RESOLUTION

Declaring The City Of Albuquerque's Commitment To Develop A Cooperative Partnership With

Albuquerque Public Schools For The Purpose Of Cooperative Transportation Planning For The Benefit Of The Citizens Of The Albuquerque Metropolitan Area (Benton)
DECLARING THE CITY OF ALBUQUERQUE'S COMMITMENT TO DEVELOP A COOPERATIVE PARTNERSHIP WITH ALBUQUERQUE PUBLIC SCHOOLS FOR THE PURPOSE OF COOPERATIVE TRANSPORTATION PLANNING FOR THE BENEFIT OF THE CITIZENS OF THE ALBUQUERQUE METROPOLITAN AREA.

WHEREAS, Albuquerque Public Schools ("APS") is the largest school district in the State with nearly 90,000 students attending 139 schools, and over 14,000 teachers and employees; and
WHEREAS, a majority of APS schools and facilities are located within the municipal limits of the City of Albuquerque; and

WHEREAS, APS schools and facilities are generally not subject to the jurisdiction of the City's on-site land use and development regulations; and

WHEREAS, given its number of facilities, students and employees, APS schools and facilities present broad off-site community impacts in the form of traffic safety issues, congestion, and land use compatibility issues; and

WHEREAS, present and future impacts associated with APS schools and facilities can be proactively addressed if cooperative planning takes place and an enhanced, constructive working relationship is established between the City and APS; and

WHEREAS, a healthy partnership between APS and the City can result in more efficient delivery of services and the ability of faculty, staff and students to access APS schools and facilities while protecting community values and avoiding conflicts.

BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE:

Section 1. The City of Albuquerque desires to engage APS in developing a joint task force through a formal agreement in order to create a vehicle for a meaningful partnership and consultation to address transportation and land use impacts associated with new or altered APS schools or facilities. The City shall provide staff and resources from the Department of Municipal Development, Planning Department, and Council Services to work in collaboration with APS to determine the steps and means necessary in order to proceed to develop a healthy and productive working relationship between these entities.
