Any money which the Paying Agent segregates and holds in trust for the payment of the principal of, premium or interest on Bonds which remains unclaimed for three years after such payment has become due shall be paid to the City. After the payment of such unclaimed money to the City, the Owners shall look only to the City for the payment of those Bonds.

#### SECTION 6. REDEMPTION OF BONDS.

(A) OPTIONAL REDEMPTION. The Bonds shall be subject to redemption prior to maturity at the option of the City at the times and at the redemption prices set forth as to each series of Bonds, in the applicable Sale Resolution. Unless money sufficient to pay the principal of and premium, if any, on the Bonds to be redeemed pursuant to this Section 6.(A) is received by the Paying Agent prior to the giving of notice of redemption in accordance with Section 6.(D), that notice shall state that the redemption is conditional upon the receipt of that money by the Paying Agent by 2:00 p.m. on the redemption date. If an amount sufficient to redeem all Bonds called for redemption is not received by that time, (i) the Paying Agent shall redeem only those Bonds for which the redemption price was received, (ii) the Bonds to be redeemed shall be selected in the manner set forth in Section 6.(C) and (iii) the redemption notice shall have no effect with respect to those Bonds for which the redemption price was not received and those Bonds shall not be redeemed. The Registrar shall give notice to the Owners of the Bonds previously called for redemption which shall not be redeemed, in the manner in which notice of redemption was given, identifying the Bonds which shall not be redeemed, stating that the redemption did not take place with respect to those Bonds and shall promptly return any Bonds which shall not be redeemed which were previously delivered by the Owners of those Bonds.

(B) MANDATORY SINKING FUND REDEMPTION.

Each series of Bonds shall be subject to mandatory sinking fund redemption prior to maturity as set forth in the appropriate Sale Resolution.

As and for a sinking fund for the redemption of a series of Bonds subject to mandatory sinking fund redemption, on or before July 1 in each of the years and in the principal amounts stated in the applicable Sale Resolution, the City shall transfer into the applicable account of the Debt Service Fund the Pledged Revenues required for the payments of principal on those Bonds with a priority asset forth in Section 19 so that there is on deposit on the required redemption date in the Debt Service Fund amounts sufficient to redeem the Bonds called for redemption (after credit as provided below). Subject to the last paragraph of this subsection (C), Bonds which are term bonds shall be subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date on July 1 in the years and in the principal amounts stated in the applicable Sale Resolution.

At its option, to be exercised on or before the 45th day next preceding any July 1 mandatory sinking fund redemption date, the City may irrevocably elect to (i) deliver to the Paying Agent for cancellation Bonds of the same series and Maturity Date, as the case may be, in any aggregate principal amount and/or (ii) receive a credit in respect of its sinking fund redemption obligation for any Bonds of the same series and Maturity Date which, prior to such date, have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation. Each Bond so delivered or previously redeemed shall be credited by the Paying Agent at the principal amount thereof against the amounts required to be paid by the City on the respective July 1 mandatory sinking fund redemption date or dates designated by the City and the principal amount of Bonds to be redeemed by operation of such sinking fund on such date shall be accordingly reduced.

(C) PARTIAL REDEMPTION. If less than all of the Outstanding Bonds are to be redeemed, the Maturity Dates of the Bonds to be redeemed shall be selected by the City. If less than all Bonds of a given series and Maturity Date are redeemed, the Bonds of that series and Maturity Date to be redeemed shall be selected by lot in such manner as determined by the Fiscal Agent. However, the portion of any Bonds to be redeemed and the portion of any Bond not redeemed shall both be in Authorized Denominations. If, as indicated in a certificate of an Authorized Officer delivered to the Fiscal Agent, the City has offered to purchase all Bonds then Outstanding and less than all of the Bonds have been tendered to the City for purchase, the Fiscal Agent, at the direction of an Authorized Officer, shall select for redemption all, or any part designated by the City, of the Bonds which have not been tendered.

