BE IT ORDAINED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
ALBUQUERQUE:

Section 1. FINDINGS. The Council finds:

A. Pursuant to Section 60-2C-7 NMSA 1978, Permissible Fireworks, a municipality may regulate or prohibit the sale and use of fireworks known as aerial devices and ground audible devices.

B. Fireworks that are considered “safe and sane” are those that do not fly or explode. Aerial devices and ground audible devices are not “safe and sane” firework devices. Once ignited, aerial devices (aerial shell kit-reloadable tubes, aerial spinners, helicopters, mines, missile -type rockets, multiple tube devices, roman candles, shells, and stick-type rockets) take an unpredictable flight pattern, and pose a significant fire hazard to vegetation and structures. They also possess a considerable injury potential to the user and general public. Ground audible

devices (chasers and fire crackers) are disturbing to the public peace and possess a considerable injury potential to the user and general public.

C. Should the City experience a fire that burns out of control in the Bosque or other open space areas, the flora and fauna in those protected areas are at great risk of sustaining devastating loss and/or destruction.

D. Should the City experience a fire that burns out of control in populated areas, it may be necessary to evacuate and relocate affected residents.

E. The 4th of July weekend presents a greatly increased fire risk because of the widespread use of fireworks.

Section 2. PROHIBITIONS. The following acts are prohibited within the City of Albuquerque:

A. The sale and/or use of aerial devices within the municipal limits of Albuquerque. Aerial devices are defined as: aerial shell kit-reloadable tubes, aerial spinners, helicopters, mines, missile-type rockets, multiple tube devices, roman candles, shells, and stick-type rockets;

C. The use of any fireworks within Open Space Areas as defined in the Albuquerque Fire Restriction Ordinance, Sections 9-19-1 et seq. ROA 1994.

Section 6. SEVERABILITY CLAUSE. If any section, paragraph, sentence, clause, word or phrase of this ordinance is for any reason held to be invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this

ordinance. The Council hereby declares that it would have passed this ordinance and each section, paragraph, sentence, clause, word or phrase thereof irrespective of any provision being declared unconstitutional or otherwise invalid.
