17 The City's Chief Financial Officer (the "CFO"), in consultation with the City's financial and  
18 bond advisors, in the CFO's sole discretion and prior to the examination of bids, may (i) adjust  
19 the aggregate principal amount set forth herein or may adjust the principal amount of each  
20 series without increasing the aggregate principal amount of Bonds; (ii) adjust individual  
21 maturities, and/or (iii) modify or clarify any other term hereof, including the date on which bids  
22 for the Bonds will be received, by issuing a notification of the adjusted series, amounts,  
23 modification or clarification via Thomson Municipal News ("TM3") and/or BIDCOMP/PARITY

26 **ADJUSTMENTS TO PRINCIPAL AMOUNTS AFTER DETERMINATION OF BEST BID**

27 The aggregate principal amount of the Bonds is subject to increase or reduction, and  
28 each scheduled maturity thereof is subject to increase or reduction, by the CFO after the  
29 determination of the Best Bid (defined below). Such adjustments will be made within no more  
30 than two (2) hours after the end of the time of bid examination and will be in the sole discretion  
31 of the City. To cooperate with any adjustment in the principal amounts, the Purchaser is

1 required to indicate by email to the City Treasurer, Cilia Aglialoro at [caglialoro@cabq.gov](mailto:caglialoro@cabq.gov) with a  
2 copy to the City's municipal advisor at [erik.harrigan@rbccm.com](mailto:erik.harrigan@rbccm.com) or such other method as may  
3 be indicated by the CFO within one-half (1/2) hour after the end of the time of bid examination,  
4 the amount of any original issue discount or premium on any maturity of the Bonds, the initial  
5 offering price of each maturity, the cost of bond insurance, if any, and the amount received from  
6 the sale of the Bonds to the public that will be retained by the Purchaser as its compensation.

7 The CFO, in consultation with the City's financial and bond advisors, may change the  
8 dollar amount bid by the Purchaser if the aggregate principal amount of the Bonds is adjusted  
9 as described below, but the interest rates specified by the Purchaser for all maturities will not  
10 change. The CFO, in consultation with the City's financial and bond advisors, will make every  
11 effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage  
12 resulting from dividing (i) the aggregate difference between the offering price of the Bonds to the  
13 public and the price to be paid to the City, less any bond insurance premium to be paid by the  
14 Purchaser, by (ii) the principal amount of the Bonds) does not increase or decrease from what it  
15 would have been if no adjustment was made to principal amounts shown in the maturity  
16 schedule. The City will notify the Purchaser of the final principal amounts and the resulting  
17 adjusted prices no later than 12:00 p.m. prevailing Mountain Time on the day of the sale and  
18 award of the Bonds. EXCEPT AS SPECIFICALLY PROVIDED IN THIS NOTICE OF BOND  
19 SALE, THE PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED  
20 TO THE CITY FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF  
21 ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE  
22 AGGREGATE PURCHASE PRICE OF THE BONDS.

### 23 BOND PROVISIONS

24 SECURITY: The Bonds will be general obligations of the City payable as to both  
25 principal and interest from property taxes levied against all taxable property within the City,  
26 without limitation as to rate or amount, and the full faith and credit of the City will be pledged for  
27 payment of the Bonds.

28 RATINGS: The City has applied and will pay for ratings from S&P Global Ratings.

29 PAYING AGENT AND REGISTRAR: The registrar (the "Registrar") and the paying  
30 agent (the "Paying Agent") for the Bonds will be the Treasurer of the City.

GENERAL: The Bonds will be issued in two separate series, in fully registered form, dated the delivery date, numbered as determined by the Registrar, or as otherwise requested by the Purchaser, and issued in denominations of \$5,000 or integral multiples of \$5,000.

The Bonds will bear interest at the interest rate or rates stated in the Best Bid (described below). If a Bond is not paid at its maturity, the principal amount will continue to draw interest at the rate specified in the Bond until the principal amount is paid in full.

The Bonds will bear interest until maturity from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from the date of the Bonds. 1 The Bonds maturing on and after July 1, 2032 are subject to redemption prior to  
2 maturity, in whole or in part, at any time on or after July 1, 2031, at par value.