In selecting Bonds for redemption, the Fiscal Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of any Bond by the minimum Authorized Denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Owner of such Bond (except with respect to Bonds registered to a Depository or its nominee, in which case a notation

as to the amount redeemed may be made on such Bonds) shall promptly surrender such Bond to the Fiscal Agent for (i) payment to such Owner of the redemption price of the unit or units of principal amount called for redemption, and (ii) delivery to such Owner of a new Bond of the same series and Maturity Date in the aggregate principal amount of the unredeemed balance, without charge therefor.

If the Owner of any such Bond fails to present that Bond to the Fiscal Agent for payment, that Bond nevertheless shall become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption and interest shall cease to accrue on that principal amount.

(D) NOTICE. Notice of redemption of Bonds shall be given by the Fiscal Agent by sending a copy of such notice by registered or certified first class, postage prepaid mail not less than 30 days prior to the redemption date of the Bonds being redeemed, to all Depositories, to one or more Information Services and to the Owner of each Bond, or portion thereof, to be redeemed at the address shown as of the fifth day prior to the mailing of notice on the Bond Register. The City shall give the Fiscal Agent notice of the redemption date and the Maturity Date and the principal amounts of each maturity of Bonds to be called for redemption pursuant to Section 6.(A) at least five Business Days prior to the date that the Fiscal Agent is required to give Owners notice of redemption. Bonds to be called for redemption pursuant to Section 6.(B) shall be called for redemption by the Fiscal Agent without the necessity of any notice to the Fiscal Agent from the City. Neither the City's failure to give such notice, the Fiscal Agent's failure to give such notice to any Depository (other than as the Owner of Bonds being redeemed), or the registered Owner of any Bonds to be redeemed, or any defect therein, nor the failure of the Depository to notify a Participant or any Participant or Indirect Participant to notify a Beneficial Owner of any such redemption, shall affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given.

The official notice of redemption to Owners shall state:

- (1) the CUSIP numbers of the Bonds to be redeemed,
- (2) the redemption date,
- (3) the redemption price,
- (4) the Bonds to be redeemed,
- (5) if less than all Outstanding Bonds are to be redeemed, the bond numbers and Maturity Dates of the Bonds to be redeemed and, in the case of a partial redemption of a Bond, the principal amount to be redeemed,
- (6) that, subject to the provisions of Section 6.(A), if applicable, on the redemption date, the redemption price will become due and payable on each Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after that date,
- (7) the place where such Bonds are to be surrendered for payment of the redemption price, the name of a contact person (if the book-entry system described in Section 5.(C) is in effect), and the phone number at the office of the Paying Agent, and

(8) if the redemption is pursuant to Section 6.(A), that the redemption is conditional, if applicable, stating the conditions set forth in Section 6.(A).

The Paying Agent shall comply with any other terms regarding redemption and notice of redemption, as are required by any agreement with a Depository.

Except as provided in Section 6.(A), notice having been given in the manner provided above, the Bonds or part thereof called for redemption shall become due and payable on the redemption date designated and the Bonds, or part thereof to be redeemed, for which the redemption price is on deposit with the Fiscal Agent, shall not be deemed to be Outstanding and shall cease to bear or accrue interest from and after such redemption date. Subject to Section 6.(A), upon presentation of a Bond to be redeemed at the office of the Fiscal Agent on or after the redemption date, or, so long as the book-entry system is used for determining beneficial ownership of the Bond being redeemed, upon satisfaction of the terms of any other arrangement between the Fiscal Agent and the Depository, the Fiscal Agent will pay such Bonds or portion thereof called for redemption.

(E) BONDS NOT PRESENTED FOR REDEMPTION. Money for payment of the principal of, premium, if any, and interest, to the date fixed for redemption, on Bonds called for redemption which are not presented for payment on the date fixed for redemption shall be set aside by the Fiscal Agent in trust for the Owners of such Bonds and held as set forth in Section 5.(D). Interest on such Bonds shall cease to accrue on the date fixed for redemption.

Owners and the parties under any Related Documents may not look to any general or other fund of the City for the payment of the principal of or interest on, or the fees, costs and expenses relating to, such obligations, except the designated special funds pledged therefor. Neither the Bonds nor the obligations of the City under any Related Documents shall constitute an indebtedness of the City within the meaning of any constitutional, charter or statutory prohibition or limitation, nor shall they be considered or held to be general obligations of the City, and the Bonds shall recite that they are payable and collectable solely out of the Pledged Revenues and from any other sources stated in the Bond Legislation and that the Owners may not look to any general or other municipal fund for the payment of the principal, premium, if any, or interest, as applicable, on the Bonds or for the payment of any amounts owed under any Related Documents.

