1 WHEREAS, the Bosque Working Group has reached such an agreement,
2 BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
3 ALBUQUERQUE:

4 That the City of Albuquerque shall not commence any further construction or
5 improvements within the Rio Grande Valley State Park until the following
6 steps are completed:

- 7 a. The Bosque Working Group , led by the Parks and Recreation
8 Department, Open Space Division, will work together to prepare
9 alternatives.
- 10 b. Alternatives will be based on the baseline alignment illustrated as
11 "existing trail / Monitoring Corridor" in illustration Figure 1.2, 1.3, and
12 1.4 in the Environmental Monitoring Report conducted by SWCA, but
13 may vary from that alignment.
- 14 c. Alternatives with plan details, including with respect to trail
15 alignment, route, width, materials, and any related infrastructure
16 (such as boardwalks, bridges, viewing platforms, and signage), will
17 be presented to the public in a meeting to be followed by a 30 day
18 comment period.
- 19 d. Alternatives and public comments will be provided to the
20 environmental consultant, SWCA, for review and analysis of the
21 environmental effects of the proposed project alternatives.
- 22 e. The environmental review and analysis of environmental effects of
23 alternatives including a summary of public comments and responses
24 will recommend a preferred alternative and will be presented to the
25 public in a meeting, followed by a 30 day comment period.
- 26 f. No later than the time of presentation to the public, the
27 environmental consultant will present preferred alternatives to
28 relevant agencies which may include but are not limited to Fish and
29 Wildlife, EPA, BOR, Army Corps, Open Space Advisory Board.
- 30 g. SWCA and the Open Space Division will review final comments,
31 make necessary adjustments to the preferred alternative and release
32 their final recommendation.