3 INTEREST RATE, MINIMUM BID AND LIMITATIONS: The following matters and  
4 limitations regarding interest rates are applicable:

5 1. Interest on the Bonds will be payable on January 1 and July 1 in each year,  
6 beginning July 1, 2024, and will be computed on the basis of a 360-day year, consisting of  
7 twelve, 30-day months.

8 2. The maximum net effective interest rate on the Bonds shall not exceed ten  
9 percent (10%) per annum.

10 3. Each interest rate specified must not include fractions other than 1/8 or 1/20 and  
11 must be stated as a decimal.

12 4. All Bonds of a series having the same maturity shall bear the same rate of  
13 interest, but bonds of the same maturity of different series may bear different rates of interest.  
14 No Bond shall have more than one rate of interest. Neither coupons nor a zero rate of interest  
15 is permitted.

16 5. Each bid for Bonds must specify the expected reoffering price (the "Expected  
17 Reoffering Price") for each maturity of each series of the Bonds to the "Public." As used in this  
18 paragraph, "Public" does not include bond houses, brokers or similar persons or organizations  
19 acting in the capacity of underwriters, placement agents or wholesalers.

20 6. A zero interest rate may not be specified, and the rate of interest on any Bond  
21 may not exceed the rate of interest on any other Bond by more than 3.0% per annum.

22 7. The maximum interest rate may not exceed 5%.

23 8. Discounts shall not be permitted as part of the sale price of the Series 2024A  
24 Bonds or the Series 2024B Bonds, in whole, although discounts may be offered on any single  
25 maturity of Series 2024A Bonds or Series 2024B Bonds. Subject to the limitations stated above,  
26 it is permissible to bid a different interest rate for each maturity date and series of the Bonds  
27 without limitation as to the number of rates specified.

28 BOOK-ENTRY: It is anticipated that the Bonds will be issued in book-entry form and  
29 deposited with a securities depository company (the "Depository") selected by the City with no  
30 physical distribution of Bond certificates to the public. Transfers of beneficial ownership of the  
31 Bonds will be effected on the records of participants (the "Participants") of the Depository and

1 other nominees of beneficial owners of Bonds (the "Beneficial Owners") maintaining a  
2 relationship with the Participants (the "Indirect Participants"). As a condition to delivery of the  
3 Bonds, the Purchaser will be required, immediately after acceptance of delivery, to deposit the  
4 Bond certificates with the Depository on the date the Bonds are delivered, registered in the  
5 name of the Depository or its nominee. Principal and interest will be paid to the Depository or  
6 its nominee as registered owner of the Bonds. The transfer of principal and interest payments  
7 to the Beneficial Owners will be the responsibility of Participants. The City will not be  
8 responsible or liable for maintaining, supervising or reviewing the records maintained by the  
9 Depository, Participants or Indirect Participants. If (i) the Bonds are not eligible for the  
10 Depository services, (ii) the Depository determines to discontinue providing its services with  
11 respect to the Bonds, or (iii) the City determines that a continuation of the system of the book-  
12 entry transfers through the Depository is not in the best interest of the Beneficial Owners or the  
13 City, the City will either identify another qualified securities depository or Bond certificates will be  
14 delivered to Beneficial Owners or their nominees.

15 CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on  
16 the Bonds, but neither the failure to print a CUSIP number on any Bond nor any error with  
17 respect to the numbers will constitute cause for failure or refusal by the Purchaser to accept  
18 delivery of and to pay for the Bonds in accordance with the terms of the bid and this Official  
19 Notice of Bond Sale. All expenses relating to placing the CUSIP numbers on the Bonds will be  
20 paid by the City, but the CUSIP Service Bureau charge for the assignment of those numbers will  
21 be the responsibility of and shall be paid by the Purchaser of the Bonds.