The tender price of a series of New Lien Tax Obligations and any interest payment owed to any Credit Source which exceeds the amount of interest which would be payable at the maximum bond interest rate on that series, shall not be reimbursed from the Gross Receipts Tax Income Fund with the priority set forth in this Section 19.(A) but shall be reimbursed with the priority set forth in Section 19.(B).

(4) The City may pay the Debt Service Requirements on the Bonds and, unless otherwise required under the ordinance or resolution under which they were issued, any other Tax Obligations that are New Lien Tax Obligations from Pledged Revenues as described in Section 19 in such order, in whole or in part, as to the use of Pledged Revenues as the City may from time to time determine in its sole discretion.

(B) OTHER NEW LIEN TAX OBLIGATIONS. To the extent not required to be deposited or paid pursuant to Sections 19.(A), Pledged Revenues available in the Gross Receipts Tax Income Fund shall be used, as necessary, to pay (i) payment obligations owed by the City to a Credit Source for New Lien Tax Obligations, including the tender price of and certain interest payments on, New Lien Tax Obligations paid by that Credit Source; and (ii) fees, expenses and interest owed by the City to any other provider of fiscal services for a series of New Lien Tax Obligations. (E) USE OF SURPLUS PLEDGED REVENUES. To the extent not required in any month to be deposited or paid pursuant to Sections 19.(A), 19.(B), 19.(C) or 19.(D), any moneys remaining in the Gross Receipts Tax Income Fund may be transferred from the Gross Receipts Tax Income Fund, and applied as required by the terms of any ordinance or resolution authorizing the issuance of any Old Lien Tax Obligations and, if not so required to be applied, to any other lawful purpose or purposes authorized by applicable law, as determined by the City, subject to any limitations imposed by the Code.

#### SECTION 20. GENERAL ADMINISTRATION OF FUNDS.

##### (A) USE OF AMOUNTS AND TERMINATION OF DEPOSITS IN DEBT SERVICE FUNDS.

(1) MONEY IN DEBT SERVICE FUNDS. Except as provided in Section 20.(A)(2), the money credited to the Debt Service Fund including any account therein established by a Sale Resolution shall be used by the City only to pay, or to reimburse a Credit Source for the payment of, the Debt Service Requirements of the applicable series of Bonds. Money on deposit in the Debt Service Fund and any account therein shall be transferred to the Paying Agent on or before each relevant payment date.

(2) TERMINATION UPON DEPOSITS TO MATURITY. No payment needs to be made into the Debt Service Fund or to any applicable account therein if no Debt Service Requirements on the Bonds are then past due and the amounts on deposit in the applicable account of the Debt Service Fund for the payment of the applicable series of Bonds are at least equal to all Debt Service Requirements on the applicable series of Bonds prior to their Maturity Dates or mandatory redemption dates, or to any date for which the City has exercised or has obligated itself to exercise its option to redeem the applicable series of Bonds prior to their Maturity Dates or redemption dates, as the case may be. In such event, money in the applicable series of Debt Service Fund shall be used for the payment of the Debt Service Requirements or such optional redemption payments, if applicable, when due, on the applicable series of Bonds. Any money in those accounts in excess of the amounts required by the preceding sentence may be used as provided in Section 19.(E).

(B) CREDIT OR DEFICIENCY. In making the determinations of the amounts to be transferred from the Gross Receipts Tax Income Fund as provided in Section 19 or this Section 20, the City may take into account any amount then on deposit in any fund relating to the Bonds which is available and required to be used for the designated payment. If any deposit made to a fund for the payment of the Bonds is less than the amount required to be deposited, the City shall pay or credit to that fund from Pledged Revenues

in the Gross Receipts Tax Income Fund the first money available to pay that deficiency using the priorities set forth in Section 19 and this Section 20.

(C) TRANSFER OF MONEY. Each payment of principal and interest coming due on the Bonds shall be transferred from the applicable fund to the Paying Agent.

