1 specified on the meter shall be lawfully parked or standing only when the
2 owner, operator or driver of such vehicle, upon parking or standing a vehicle
3 in the metered parking space, shall immediately deposit payment as specified
4 on the meter regulating such parking space. Failure to deposit the proper
5 payment as required shall constitute a violation of this section. When the
6 "VIOLATION" indicator is showing, it shall be presumptive evidence that any
7 vehicle found parked or standing in a regulated metered space is parked or
8 standing in violation of this section. The provisions of this section shall not
9 relieve any person from the duty to observe other and more restrictive
10 provisions prohibiting or limiting the stopping, standing or parking of
11 vehicles.

12 (B) In areas where on-street parking is regulated by parking meters, at
13 least three on-street parking spaces shall be designated as free motorcycle,
14 moped, or motorscooter parking for every three contiguous blocks of metered
15 on-street parking. This provision does not apply if it would require the removal
16 of any regular on-street metered parking space. This provision should not be
17 interpreted as exempting motorcycles, mopeds, or motoscooters from
18 payment when a meter is present.

19 (C) A green vehicle that is registered in the State of New Mexico to a
20 New Mexico resident or business is exempt from paying to park in an on street
21 space regulated by a parking meter. A green vehicle parked in an on street
22 space regulated by a meter shall have city issued identification posted on the
23 left rear bumper or the left rear window that authorizes the exemption set forth
24 in this paragraph. A green vehicle shall not be parked in an on street space
25 regulated by a meter for more than two hours. After the free two-hour
26 timeframe has expired, the vehicle cannot park within a one block radius of
27 that parking space free of charge for 24 hours.

28 (D) Within 90 days of the adoption of these divisions (C) - (D), the Mayor
29 shall develop the following:

- 30 (1) a form of identification to post on the vehicles;
- 31 (2) the procedures to issue such identification;
- 32 (3) a training program for police officers and other City employees
33 authorized to issue parking citations; and

1 (4) a reasonable and nominal fee the City can impose for the
2 issuance of a Green Vehicle permit.

3 (E) To qualify for an exemption for a green vehicle, the owner must
4 present the vehicle to the City's Parking Division for verification of green
5 vehicle eligibility.

6 (F) This program shall be evaluated by the Department of Municipal
7 Development every two years. This evaluation will be brought before the City
8 Council with recommendations of alteration to the Green Vehicle Program, as
9 necessary."

10 SECTION 2. SECTION 8-1-3-99 (B)(4) PENALTY IS HEREBY AMENDED
11 AS FOLLOWS:

12 "(4) Fines for any parking violation, including §7-5-3 and Sale of Motor
13 Vehicles, if not paid within 10 days of the occurrence of the violation, shall be
14 two times the amount of the fine, and if not paid within 20 days of the
15 occurrence of the violation, shall be three times the amount of the fine, unless
16 the person cited has initiated court proceedings to answer the charges within
17 10 days of the issuance of the citation."

18 SECTION 3. Section 8-1-1-2 ROA 1994, DEFINITIONS, is amended to add
19 definitions for GREEN VEHICLE and GREEN VEHICLE GUIDE in proper
20 alphabetical order, to read:

21 GREEN VEHICLE. A Vehicle that is rated by the U.S. Environmental
22 Protection Agency, Green Vehicle Guide with minimum Environmental
23 Performance Scores for Greenhouse Gas and Air Pollution of 9 and a total
24 combined score of 17 or higher.

25 GREEN VEHICLE GUIDE. A consumer guide developed by the U.S.
26 Environmental Protection Agency to provide information about the
27 environmental performance of vehicles.

28 SECTION 4. COMPILATION. The amendments set forth in Sections 1
29 through 3 above shall amend, be incorporated in and made part of the Revised
30 Ordinances of Albuquerque, New Mexico, 1994.

31 SECTION 5. SEVERABILITY CLAUSE. If any section, paragraph, sentence,
32 clause, word or phrase of this ordinance is for any reason held to be invalid or
33 unenforceable by any court of competent jurisdiction, such decision shall not

1 affect the validity of the remaining provisions of this ordinance. The Council
2 hereby declares that it would have passed this ordinance and each section,
3 paragraph, sentence, clause, word or phrase thereof irrespective of any
4 provisions being declared unconstitutional or otherwise invalid.

5 SECTION 6. EFFECTIVE DATE. This ordinance shall take effect five days
6 after publication by title and general summary.
