## ORDINANCE

F/S Adopting A New Article In Chapter 14 ROA 1994, Zoning, Planning And Building, To Be Known As The "Vacant Commercial Buildings Ordinance." (Harris, Davis)

SECTION 1. A new article §14-20 of ROA 1994 is hereby adopted as follows:

§14-20-1 SHORT TITLE.

SECTION §14-20 ROA 1994 shall be known and cited as the "Vacant Commercial Buildings Ordinance".

§ 14-20-2 APPLICABILITY.

This Article applies to non-residential buildings as defined by subparagraph 14-20-4, definition.

§ 14-20-3 INTENT AND PURPOSES

The intent of Article §14-20 et seq. is to provide minimum standards to prevent neighborhood blight that can negatively affect economic development and surrounding property values by establishing basic maintenance standards for vacant commercial buildings and surrounding property.

§ 14-20-4 DEFINITIONS.

VACANT COMMERCIAL BUILDING: For purposes of this Section, any non-residential building which, for any twelve consecutive month period, is not lawfully occupied to at least 50% of total occupiable square footage, or 65% of total units for buildings divided into permanently separated units. Occupancy shall be determined by the presence of furniture, equipment, inventory and human resources necessary to conduct business operations. Buildings which are on the National Register of Historic Places, have been designated as Contributing Properties to a Historic District on the National Register of Historic Places, or have been designated by the City as City Landmarks are exempt from the requirements of this ordinance.

§ 14-20-5 GENERAL PROVISIONS.

A. The owner or party otherwise responsible for a vacant commercial building by way of lawful tenancy, management or otherwise shall:

1. Register the building with the Planning Department through forms provided within 30 days of becoming a vacant commercial building as defined by this section, and reregister annually thereafter for any building that remains a vacant commercial building. The registration form shall at a minimum require a description of the location and address of the

building, and the name, street address and telephone number of the building owner, or of a natural person 21 years of age or older with a physical address located within Bernalillo County, designated by the owner or owners as the authorized agent for receiving notices or process on behalf of the owner(s) for purposes of notifications under this section. The Planning Department shall collect a registration fee of \$200 for each initial registration, and \$50 for the required annual reregistration;

2. Remove any accumulation of weeds, combustible waste, or refuse from the property;

3. Secure any loose building components such as gutters or roofing materials, and secure all doors, windows, and other openings to prevent unauthorized entry. If boards are affixed for purposes of security or maintenance, they must be painted to closely match building exterior colors and maintained so as to remain secure;

4. Post signs prohibiting trespassing or limiting entry to authorized personnel on at least one building façade and at each pedestrian or vehicle entry point.

5. Remove significant pieces of peeling or flaking paint or stucco, and repaint such areas to closely match existing color, and repair holes or breaks that appear to affect more than 5% of the building façade;

6. Replace dead landscape material as expeditiously as possible;

7. Keep all free-standing signs on the property in a state of good repair or otherwise have them removed. In addition to any other appropriate maintenance, at a minimum, good repair requires removal and replacement of any significant portions of peeling or flaking paint or finish that affects more than 5% of a surface that can be viewed from a public right-of-way, and replacement or covering of missing elements that expose internal structure or lighting components;

8. Maintain and keep all existing or required outdoor lighting operational; and

9. Maintain parking lots to be level and serviceable.