(D) VARIABLE INTEREST RATE. In making the computations required by Section 19 and this Section 20, interest on Variable Interest Rate Tax Obligations which Cannot be computed exactly shall be computed at the maximum interest rate permitted for those Obligations unless otherwise required by the City ordinance authorizing the issuance of such Obligations.

(E) INVESTMENT OF MONEY. Any money in any fund created or Continued in Section 16 shall be invested in Permitted Investments. The investments purchased using money in any such fund shall be deemed at all times to be part of that fund. The interest accruing in the funds and any profit realized therefrom shall be credited to the fund in which the relevant investments are deemed to be held. Any loss resulting from such investment shall be charged to the applicable fund. The City Treasurer shall present for redemption or sale on the prevailing market any obligations purchased as an investment of money in the applicable fund whenever it shall be necessary to do so in order to provide money to meet any payment or transfer from such fund. Neither the City Treasurer nor any other officer of the City shall be liable or responsible for any loss resulting from any such investment made in accordance with the Bond Legislation.

(F) DEPOSITS OF FUNDS. The money and investments deposited in the funds created or continued in Section 16 shall be maintained and kept in one or more Insured Banks. Each payment shall be made into and credited to the proper fund at the designated time, except that when the designated time is not a Business Day, then such payment shall be made on the next succeeding Business Day. Nothing herein shall prevent the establishment of one or more such funds in insured banks for all of the accounts designated in Section 16.

(G) DEPOSITS OF PLEDGED REVENUES FOR BONDS.

(1) The City shall make substantially equal monthly deposits in the applicable account in the Debt Service Fund in order to pay the amount of interest on the applicable series of Bonds which will become due on the Interest Payment Date next following the date of deposit. The monthly deposits required in the preceding sentence shall begin in the calendar month subsequent to the Closing Date for that series of Bonds.

(2) Deposits to the applicable account in the Debt Service Fund for the next installment of principal becoming due on the applicable series of Bonds shall be made in substantially equal monthly deposits commencing in the first month which is less than 13 months prior to the month in which that installment of principal is due.

(H) VALUATION.. The "value" of Permitted Investments shall be determined at least every six months as follows:

(1) if the price of the investment is not set as described in Section 20.(H)(4), as to investments the bid and asked prices of which are published on a regular basis in The Wall Street Journal (or, if not there, then in The New York Times): the average of the bid and asked prices for such investments published on or more recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in The Wall Street Journal or The New York Times: the average bid price at such time of determination for such investments by any two nationally recognized government securities dealers (selected by the City in its absolute discretion) at the time making a market in such investments or the bid price published by a nationally recognized pricing service;

(3) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest;

(4) as to investments in clauses (1), (2), (3) and (9) of the definition of Permitted Investments pursuant to which a financial institution is obligated to purchase the investment from the City at a fixed price through maturity of the investment: the price set forth in such agreement, provided that such institution, or the guarantor of such institution or agreement, shall be rated in one of the top two Rating Categories by S&P, Moody's and Fitch if then rating the Bonds, or by another national rating agency; and

(5) as to any investment not specified above: the cost of the Permitted Investments (including any amount paid as accrued interest) or the principal amount thereof, whichever is less; except that Permitted Investments purchased at a premium may initially be valued at the cost thereof, but in each year after such purchase shall be valued at a lesser amount determined by ratably amortizing the premium over the remaining term.

No loss or profit on Permitted Investments shall be deemed to take place as a result of fluctuations in the market quotations prior to the sale or maturity thereof.

(I) Deposits for the payment of principal of and interest on other New Lien Tax Obligations required by Section 19.(B) may be made more or less frequently than monthly.

#### SECTION 21. LIEN ON PLEDGED REVENUES; PROCEEDS; ETC.

(A) BONDS. Payments of Debt Service Requirements on the Bonds are secured by an irrevocable lien on and the City grants and confirms to the owners of the Bonds a security interest in the Pledged Revenues for the payment of the principal or premium, if any, and interest on the Bonds. The Bonds shall be issued as New Lien Tax Obligations.

