WHEREAS, the City's Neighborhood Association Recognition Ordinance (NARO) provides a vehicle for the City to recognize neighborhood associations for the purpose of notifying associations about proposed City actions that may impact their neighborhood; and

WHEREAS, the provisions of the NARO do not have the scope or enforceability mechanisms to prevent the formation of new neighborhood associations that may create discord within the community and divide neighborhoods, which is contrary to the intent of the program; and

WHEREAS, R-17-233, Enactment Number R-2017-095, was approved by the Council on October 12, 2017 for the purpose of temporarily halting the formation of new recognized or non-recognized neighborhood associations with overlapping boundaries while the city evaluated the existing NARO and potential amendments thereto; and

WHEREAS, R-17-233, Enactment Number R-2017-095, and the associated temporary halt on the formation of new associations expires on July 1, 2020; and

WHEREAS, the temporary halt of new recognized or non-recognized neighborhood associations may limit associations in areas where coalitions are the only association and their bylaws may restrict participation; and

WHEREAS, the Office of Neighborhood Coordination is still in the process of working toward an improved NARO and need additional time to complete this process; and

WHEREAS, new recognized and non-recognized associations should be allowed to form under certain circumstances during the update process; and

WHEREAS, in order to grant such additional time, the expiration date of R-17-233, Enactment Number R-2017-095 needs to be extended.
