REQUIRING EMPLOYERS TO PROVIDE AND REQUIRE FACE MASKS FOR EMPLOYEES; REQUIRING NOTICE THAT EMPLOYEES, CUSTOMERS AND THIRD PARTIES MUST WEAR FACE MASKS.

WHEREAS, on March 11, 2020, Governor Michelle Lujan Grisham issued Executive Order 2020-004, Order Declaring a State of Public Health Emergency relating to the spread of COVID-19; and

WHEREAS, the latest amendments to the COVID-19 Public Health Order issued by Governor Lujan Grisham allow certain businesses to open at partial capacity, while following the social distancing and preventative measures summarized in the publication “All Together New Mexico, COVID-safe Practices for Individuals and Employers”; and

WHEREAS, one of the preventative measures identified in the most recent public health order of June 1, 2020, states that “[u]nless a healthcare provider instructs otherwise, all individuals shall wear a mask or multilayer cloth face covering in public settings except when eating, drinking, or exercising” which requirement extends to employees performing services for their employers; and

WHEREAS, even though this preventative measure instructs employers to have their employees wear face coverings, it does not instruct employers to provide their employees with face coverings and at no cost, or to post notice to the public; and

WHEREAS, the gap in these instructions and their enforcement leaves employees at risk of not having the supplies necessary to safely perform their duties in compliance with public health orders; and

WHEREAS, the spread of COVID-19 endangers life and property to such extent that extraordinary measures must be taken to protect the public health, safety, and welfare; and

WHEREAS, the City of Albuquerque faces the continuing threat of the spread of COVID-19 and damage caused by COVID-19 until the pandemic subsides and unless the City takes proactive measures to prevent or control the spread of the virus; and

WHEREAS, the City of Albuquerque faces the continuing threat of untold damage to public health thereby perpetuating an uncertain financial burden; and

WHEREAS, the health and safety of the public are only possible during the COVID-19 pandemic because employees continue to work in difficult situations; and

WHEREAS, this requirement would apply to all employers located within City limits with employees not telecommuting; and

WHEREAS, the City Council adopted Resolution R-20-64 on June 15, 2020 which adjusted

City of Albuquerque Fiscal Year 2020 Appropriations to provide small businesses with face coverings to implement Public Health Emergency Guidelines Related to the COVID-19; and

WHEREAS, enacting this Resolution would complement the City's Fiscal Year 2020 Appropriations Adjustment and ensure the proper implementation of both bills in a way that contributes to the health, safety, and general welfare of employers, employees, and customers of the City of Albuquerque.