The City pledges and grants a security interest in and lien (but not an exclusive lien) on the money and Permitted Investments on deposit in the applicable account in the Debt Service Fund, the applicable account in the Acquisition Fund and any other fund (other than any Rebate Fund) held pursuant to the Bond Legislation for the corresponding series of Bonds for the payment of such Bonds.

(B) OTHER RELATED DOCUMENTS. Payments under any other Related Documents shall

be secured by an irrevocable lien on, and the City grants to the parties entitled to payments under those Related Documents, a security interest in, the Pledged Revenues for those payments.

(C) REBATE PAYMENTS. Any investment income which is required to be rebated to the United States pursuant to Section 148(f) of the Code is not subject to the pledge and security interest provided in this Section 21.

SECTION 22. EQUALITY OF BONDS. Except as specifically stated in the Bond Legislation, each series of the Bonds from time to time Outstanding shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of their issuance, it being the intention of the Council that there shall be no priority among the series of the Bonds, regardless of the fact that they may be actually issued and delivered at different times.

SECTION 23. ADDITIONAL BONDS OR OTHER OBLIGATIONS PAYABLE FROM PLEDGED REVENUES.

(A) LIMITATIONS UPON ISSUANCE OF NEW LIEN TAX OBLIGATIONS. No provision of the Bond Legislation shall be construed to prevent the issuance by the City of additional New Lien Tax Obligations, nor to prevent the issuance of bonds or other obligations refunding all or a part of any New Lien Tax Obligations. However, before any additional New Lien Tax Obligations are issued:

(1) The City shall then be current in the accumulations required to be made pursuant to any ordinance or resolution authorizing the issuance of any Old Lien Tax Obligations and New Lien Tax Obligations; and

(2) With respect to additional New Lien Tax Obligations:

(a) The Pledged Revenues received by the City for either - (i) the Fiscal Year or (ii) any twelve consecutive months out of the eighteen calendar months immediately preceding the date of the issuance of such additional New Lien Tax Obligations - shall have been sufficient to pay an amount representing two hundred and twenty-five percent (225%) of the combined maximum annual principal and interest payments (excluding any reserves therefor) coming due in any subsequent Fiscal Year on: (i) the then Outstanding Old Lien Tax Obligations, (ii) the then Outstanding New Lien Tax Obligations, and (iii) the New Lien Tax Obligations proposed to be issued.

(b) A written certificate or opinion by an Independent Accountant that such annual Pledged Revenues are sufficient to pay the amounts required by paragraph (a) above shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver the proposed additional New Lien Tax Obligations.

(c) In making the computations required by this Section 23.(A)(2) and Section 24.(B), that part of the interest rate on Variable Rate Obligations which cannot be computed exactly shall be computed at the maximum interest rate then permitted on such obligations by the City ordinance authorizing the issuance of such obligations.

(B) SUBORDINATE TAX OBLIGATIONS PERMITTED. No provision of the Bond Legislation shall be construed to prevent the issuance by the City of Subordinate Tax Obligations.

(C) SUPERIOR TAX OBLIGATIONS PROHIBITED. No provision of the Bond Legislation shall be construed to permit the City to issue, and the City shall not issue, obligations payable from the Pledged Revenues having a lien thereon prior and superior to the New Lien Tax Obligations.

SECTION 24. REFUNDING BONDS PAYABLE FROM PLEDGED REVENUES. The provisions of Section 23 are subject to the following exceptions:

(A) PRIVILEGE OF ISSUING REFUNDING TAX OBLIGATIONS. Outstanding Tax Obligations may be refunded, regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is different than the lien of the refunded Tax Obligations on Pledged Revenues, except as provided in Section 23.(C) and in Sections 24.(B), 24.(C) and 24.(D).

(B) LIMITATIONS UPON ISSUANCE OF REFUNDING TAX OBLIGATIONS. No Refunding Tax Obligations shall be issued as New Lien Tax Obligations unless:

(1) The Tax Obligations refunded are Old Lien Tax Obligations or New Lien Tax Obligations and the issuance of the refunding Tax Obligations does not increase the maximum annual Debt Service Requirements of the refunded Tax Obligations and all other Outstanding New Lien Tax Obligations on the refunding date; or

(2) The refunding New Lien Tax Obligations are issued in compliance with Section 23.(A).