22 PAYMENT: Except as otherwise provided by the Depository, the principal of and  
23 premium, if any, on the Bonds will be payable upon presentation and surrender of the Bonds at  
24 the office of the Paying Agent on or after their respective maturity dates. Except as otherwise  
25 provided by the Depository, interest on the Bonds is payable by check or draft mailed to the  
26 registered owners of the Bonds, as shown on the registration books maintained by the Registrar  
27 at the address appearing in the registration books at the close of business on the 15<sup>th</sup> day of the  
28 calendar month next preceding each interest payment date (the "regular record date") or in such  
29 other manner as may be agreed upon by the Paying Agent and the registered owner. Any  
30 interest which is not timely paid or duly provided for will cease to be payable to the owners of  
31 the Bonds (or of one or more predecessor Bonds) as of the regular record date, but will be

1 payable to the owners of the Bonds (or of one or more predecessor Bonds) as shown on the  
2 registration books of the Registrar at the close of business on a special record date for the  
3 payment of that overdue interest. The special record date will be fixed by the Registrar and  
4 Paying Agent whenever money becomes available for payment of the overdue interest and  
5 notice of the special record date will be given to owners not less than ten (10) days prior thereto.

6 AUTHORIZATION: The Bonds were authorized at the municipal election of the City held  
7 on November 7, 2023, pursuant to the Constitution and laws of the State and the City Charter.  
8 Each question on the ballot for which Bonds are being issued was approved by a majority of all  
9 electors of the City who voted on that question.

10 PURPOSES: The City purposes and the amounts for which the Series 2024A Bonds will  
11 be issued are as follows: \$18,500,000 for public safety; \$19,050,000 for citizens' centers and  
12 community enhancements; \$14,400,000 for parks and recreation facilities; \$12,200,000 for  
13 energy/water conservation, public buildings, facilities and systems; \$34,200,000 for streets and  
14 transportation; and \$4,500,000 for museums, cultural facilities and libraries. The City purpose  
15 and the amount for which the Series 2024B Bonds will be issued is \$9,000,000 for storm sewer  
16 improvements. To the extent permitted by law, an authorized officer of the City may adjust the  
17 amounts attributable to particular purposes for which the Bonds will be issued by a certificate  
18 describing the adjustment executed prior to delivery of the Bonds, so long as any such  
19 adjustment does not result in a change in the principal amount of the Bonds unless otherwise  
20 permitted by law.

21 SUBMISSION OF BIDS: All bids must be submitted only by electronic bidding on Grant  
22 Street Group at [www.grantstreet.com](http://www.grantstreet.com). No other provider of bidding services and no other  
23 means of delivery (i.e., telephone, telefax or physical delivery) will be accepted. Bidding for the

26 Albuquerque, New Mexico Time), unless the bidding period is extended through the procedure

31 FINRA registered broker-dealers and dealer banks with DTC clearing arrangements will be

1 eligible to bid. Bidders who have previously registered with Grant Street Group may call **(412)**  
2 **391-5555, x 370, attention John Carver**, for their ID Number or password.

3 RULES OF GRANT STREET GROUP: Bidders must comply with, and all bids must be  
4 made in accordance with, the Rules of Grant Street Group in addition to the requirements of this  
5 Official Notice of Bond Sale. The Rules of Grant Street Group can be viewed on the Grant  
6 Street Group website and are incorporated herein by reference. In the event the Rules of Grant  
7 Street Group conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale will  
8 prevail.

9 INFORMATION REGARDING BIDS: Bidders may change and submit bids as many  
10 times as they wish during the bidding, provided, however, that each bid submitted subsequent  
11 to a bidder's initial bid must result in a lower true interest cost ("TIC") with respect to a bid when  
12 compared to the immediately preceding bid of such bidder. During the bidding, no bidder will  
13 see any other bidder's bid, but each bidder will be able to see its own ranking (i.e., "leader,"  
14 "cover," "3<sup>rd</sup>," etc.).

15 A bid made through the facilities of Grant Street Group shall be deemed an irrevocable  
16 offer to purchase the Bonds on the terms provided in this Notice of Bond Sale, and the bid shall  
17 be binding upon the bidder. The City shall not be responsible for any malfunction or mistake  
18 made by, or as a result of the use of the facilities of, Grant Street Group, the use of such  
19 facilities being the sole risk of the prospective bidder.

20 For information purposes only, bidders are requested to state in their electronic bids the  
21 true interest cost to the City. All electronic bids shall be deemed to incorporate the provisions of  
22 this Notice of Bond Sale and the Required Bid Form.

