The Mayor may submit a revised ROA to the City Council if an ROA is not approved.

(10) If the ROA for an RFP has been approved by the City Council, the contract resulting from that RFP and any supplements to that contract will not require an additional approval by the City Council on the condition that the amounts of the contract and contract scope were identified in the executive communication or any related documents presented to City Council for approval. Any supplement to a contract resulting from an RFP previously approved by the City Council shall require additional approval by the City Council if the contract is increased by over 20% of the amount previously identified, or the supplement changes the scope of services related to the management or operations of a City facility.

(11) Prior to City Council approval, but after the ROA has been initially approved, negotiations may be conducted with the recommended offeror, or offerors if multiple contracts will be awarded. If negotiations are unsuccessful, as determined by the Chief Procurement Officer, negotiations may be conducted with the next offeror or offerors identified in the ROA.

(12) An RFP for the City Council shall be subject to the provisions of this article, with the exception that proposals submitted shall be evaluated and recommended for award by an ad hoc advisory committee appointed by the Director of Council Services, and the ROA shall be approved by the City Council without the Mayor's approval."

The Chief Procurement Officer or designee shall conduct negotiations, as appropriate, as to

price, delivery and quantity in order to obtain the price most advantageous to the city. Any qualified potential contractor may protest an intent to award a sole source procurement exceeding \$75,000 within 30 calendar days after the sole source procurement is posted to the ABQ View Website.