(C) REFUNDING PART OF A SERIES. While any series of Bonds are Outstanding, except as set forth in subparagraph (3) below, the refunding Tax Obligations shall enjoy complete equality of lien on the Pledged Revenues with the portion of any Tax Obligations of the same series which is not refunded and the Owners of the refunding Tax Obligations shall be subrogated to all of the rights and privileges enjoyed by the Owners of the refunded Tax Obligations.

A part of a series of Outstanding Tax Obligations may be refunded only with the consent of the Owners of the unrefunded portion of that series unless:

(1) The issuance of the refunding Tax Obligations does not increase the maximum annual Debt Service Requirements evidenced by the refunded Tax Obligations and by the Outstanding Tax Obligations of such series not refunded on the refunding date; or

(2) The refunding New Lien Tax Obligations are issued in compliance with Section 23.(A); or

(3) The lien on the Pledged Revenues for the payment of the refunding Tax Obligations is subordinate to the lien thereon for the payment of the unrefunded portion of the series.

(D) LIMITATIONS UPON ISSUANCE OF REFUNDING TAX OBLIGATIONS. Any refunding Tax Obligations shall be issued with such details as the City may provide by ordinance and resolution, but

without any impairment of any contractual obligations imposed upon the City by any proceedings authorizing the issuance of any Outstanding Obligations.

SECTION 25. PROTECTIVE COVENANTS. The City covenants and agrees, so long as any series of Bonds remain Outstanding:

(A) USE OF PROCEEDS OF TAX OBLIGATIONS. The City shall proceed without delay to apply the proceeds of each series of Tax Obligations to the purposes for which they are issued.

(B) PAYMENT OF TAX OBLIGATIONS. The City shall promptly pay Debt Service Requirements on each series of Tax Obligations at the place, on the date and in the manner specified in the City ordinances and resolutions and the documents relating to those Tax Obligations.

(C) CITY'S EXISTENCE. The City shall maintain its corporate identity and existence unless another political subdivision by operation of law succeeds to the liabilities and rights of the City under the Bond Legislation, without adversely affecting to any substantial degree the privileges and rights of any Owner.

(D) PROHIBITION OF ANY EXTENSION OF INTEREST PAYMENTS. In order to prevent any accumulation of claims for interest after maturity, the City shall not directly or indirectly extend or assent to the extension of time for the payment of any claim for interest on any Bonds. If the time for payment of any interest is extended, such payment shall not be made by the City, in case of default under the Bond Legislation, until the prior payment in full of the Debt Service Requirements on all Bonds on which the payment of interest has not been extended.

(E) RECORDS. The City shall keep proper books of record and account, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

(F) AUDITS. The City shall, within 270 days following the close of each Fiscal Year, cause an audit of its books and accounts relating to the Pledged Revenues to be completed by an Independent Accountant showing the receipts and disbursements in connection with the Pledged Revenues.

(G) DUTY TO IMPOSE TAX. If State law or the City Charter or any City ordinance or part thereof, which affects the Pledged Revenues, shall ever be held to be invalid or unenforceable, the City shall immediately take any action which is legally available to the City necessary to produce sufficient Pledged Revenues to comply with the obligations of the City under the Bond Legislation.

(H) IMPAIRMENT OF CONTRACT. In accordance with Section 3-31-6(C) NMSA 1978, no law, ordinance or resolution of the City which affects the Pledged Revenues or the Bonds shall be repealed or otherwise directly or indirectly modified in such a manner as to impair adversely Outstanding Bonds or obligations of the City under the Bond Legislation or any Related Documents, unless the Bonds or obligations have been discharged in full or provision has been fully made therefor.

SECTION 26. REPRESENTATIONS AND WARRANTIES OF THE CITY. The City represents and warrants that:

(A) HOME RULE POWER; EXISTENCE. The City has Home Rule Powers and has been validly created and is operating under the laws of the State and the City's Charter.

(C) EXECUTION AUTHORIZED. The execution and delivery of the Related Documents and use of the disclosure documents for the Bonds and the issuance and sale of the Bonds shall be duly authorized by the Council and, no further authorization or approval of such execution, use, delivery, issuance or sale is required by law.

