I am submitting for your advice and consent the following name for appointment to the Water Protection Advisory Board in accordance with the City of Albuquerque Ordinance 2-6-8-4.

**APPOINTEE NAME****TERM** Ms. Camilla Feibelman

August 17, 2024 Albuquerque, NM 87106 Camilla Feibelman serves as Director of the Rio Grande Chapter of Sierra Club, which represents over 10,000 members. Camilla works with hundreds of volunteers throughout New Mexico and West Texas to protect special places like the Organ Mountains-Desert Peaks and Albuquerque's Rio Grande Bosque, and to help curb global warming while stimulating the economy through renewable energy development. Feibelman was appointed by President Obama and confirmed by the Senate as a Trustee on the Morris K. Udall and Stewart L. Udall Foundation in 2014. Camilla directed the Sierra Student Coalition, the national student arm of the Sierra Club. She facilitated the founding of campus environmental groups throughout the country. As a Fulbright scholar, Camilla spent a year living in the Peruvian Amazon, studying the urbanization of the rainforest and its impacts on natural resource use. She worked with colleagues to carry out a conflict mediation workshop between urban and rural fishermen, who were at odds because of diverging traditional and federal rules regarding fisheries management.