23 GOOD FAITH DEPOSIT: The Purchaser will be required to provide a deposit of  
24 \$2,237,000, which is equal to two percent (2%) of the preliminary issue size (the "Good Faith  
25 Deposit"), in immediately available funds wired to the City not later than 2:00 p.m., prevailing  
26 Mountain Time, on April 18, 2024. Wire information will be provided to the Purchaser by the  
27 City or the City's financial advisor upon bid award. The Good Faith Deposit will be deposited by  
28 the City in an account of the City (without interest thereon to the Purchaser) and will be applied  
29 against the purchase price of the Bonds. The Good Faith Deposit will be returned if the City  
30 does not accept the bid. If the bid is accepted and the Purchaser does not complete the

1 purchase of the Bonds within thirty (30) days following the acceptance of its bid by the Council  
2 or within ten (10) days after the Bonds are ready and are offered by the City for delivery,  
3 whichever is later, the Good Faith Deposit will be forfeited to the City for noncompliance with the  
4 bid. In that event, the Council may accept the bid of the bidder making the next best bid for the  
5 Bonds, if that bidder elects to purchase the Bonds on that basis or, in the event of any failed  
6 purchase, or if all bids for Bonds are rejected, the Council may reoffer the Bonds for public sale  
7 or may sell them privately.

8 SALE RESERVATIONS: The Council, in connection with the Bonds, reserves the  
9 privilege:

- 10 1. of waiving any irregularity or informality in any bid;
- 11 2. of rejecting any and all bids for the Bonds; and
- 12 3 of reoffering the Bonds for public sale or of selling the Bonds at private sale.

13 BASIS OF AWARD: The Bonds, subject to the sale reservations, will be sold to the  
14 responsible bidder making the Best Bid for the Bonds (the "Best Bid"). Subject to the right of the  
15 City to reject any and all bids, the Best Bid for the Bonds will be the bid which states the lowest  
16 true interest cost determined by discounting semi-annually all future payments of principal and  
17 interest on the Bonds to the date of the Bonds, and to the price paid, based upon a 360-day  
18 year, consisting of twelve, 30-day months. In the event of any error in interest cost calculation  
19 in a bid, the interest rate and any premium set forth in the bid form will be considered as  
20 determining the correct true interest cost.

21 The winning bid will be indicated on Grant Street Group and the auction results, as  
22 posted on such website, will be subject to verification by the City. The City will verify the auction  
23 results immediately following the close of the bidding period, and notice of confirmation by the  
24 City of the winning bidder will be made by a posting on Grant Street Group stating "Auction  
25 Results Verified and Confirmed."

26 An award may be made by the City to any bidder in a principal amount less than the  
27 principal amount of the Bonds for which the bid is submitted. Further, in the event of an award  
28 by the City for a principal amount less than the principal amount the bidder submitted, any  
29 premium bid shall be ratably reduced. If two or more bids have the same true interest cost, the  
30 first bid submitted, as determined by reference to the time stamp displayed on Grant Street  
31 Group, shall be deemed to be the leading bid.

1           RATIFICATION OF AWARD: The Chief Financial Officer, Director of the Department of  
2 Finance and Administrative Services or the City Treasurer will award the Bonds on behalf of the  
3 City by 4:00 p.m. Prevailing Mountain Time, April 18, 2024, pursuant to the authority delegated  
4 to the Authorizing Officer by City Ordinance No. F/S O-24-4 adopted on April 3, 2024.

5           MANNER AND TIME OF DELIVERY: The Purchaser will not be required to accept  
6 delivery of the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the  
7 date stated for opening bids. If the Bonds are not tendered within that period of time, the Good  
8 Faith Deposit (without accruing interest thereon) will be returned to the Purchaser upon its  
9 request. The Bonds will be made available for delivery by the City to the Purchaser as soon as  
10 reasonably possible after the date of the sale. The City anticipates delivering the Bonds to The  
11 Depository Trust Company in New York, New York, on or about May 8, 2024. The Purchaser  
12 will be given seventy-two (72) hours' notice of the time fixed by the City for tendering Bonds for  
13 delivery. At such time any initiative or referendum available with respect to the Bonds will have  
14 lapsed.