(D) ENFORCEABILITY OF BONDS. The Bonds, when issued, delivered and paid for, shall constitute valid and binding special, limited obligations of the City enforceable in accordance with their terms and entitled to the benefits and security of the Bond Legislation, subject to the limitations contained in the Bond Legislation and subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and the enforceability of indemnification provisions and except to the extent that the enforceability thereof may be limited by the availability of equitable remedies.

(E) ENFORCEABILITY OF RELATED DOCUMENTS. The Related Documents, when executed and delivered by the City shall constitute valid and binding special limited obligations of the City enforceable in accordance with their terms, subject to any applicable bankruptcy, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and the enforceability of indemnification provisions except to the extent that the enforceability thereof may be limited by the availability of equitable remedies.

(F) NO CONFLICT. The execution and delivery of the Related Documents, Bonds and the other agreements contemplated by the Bond Legislation and compliance with the provisions thereof, shall not conflict with nor constitute on the part of the City a breach of or a default under any existing law, court or administrative regulation, decree, order or, to the knowledge of the City, any agreement, indenture, mortgage or lease to which the City is a party or by which it is or may be bound.

(G) OTHER LIENS. Other than as described and identified by the Bond Legislation, there are no liens or encumbrances of any nature on or against the Pledged Revenues on the date of adoption of the Bond Legislation.

SECTION 27. TAX COMPLIANCE. The City covenants that it shall use, and shall restrict the use and investment of, the proceeds of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes in such manner and to such extent as may be necessary so that (a) any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes shall not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Code, or (ii) be treated

other than as bonds to which Section 103(a) of the Code applies, and (b) the interest thereon shall not be treated as a preference item under Section 57 of the Code. The City further covenants (a) that it shall take or cause to be taken such actions that may be required of it for the interest on any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes to be and to remain excluded from gross income for federal income tax purposes, (b) that it shall not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, shall, among other acts of compliance, (i) apply the proceeds of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes to the governmental purposes of the borrowings, (ii) restrict the yield on investment property, (iii) make timely and adequate rebate payments or payments of alternative amounts in lieu of rebate to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

Authorized Officers are authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code for the purpose of assuring, enhancing or protecting favorable tax treatment or status of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes or interest thereon or assisting in the compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross in come for federal income tax purposes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcripts of the proceedings for any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax

treatment of the interest on and the tax status of any series of Bonds intended by the City to be issued as bonds the interest on which will not be included as gross income for federal income tax purposes.

SECTION 28. EVENTS OF DEFAULT. Each of the following events is an "Event of Default":

(A) NONPAYMENT OF PRINCIPAL. As to any series of Bonds, failure to pay the principal of that series of Bonds when the same becomes due and payable, either at maturity, or by proceedings for prior redemption, or otherwise.

(B) NONPAYMENT OF INTEREST. As to any series of Bonds, failure to pay any installment of interest on that series of Bonds on the due date thereof.

(C) INCAPABLE TO PERFORM. The City shall for any reason be rendered incapable of performing its obligations under the Bond Ordinance or the Sale Resolution.

(D) DEFAULT OF ANY OTHER PROVISION. Default by the City in the due and punctual performance of its covenants or conditions, agreements and provisions contained in any series of Bonds or in the Bond Ordinance or the applicable Sale Resolution on its part to be performed, and the continuance of such default (other than a default set forth in Sections 28.(A), 28.(B) or 28.(C)) for 60 days after written notice specifying such default and requiring the same to be remedied has been given to the City by the Owners of 25% in aggregate principal amount of that series of Bonds then Outstanding.

SECTION 29. REMEDIES UPON DEFAULT.

(A) REMEDIES UPON DEFAULT. Upon the happening and during the continuance of any Event of Default relating to a series of Bonds: the Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding affected by the Event of Default, including but not limited to a trustee or trustees therefor may proceed against the City to:

(1) protect and enforce the rights of the Owners by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained in the Bond Legislation or for the enforcement of any proper legal or equitable remedy as those Owners may deem necessary or desirable to protect and enforce their respective rights;

(2) enjoin any act or thing which may be unlawful or in violation of any right of any Owner;

(3) require the Council to act as if it were the trustee of an express trust; and

(4) any combination of those remedies.

