WHEREAS, the Albuquerque Economic Development Department, in partnership with the Minority Business Development Agency, will develop and operate an MBDA Business Center to support Minority Business Enterprise in Albuquerque, in the state, and across the United States; and

WHEREAS, strong empirical evidence shows that promotion of Diversity, Equity, and Inclusion is an effective strategy for improving profitability, creativity, governance, and problem-solving outcomes in the private sector; and

WHEREAS, under the leadership of Mayor Keller, the Albuquerque Economic Development Department has committed to a strategy that includes growth of local businesses, shifting more of the City's purchasing to Minority Business Enterprises; and

WHEREAS, the Department of Commerce Minority Business Development Agency promotes the growth of minority-owned businesses through public and private sector programs, policy, and research, operating through a national network of MBDA Business Centers; and

WHEREAS, development of an MBDA New Mexico Business Center would allow Albuquerque Economic Development Department access to resources provided by the Minority Business Development Agency; and

WHEREAS, the City applied for \$300,000 from the Department of Commerce Minority Business Development Agency; and

WHEREAS, the grant funding, as awarded, would be dispersed over one year, beginning September 1, 2020 and ending August 31, 2021.
