuquerque, New Mexico time on the business day
16 preceding the day on which proposals may be submitted, and bidders shall bid upon the Bonds
17 based upon the terms set forth in this Official Notice of Bond Sale, as so modified by such
18 supplemental information.

19 POSTPONEMENT OF SALE: The City reserves the right to postpone the date and time
20 established for receipt of bids. Any such postponement will be announced by posting on the
21 PARITY website prior to commencement of the bidding. If any date and time fixed for the receipt
22 of bids and the sale of the Bonds is postponed, an alternative sale date and time will be
23 announced at least one business day prior to such alternative sale date. On any such alternative
24 sale date and time, any bidder may submit bids electronically as described above for the purchase
25 of the Bonds in conformity in all respects with the provision of this Official Notice of Bond Sale,
26 except for the date and time of sale and except for any changes announced by posting on PARITY
27 at the time the sale date and time are announced.