15           CONTINUING DISCLOSURE: In connection with the issuance of the Bonds, the City  
16 will deliver a continuing disclosure undertaking for purposes of Rule 15c2-12 of the Securities  
17 Exchange Act of 1934, as amended (the "Rule"), as described in the Official Statement for the  
18 Bonds (the "Official Statement"). For purposes of the Rule, the City is the only "obligated  
19 person" with respect to the Bonds and will agree, as described in the Official Statement, to  
20 provide or cause to be provided (i) certain annual financial information and operating data (the  
21 "Annual Information") for the preceding fiscal year, (ii) the City's audited financial statements,  
22 (iii) timely notice of the occurrence of certain material events with respect to the Bonds, and  
23 (iv) timely notice of any failure by the City to provide its Annual Information within the time  
24 specified in that agreement. See the more complete description of the agreement in the  
25 Preliminary Official Statement.

26           PAYMENT OF PURCHASE PRICE: The Purchaser will be required to make payment of  
27 the balance of the purchase price of the Bonds (after credit for the Purchaser's Good Faith  
28 Deposit) in immediately available funds at a bank or trust company in Albuquerque, New Mexico  
29 designated by the City, simultaneously with the delivery of the Bonds. The balance of the  
30 purchase price, including any premium, must be paid in the funds specified and not by any  
31 waiver of interest, nor by any other concession as a substitution for those funds.

1 ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING-PRICE RULE MAY  
2 APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED): The winning bidder  
3 shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to  
4 the City at closing an "issue price" or similar certificate, with such modifications as may be  
5 appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond  
6 Counsel. All actions to be taken by the City to establish the issue price of the Bonds may be  
7 taken on behalf of the City by the City's municipal advisor identified herein and any notice or  
8 report to be provided to the City may be provided to the City's municipal advisor.

9 (a) The City intends that the provisions of Treasury Regulation Section 1.148-  
10 1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds)  
11 will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

12 (i) the City shall disseminate a Notice of Sale to potential underwriters in a  
13 manner that is reasonably designed to reach potential underwriters;

14 (ii) all bidders shall have an equal opportunity to bid;

15 (iii) the City may receive bids from at least three underwriters of municipal  
16 bonds who have established industry reputations for underwriting new issuances of municipal  
17 bonds; and

18 (iv) the City anticipates awarding the sale of the Bonds to the bidder who  
19 submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set  
20 forth in this Notice of Sale.

21 Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer  
22 for the purchase of the Bonds, as specified in the bid.

23 In the event that the competitive sale requirements described above in  
24 subparagraph (a) are not satisfied, the City shall so advise the winning bidder. The City may  
25 determine to treat (i) the first price at which 10% of each maturity of the Bonds is sold to the  
26 public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the  
27 sale date of any maturity of the Bonds as the issue price of that maturity (the "hold-the-offering-  
28 price rule"), in each case applied on a maturity-by-maturity basis. The winning bidder shall  
29 advise the City if any maturity of the Bonds satisfies the 10% test as of the date and time of the  
30 award of the Bonds. The City shall promptly advise the winning bidder, at or before the time of  
31 award of the Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be

1 subject to the hold-the-offering-price rule during the Holding Period, as defined in subparagraph  
2 (c)(ii) below. Bids will not be subject to cancellation in the event that the City determines to  
3 apply the hold-the-offering-price rule to any maturity of the Bonds.

4 (b) By submitting a bid, the winning bidder shall (i) confirm that the underwriters  
5 have offered or will offer the Bonds to the public on or before the date of award at the offering  
6 price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the  
7 bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in  
8 the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any  
9 maturity to which the hold-the-offering-price rule shall apply to any person at a price that is  
10 higher than the initial offering price to the public during the Holding Period, as defined in  
11 subparagraph (c)(ii) below.

12 (c) The following terms are defined below:

13 (i) Hold-the-Offering-Price Maturity means a maturity of the Bonds of which  
14 less than 10% has been sold to the Public on the Sale Date.

15 (ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity,  
16 the period starting on the Sale Date and ending on the earlier of (a) the close of the fifth  
17 business day after the Sale Date, or (b) the date on which the winning bidder sold at least 10%  
18 of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial  
19 Offering Price for such Holding-the-Offering-Price Maturity.

20 (iii) Maturity means Bonds with the same credit and payment terms. Bond  
21 with different maturity dates, or Bonds with the same maturity date but different stated interest  
22 rates, are treated as separate maturities.

