RESOLUTION

Approving The Transit Department's 2022 Updated Public Transit Agency Safety Plan (Peña)  
APPROVING THE TRANSIT DEPARTMENT'S 2022 UPDATED PUBLIC TRANSIT AGENCY  
SAFETY PLAN.

WHEREAS, the Public Transportation Agency Safety Plan (PTASP) final rule (49 C.F.R. Part

673) of the Federal Transit Administration (FTA) requires certain operators of public transportation systems that are recipients or sub-recipients of FTA grant funds to develop safety plans that include the processes and procedures necessary for implementing Safety Management Systems (SMS); and

WHEREAS, as a recipient of FTA funds and meeting the applicability standards of the regulation, the Transit Department complied with the requirements of this regulation by developing a PTASP by July 20, 2020; and

WHEREAS, the rule requires that the Transit Department review the PTASP annually and make updates as needed; and

WHEREAS, the Transit Department has conducted that review after this second year of implementation and found a need to make several minor changes to the plan; and

WHEREAS, the federal Bipartisan Infrastructure Law made changes to the PTASP requirements in 49 U.S.C. Sec. 5329(d) that necessitated a minor update to the Transit Department's PTASP; and

WHEREAS, the Transit Department is required to submit its updated PTASP to its governing entity for approval; and

WHEREAS, the Council has considered and determined to approve the department's PTASP as set forth in the attached Exhibit A entitled "City of Albuquerque 2022 Public Transportation Agency Safety Plan."

BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE:

Section 1. That the Public Transit Agency Safety Plan as set forth in the attached Exhibit A entitled "City of Albuquerque 2022 Public Transportation Agency Safety Plan" is approved.
