**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE COUNTY OF BERNALILLO AND THE CITY OF ALBUQUERQUE**

**UNIFIED LIBRARY SYSTEM
FISCAL YEARS 2025 AND 2026**

THIS MEMORANDUM OF UNDERSTANDING is made and entered into this ____ day of _____, 2024 by and between the County of Bernalillo, a political subdivision of the State of New Mexico (hereinafter called the "County") and the City of Albuquerque, New Mexico, a municipal corporation (hereinafter called the "City").

WITNESSETH:

WHEREAS, the County and the City entered into a Joint Powers Agreement, dated April 29, 1991 hereinafter referred to as the "Joint Powers Agreement", for the establishment of a unified library system (hereinafter referred to as the "System"); and

WHEREAS, the County and the City wish to establish specific funding obligations and duties of the parties for Fiscal Years 2025 and 2026, pursuant to Section 5 of the Joint Powers Agreement.

NOW THEREFORE, in consideration of the premises and mutual obligations herein, the parties hereto do mutually agree as follows:

1. Annual Budget. The annual budget for Fiscal Years 2025 and 2026 (the "Budget"), as approved by the County Commission and the City Council, is hereby adopted by the parties.

2. County Funding.

A. Operations - For Fiscal Year 2025, the County agrees to pay all personnel and operating expenses associated with the operation of the County portion of the Unified Library System, in an amount not to exceed, without prior written approval of the County, One million Seven hundred Twelve Thousand Eight Hundred dollars (\$1,712,800) for Fiscal Year 2025.

For Fiscal Year 2026, the City and County agree to meet in January 2025 to discuss the amount needed to pay all personnel and operating expenses associated with the operation of the County portion of the Unified Library System for Fiscal Year 2026. Adjustments to the Budget if approved by the County need not take the form of a written agreement executed by the parties. The County shall disburse funds after receipt of an invoice from the City for three-twelfths (3/12) of the appropriated funds for the County Libraries.

B. Bonds – As stated in the Joint Powers Agreement, the County shall fund the acquisition of capital projects, including computer hardware and software for the Unified Library System using general obligation bonds. The County shall provide funds to the City for the processing of books and other media for Bernalillo County and City residents from the issuance of general obligation bonds.

The City agrees and understands that all bond funds must be spent exclusively for the purposes stated and approved by the voters, including, but not limited to the purchasing of capital projects, including library materials and library resources for the libraries, and other bond eligible expenditures. The City shall not use the funds for any working capital, including administrative, operational, or maintenance purposes associated with the Unified Library System.

C. Invoicing and Payments. The City shall submit invoices quarterly to the County to request disbursement of bond funds. The County will disburse funds after receipt of an invoice with all necessary documentation attached from the City as agreed. The County will ensure the bond funds expended do not exceed the available approved amount determined by the voters. The County will maintain all records and will provide quarterly updates as to the available balance of general obligation bond funds to the City's Director of the Library Services.

D. Certification. The City must certify to the County: (i) each time bond funds are received from the County that such funds will be spent on bond eligible expenditures, (ii) that such expenditures will not result in private use, and (iii) that the City will not take any action or omit to take any action with respect to the County's bonds, any funds received from the County or any facilities financed with the proceeds of the bonds, if such action or omission would cause the interest on the bonds to lose exclusion from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended and in effect as of the date of issuance of the bonds.

E. Request and Disbursement for Procurement of Goods. The County shall submit a written purchase request to the City to request the procurement of goods eligible to be purchased under the County bond funds for use by both the County and the City in the Unified Library System. The City shall review the purchase request and shall procure the goods in accordance with the City's Public Purchases Ordinance, § 5-5-1, et seq. R.O.A. 1994, as amended. The City shall submit to the County a quarterly invoice requesting the disbursement of bond funds, itemizing the amounts procured by the City to vendors for the bond eligible expenditures. All expenditures by the City for procurement of goods under this Section E, shall be evidenced by vendor invoices, which shall be attached to the invoice requesting disbursement from bond funds. The County shall disburse bond funds to the City quarterly for the purchase of goods under this Section E, subject to the Certification requirements contained in Section D above.

3. Accountability. The City will make available to the County for examination, and will permit the County to audit and make excerpts or transcripts from all of the City's records with respect to all matters covered by this Agreement including, but not limited to annual operating budgets and audited financial statements. This Agreement also provides for strict accountability for all receipts and disbursements. Invoices shall be accompanied by documentation sufficient to demonstrate County library costs including total cost of apportioned expenses. The City further agrees to be the primary contact for alarm calls at the three County libraries. In addition; the City shall provide a quarterly report to the Deputy County Manager of Community Services detailing County library expenses and services regarding the installed fire and intrusion detection systems at each location. City staff shall be designated to respond to alarm calls. The County agrees to continue to maintain and service the fire and intrusion detection systems at the three County libraries, and shall inform any fire and intrusion detection contractor(s) of the current City primary contact(s) and contact information.

The parties understand that their respective officials and employees will be expected to comply with the City of Albuquerque's Accountability in Government Ordinance, 2-10-1 et seq. R.O.A. 1994, and the Inspector General Ordinance, 2-10-12-17-1 et seq. R.O.A. 1994, and may be asked to provide information and records and appear as a witness in hearings for the City's Board of Ethics and Campaign Practices pursuant to Article XII, Section 8 of the Albuquerque City Charter.

4. Director of Library Services. For Fiscal Years 2025 and 2026, the Department of Arts and Culture's Library Administrator shall be the Director of Library Services pursuant to Section 9.A. of the Joint Powers Agreement. The City agrees to operate the System in accordance with the Joint Powers Agreement and the Budget.

5. Library Board. The City and County shall have a Unified Library Board ("Board") which shall meet no fewer than four (4) times a year and report to the City and County on all matters relating to library policy and plans. The Board shall provide copies of minutes from all Board meetings to the County and, at least once a year, the Board shall present a written report to the County of its activities for the past year and any recommendations as may be deemed appropriate. The City shall appoint up to eleven (11) members and the County shall appoint up to four (4) members. All members shall be registered voters of the County. Members shall be appointed for three (3) year terms and may be appointed to serve up to two (2) consecutive terms.

6. Term. This Agreement shall commence on July 1, 2024, and continue for a term of two (2) years unless sooner terminated by mutual agreement of the parties, if a subsequent Memorandum of Understanding or agreement between the parties is not entered into by July 1, 2026, the term of this Agreement shall be extended until such time as a subsequent agreement is executed by the parties. During the extension of term, services and disbursements shall continue without change.

7. Liability. As between the parties, each party will be solely responsible for liability arising from personal injury or damage to persons or property occasioned by its employees or agents. The liability of the County and the City shall be subject in all cases to the immunities and limitations of the Tort Claims Act, Section 41-4-1 et seq. NMSA 1978, and any amendments thereto. No provision of this Agreement creates in public, or any member thereof, a third-party beneficiary nor authorizes anyone not a party to the Agreement to maintain a suit for wrongful death, bodily and/or personal injury to person, damage to property, and/or any other claim(s) whatsoever pursuant to the provisions of this Agreement.

8. Approval Required. This Agreement shall not become effective or binding until approved by the Bernalillo County Manager, as authorized by the Board of County Commissioners, and the City's Chief Administrative Officer.