23 (iv) Public means any person (including an individual, trust, estate,  
24 partnership, association, company, or corporation) other than an Underwriter or a related party  
25 to an Underwriter. The term "related party" for purposes of this certificate generally means any  
26 two or more persons who have greater than 50 percent common ownership, directly or  
27 indirectly.

28 (v) Sale Date means the first day on which there is a binding contract in  
29 writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is expected to be  
30 April 18, 2024.

1 (vi) Underwriter means (i) any person that agrees pursuant to a written  
2 contract with the City (or with the lead underwriter to form an underwriting syndicate) to  
3 participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant  
4 to a written contract directly or indirectly with a person described in clause (i) of this paragraph  
5 to participate in the initial sale of the Bonds to the Public (including a member of a selling group  
6 or a party to a retail distribution agreement participating in the initial sale of the Bonds to the to  
7 the Public).

8 LEGAL OPINION AND TRANSCRIPT: The validity and legality of the Bonds will be  
9 approved by the bond counsel to the City ("Bond Counsel"). A letter will be delivered by the  
10 disclosure counsel to the City ("Disclosure Counsel") addressed to the City and the Purchaser,  
11 to the effect that the firm has not independently verified the information contained in the Official  
12 Statement, but that during the course of the participation by said firm in the preparation of the  
13 Official Statement no information came to the attention of the firm to lead it to believe that the  
14 Official Statement (except the information concerning the Depository, any insurance, and the  
15 financial statements and other statistical and financial data contained in the Official Statement,  
16 as to which such firm will make no statement) as of the date of the delivery of the Bonds either  
17 contains an untrue statement of any material fact or omits to state a material fact necessary to  
18 make the statements made, in the light of the circumstances under which they were made, not  
19 misleading. The approving opinion of Bond Counsel, the letter of Disclosure Counsel, the  
20 Bonds and a complete transcript of the legal proceedings will be furnished to the Purchaser  
21 without charge.

22 TAX EXEMPT STATUS: Bond Counsel will also provide an opinion substantially in the  
23 form included in the Preliminary Official Statement to the effect that, under existing law, the  
24 interest on the Bonds (i) is excluded from gross income for federal income tax purposes and is  
25 not a specific preference item for purposes of the federal alternative minimum tax, and (ii) is  
26 exempt from State of New Mexico income taxation. Bond Counsel will express no opinion as to  
27 any other tax consequences regarding the Bonds.

28 UNDERWRITING PERIOD: At the time of or prior to delivery of the Bonds, the  
29 Purchaser will be required to terminate its underwriting period or periods (as defined in the  
30 Rule). In the event that the Purchaser advises the City that its underwriting period has not been  
31 terminated at the time of delivery of the Bonds, the Purchaser shall terminate its underwriting

1 period not later than five (5) days after the date of delivery of the Bonds, unless the City agrees  
2 to a longer period. The City will consider any good faith request by the Purchaser for a longer  
3 period during which to underwrite the Bonds.

4 RIGHT TO MODIFY OR AMEND NOTICE OF SALE: The City reserves the right to  
5 modify or amend this Official Notice of Bond Sale, prior to the bid date. If any modifications  
6 occur, supplemental information with respect to the Bonds will be communicated by posting on  
7 the Grant Street Group website not later than 3:00 p.m., Albuquerque, New Mexico time on the  
8 business day preceding the day on which proposals may be submitted, and bidders shall bid  
9 upon the Bonds based upon the terms set forth in this Official Notice of Bond Sale, as so  
10 modified by such supplemental information.

11 POSTPONEMENT OF SALE: The City reserves the right to postpone the date and time  
12 established for receipt of bids. Any such postponement will be announced by posting on the  
13 Grant Street Group website prior to commencement of the bidding. If any date and time fixed  
14 for the receipt of bids and the sale of the Bonds is postponed, an alternative sale date and time  
15 will be announced at least one business day prior to such alternative sale date. On any such  
16 alternative sale date and time, any bidder may submit bids electronically as described above for  
17 the purchase of the Bonds in conformity in all respects with the provision of this Official Notice of  
18 Bond Sale, except for the date and time of sale and except for any changes announced by  
19 posting on Grant Street Group at the time the sale date and time are announced.

20 ADDITIONAL INFORMATION: Copies of this Official Notice of Bond Sale and the  
21 Preliminary Official Statement are available for viewing in electronic format at
