Subject: 2020 Personnel Board Election Canvass

From December 7 through December 11 the City Clerk's Office held an electronic Personnel Board Election to fill one vacancy on the Board. There was one nominee for the open position, Robert Lujan, and he received 74 votes. Though the ballot on PeopleSoft would not have allowed any duplicate ballot submissions or submissions by temporary or seasonal staff, the Department of Human Resources has run a query on the results of the election and verified that all 74 votes were cast by fulltime City employees and there were no duplicate ballots cast.

Attached you will find the final canvass of the election. Please let me know if you have any additional questions.
