	25	WHEREAS, enforcement of existing laws and regulations, as well as
	26	meaningful enforcement of said laws and regulations, are a key component of

- 6 WHEREAS, the City should seek to accomplish the objectives set forth in
- 7 the ASE Ordinance in a manner that preserves the safety of all residents and
- 8 exhausts alternative avenues to promote compliance.
- 9 BE IT ORDAINED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
- 10 ALBUQUERQUE:
- 11 SECTION 1. CHAPTER 7, ARTICLE 15, Part 4, Subsection B is amended as
- 12 follows:
- 13 (B) ASE fine notice.
- 14 (1) The ASE fine notice shall state and contain the name of the registered
- owner or nominee, the effective date of the ASE fine notice, the type of
- 16 violation, the date, time, and location of the violation, a picture of the violation,
- 17 the license plate number of the vehicle, the name and identification of the
- 18 issuing Albuquerque Police Department official, the amount of the fine, the
  - response due date and the return address. The ASE fine notice shall inform
  - the registered owner or the nominee of the option to complete community
  - service in lieu of payment of the ASE fine, and the right to request a hearing.
- 22 The ASE fine notice shall clearly explain the process for requesting a hearing,
  - explain the hearing options, provide the deadline to request a hearing, and
  - identify where the request shall be submitted.
  - (2) Delivery. The ASE fine notice shall be delivered to the address of the
  - registered owner according to the address registered with the Department of
  - Motor Vehicles, from information obtained from the Metropolitan Court, from Department Records, or from any other documentation or records reasonably
  - relied upon by police officers, or it shall be delivered to the address of the
- 30 nominee according to the owner's affidavit.
- 31 (C) Response to an ASE fine notice. The registered owner shall pay the fine,
- 32 elect to complete community service, file an owner's affidavit making a

- nomination, or request a hearing by the response due date as indicated by the
  ASE fine notice.
  - (D) Nomination. A registered owner not driving the car at the time of the violation may either accept the responsibility and pay the ASE fine, or identify the driver so an ASE fine notice can be sent to the driver.
  - (1) If the registered owner claims that another person was driving the vehicle at the time of the violation, the registered owner shall so indicate on the owner's affidavit and identify the person who was driving the vehicle. Any registered owner who submits an owner's affidavit does so under penalty of perjury.
  - (2) A new ASE fine notice will be delivered to the nominee. If the nominee successfully appeals the allegation that they were the driver, the City may proceed against the registered owner. The registered owner is also responsible for payment of the ASE fine if the City cannot assert jurisdiction over the nominee, subject to the remaining defenses available in this article.
  - (E) Default. If the City does not receive payment of the ASE fine, an election to complete community service, a nomination, or a request for a hearing by the response due date as indicated by the ASE fine notice, the registered owner is in default. If the default is not cured, the City may pursue all remedies for collection of a debt and is entitled to an award of reasonable attorney's fees incurred.
  - (F) Hearing. Pursuant to Section 3-18-17, NMSA 1978, an individual may select a mail-in hearing or an in-person or remote hearing option to contest an automated speed violation. In the event of a demand for an in-person or remote hearing, the Hearing Officer shall hold a hearing pursuant to the procedures outlined in the Independent Office of Hearings "IHO" Ordinance, ROA 1994, §§ 2-7-8-1 to 2-7-8-9. The hearing shall be conducted following the rules of evidence and rules of civil procedure for the district courts. In either hearing option, a mail-in hearing, or an in-person or remote hearing, the Department has the burden to prove the violation by a preponderance of the evidence. The respondent has the burden to prove any defenses by a preponderance of the evidence. If the Department prevails, the respondent shall pay the fine within 30 consecutive days from the date of the decision.

1	Following a hearing, the respondent may appeal the decision of the Hearing
2	Officer to the District Court within 30 days of the decision and may recover the
3	costs of filing the appeal if successful.

29	owner fails to resolve a sufficient number of unpaid ASE fines within twenty
30	(20) calendar days, such that the registered owner no longer has more than
31	one (1) unpaid ASE system fine notices concurrently in default for any given
