Cover Analysis

1. What is it? Resolution approving and accepting the FY/23 PetSmart Charities Adoption Prep Grant.

2. What will this piece of legislation do? This legislation approves an application to utilize this grant to facilitate pathways to adoptions and adoption support, including targeted advertising that grows awareness toward adoption, foster and volunteer programs; adoption support for working cat adoptions, an exciting and relatively new program at AWD that provides homes for otherwise hard to adopt cats; enrichment “tools” to support the mental health of dogs in our care; volunteer job “tools” to show appreciation and support for the care that volunteers provide our homeless pets; and a volunteer and staff appreciation event to foster a culture of appreciation, hope, positivity and teamwork.

3. Why is the project needed? The items we can provide with this grant are intentional and well thought out items that are otherwise not prioritized as we struggle to navigate low staff/high pet population numbers. They can take us one step further, one step higher toward meeting the needs of homeless pets in our care.

4. How much will it cost and what is the funding source? The PetSmart Grant is for \$60,000 and does not require a cash match or indirect cost.

5. Is there a revenue source associated with this contract? If so, what level of income is projected? Grant of \$60,000 from PetSmart Charities will be appropriated to fund 265.
