#### DESIGNATING EL VADO MOTEL A CITY OF ALBUQUERQUE LANDMARK.

WHEREAS, the district court remanded the El Vado Motel landmark proceedings to the

Landmarks and Urban Conversation Commission for new proceedings on the October 5, 2005 application to designate the El Vado Motel as a city landmark.

**BE IT ORDAINED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE:**

**Section 1. INTENT.**

(1) Has historic significance rooted in its architecture and associations with automobile tourism on U.S. Highway 66;

(2) Portrays the environment of a group of people (lodging operators and automobile tourists) in an era of history (Late Depression/World War II/Post-War Period) characterized by a distinctive architectural style (Spanish-Pueblo Revival);

(3) Embodies the distinctive characteristics of a type and method of construction; that being an automobile tourist court consisting of stuccoed adobe bearing walls with timber roof beams and wood decking/ceiling and including a multicolor, luminous tube (neon) image on a painted metal sign;

(4) Was listed in the State Register of Cultural Properties and National Register of Historic Places in 1993; and

(5) Its preservation is critical because of its relationship to already designated landmarks.

(C) Significant features of El Vado Motel identified by the Landmarks and Urban Conservation Commission as being worthy of preservation:

(1) All three buildings in the complex;

(2) Spanish-Pueblo Revival styling in the form of buttressed walls with curvilinear parapets, projecting vigas, wood posts and beams, and doors and windows recessed in the adobe bearing walls;

(3) The court space between the buildings and its openness to Central Avenue;

- (4) The El Vado Motel pole sign at the Central Avenue frontage;**
- (5) The pattern and proportion of (window and door) openings in exterior walls facing public streets;**

**(D) In addition to the preservation of distinctive features set forth in subsection (C), the following guidelines should be adopted:**

Carports may be enclosed to increase heated space, provided that their original openings remain evident and at least one carport remains open for historic interpretation purposes.**
- (2) The court between existing buildings should remain open to public view from Central Ave. and new construction should further define the court and not destroy historic material, features or spatial relations that define the property.**