All proceedings shall be instituted and maintained for the equal benefit of all Owners of the Bonds then Outstanding. The failure of an Owner to exercise any right granted by this Section 29 shall not relieve the City of any obligation to perform any duty. Each right or privilege of any such Owner (or trustee or receiver therefor) is in addition and cumulative to any other right or privilege and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege of such

Owner.

(B) GENERAL. No remedy in the Bond Legislation is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given under the Bond Legislation or now or hereafter existing at law or in equity or by statute.

All rights, remedies and powers provided by the Bond Legislation may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law and all the provisions relating to an Event of Default or the exercise of remedies upon the occurrence of an Event of Default are intended to be subject to all applicable provisions of law which may be controlling and to be limited to the extent necessary so that they shall not render the Bond Legislation invalid or unenforceable under the provisions of any applicable law.

SECTION 30. APPLICATION OF MONEY. All money received with respect to any right given or action taken under the provisions of the Bond Legislation after the occurrence, and during the continuance, of an Event of Default with respect to the Bonds, except as otherwise specified in the Bond Legislation, after payment of the costs, fees and expenses of the proceedings resulting in the collection of such money, shall be deposited in the applicable account of the Debt Service Fund and applied to the payment of the applicable series of the Bonds in accordance with the terms and provisions of Section 19.

Whenever money is to be applied pursuant to the provisions of this Section 30, it shall be applied at such times, and from time to time, as the Paying Agent determines, having due regard to the amount of money available for application and the likelihood of additional money becoming available in the future. Whenever the Paying Agent determines to apply such money, the Paying Agent shall fix a Special Record Date and the date (which shall be an Interest Payment Date unless the Paying Agent deems another date more suitable) upon which payment is to be made and on such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Paying Agent shall give notice to the Owners of the deposit of any such money and of the fixing of any such date, and shall not be required to make payment of principal to the Owner of any Bonds until presented to the Paying Agent for appropriate endorsement or for cancellation if fully paid.

SECTION 31. DUTIES UPON DEFAULT; RIGHTS CONFERRED. Upon the happening and during the continuance of any Event of Default, the City will do and perform all proper acts on behalf and for the Owners to protect and preserve the security created for the payment of the Bonds and any Payment Obligations and to insure the payment of the Debt Service Requirements promptly as the same become due. The Owners of not less than 25% in aggregate principal amount of Outstanding series of Bonds, after written demand, may proceed to protect and enforce the rights provided by this Section 31.

SECTION 32. DEFEASANCE. If, when a series of Bonds become due and payable in accordance with their terms or otherwise as provided in the Bond Legislation and the entire amount of the principal of, premium, if any, and interest due and payable on all of that series of Bonds is paid or if provisions are made for the payment thereof when due and payable, and all other sums payable under the Bond Legislation are

paid, then all covenants, agreements and other obligations of the City to the Owners shall cease, terminate and become void and be discharged and satisfied. However, the covenants of the Bond Legislation relating to the rebate requirements of Section 148(f) of the Code shall survive until all applicable requirements have been satisfied.

(1) When all principal, interest and prior redemption premium, if any, in connection with any Bond has been duly paid or provided for, the pledge and lien of the Bond Legislation, and all obligations hereunder (except as provided in Section 33), shall be discharged with respect to that Bond and that Bond shall no longer be deemed to be Outstanding within the meaning of the Bond Legislation. There shall be deemed to be such due payment or to be adequate provisions for the prompt and complete payment of a Bond when the City has placed in escrow and in trust with a commercial bank or trust company located within or without the State and exercising trust powers, an amount sufficient (including the known minimum yield from Defeasance Obligations in which such amount may be initially invested) to meet all requirements of principal, interest and prior redemption premium, if any, on that Bond as the same become due to its final maturity or upon the designated prior redemption date. The Defeasance Obligations shall become due prior to the respective times at which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and such bank or trust company (at the time of the creation of the escrow, or the Defeasance Obligations shall be subject to redemption at the option of the owners thereof to assure such availability as so needed to meet such schedule.
