WHEREAS, the Council, the Governing Body of the City of Albuquerque, has the authority to adopt and amend plans for the physical development of areas within the planning and platting jurisdiction of the City authorized by statute, Section 3-19-3, NMSA 1978, and by its home rule powers; and

WHEREAS, the Council has the authority to adopt, amend, or repeal such a sector development plan; and

WHEREAS, the City of Albuquerque adopted the Huning Highland Sector Development Plan in 1988; and

WHEREAS, the Huning Highland Sector Development Plan was amended in 2005 to establish

the SU-2/Corridor Revitalization Zone (SU-2/CRZ) for lots fronting Central Avenue and portions of Broadway Boulevard by the Council's adoption of F/S R-04-155 (Enactment No. R-2005-003); and

WHEREAS, the SU-2/CRZ zone was established with the stated goal of encouraging continued development of these corridors as viable residential and commercial area for the community; and

WHEREAS, the SU-2/CRZ zone stipulates that the sale of alcohol for on-premise consumption is limited to "Restaurant with full-service liquor for on-premise consumption, including microbrewery"; and

WHEREAS, proposals to establish such businesses in the Huning Highland Sector Development Plan's SU-2/CRZ zone area have been precluded by the regulations established by this zone; and

WHEREAS, the Huning Highland Sector Development Plan also establishes specific regulations for the sale of alcohol for off-premise consumption, limiting such establishments to full-service grocery stores; and

WHEREAS, the record for F/S R-04-155 and similar zoning amendments in other areas suggests that this prohibition was intended to address community concerns about the impacts of packaged liquor sales and, in particular, the sale of miniature bottles and fortified liquors; and

WHEREAS, certain establishments in the Huning Highland area have expressed a desire to sell locally-produced alcoholic beverages for off-premise consumption; and

WHEREAS, the New Mexico state statute that defines "Small brewer's license" (60-6A-26.1 NMSA 1978) authorizes one to whom a small brewer's license is issued to sell beer in unbroken packages for consumption off premises; and

WHEREAS, the New Mexico state statute that defines "Winegrower's license" (60-6A-11 NMSA 1978) authorizes one to whom a winegrower's license is issued to sell wine in unbroken packages for consumption off premises; and

WHEREAS, allowing an opportunity for small brewers and winegrowers to sell their products

for off-premise consumption, subject to certain restrictions and procedures, is consistent with the Huning Highland Sector Development Plan.
