Extensive collection efforts by City staff, including contact by phone, certified correspondence, field visits and review of the major items by the Legal Department have been made.

Reserves for bad debt are available to offset the loss of the previously accrued revenues.

The attached resolution is hereby forwarded to the Council for its consideration and action.

**JUSTIFICATION FOR WRITE OFF OF UNCOLLECTIBLES**

**FUND 110 GENERAL FUND** **\$ 21,271,806.04**

Debt resulting from uncollected Red Light/photo enforcement program. The red light camera program was phased out in December 2011.

**FUND 611 AVIATION**      **4 Accounts** **\$ 386,715.76**

Lawsuit was filed by Aviation for under reporting Customer Facility Charges, by various car rental agencies, part of settlement was that Aviation would not collect a portion of the outstanding balance. Vendor did not meet contract requirements in their lease agreement by vacating DEII during the lease deferment period. The vendor was then charged 5 years of back lease payments that were never collected.

**FUND 651 REFUSE**      **1 Accounts** **\$ 4,494.41**

This debt was created by RCI investigations. Our drivers were hauling the tires from Julio's tires at 803 Broadway for free. After the investigation was completed Julio's tires signed an agreement to pay our department \$5697.14. Julio's tires then moved their business to 6314 Central Ave SW. We set up a payment arrangement based on the contract signed between Julio's tires and the City of Albuquerque. Julio's tires went out of business, they had no assets we could Lien. We sent certified letters that were ignored. The debt is now \$4494.41.
