AUTHORIZING THE ACCEPTANCE OF FUNDS FROM THE STATE OF NEW MEXICO AND APPROPRIATING FUNDING FOR SPECIFIC HOMELESS SERVICES PROGRAMS AND FACILITY IMPROVEMENTS AND TO A SPECIFIC AFFORDABLE HOUSING PROJECT.

WHEREAS, following the 2025 Legislative Session, the Governor of the State of New Mexico signed into law HB2, which, in part, appropriated $110,000,000 to “support housing, affordable housing, transitional housing and the expansion of housing services providers that facilitate behavioral health services and substance abuse recovery, homelessness assistance and prevention for persons with behavioral health needs;” and

WHEREAS, in 2024, the Governor signed into law HB2 (2024), which, in part, appropriated state GRO Fund money “for Statewide Homeless Initiatives;” and

WHEREAS, the City has been in communication with the State of New Mexico Department of Workforce Solution regarding an agreement for use of a portion of these funds; and

WHEREAS, the Young Adult Housing and Treatment Navigation Center will provide 41 beds specifically for unsheltered, vulnerable transition-aged youth, and will offer critical overnight housing, safety, case management, and supportive services tailored to meet the unique needs of young adults experiencing homelessness; and

WHEREAS, the Men’s Housing and Treatment Navigation Center at the Gateway Center provides 42 beds for short-term shelter and intensive support to 42 men at a time experiencing homelessness who are ready to transition into permanent housing, in which participants receive help with vital documents, housing applications, and referrals to treatment and health services, all in a trauma-informed setting, and is a program is critical to reducing time spent in shelters or on the streets by helping individuals move quickly and successfully into stable housing; and

WHEREAS, the Expanded Men’s Housing and Treatment Navigation Center at the Gateway Center provides short-term shelter and intensive support to an additional 50 men experiencing homelessness who are ready to transition into permanent housing, in which participants receive help with vital documents, housing applications, and referrals to treatment and health services, all in a trauma-informed setting, and is a program critical to reducing time spent in shelters or on the streets by helping individuals move quickly and successfully into stable housing; and

WHEREAS, the Expanded Women’s Housing Navigation and Treatment Program at the Gateway Center offers safe, short-term shelter paired with individualized support to help an additional 50 women experiencing homelessness who are ready to transition into permanent housing, in which participants receive help with vital documents, housing applications, and

referrals to treatment and health services, all in a trauma-informed setting, and is a program is critical to reducing time spent in shelters or on the streets by helping individuals move quickly and successfully into stable housing; and

WHEREAS, the First Responder Receiving Area is designed to allow first responders to safely drop off individuals needing immediate care, and can accommodate short-term stays for up to 20 clients nightly, and will provide rapid stabilization, safety, and connection to ongoing supportive services, reducing strain on emergency resources; and

WHEREAS, the Medical Respite Facility is in need of partial roof replacement for sections of the roof that are beyond end of life; and

WHEREAS, Housing and Treatment Navigation Programs at Gateway Center have shared costs that benefit multiple programs; and

WHEREAS, Gateway West, serving up to 721 people nightly, is a critical piece of our City's emergency response infrastructure and a vital resource for connecting people to housing, healthcare, and stability; and

WHEREAS, final dorms at Gateway West require updates including the installation of new flooring, showers, restrooms, and lighting, as well as the addition of security cameras for enhanced safety; these improvements will help ensure the facility meets the needs of its residents and complies with modern standards of safety and accessibility; and

WHEREAS, on May 19, 2025, City Council approved EC-25-393 Recommendation of Award for medical sheltering and social support services, which requested authorization to establish agreements with Community Bridges Inc. for Gateway Men’s Housing Navigation services and First Responder Receiving Area services, as well as authorization to establish an agreement with Horizons Services, Inc. for Medical Sobering services; and
