The enforcement authority may impose additional requirements to protect against health hazards related to the conduct of the food-service establishment as a mobile operation, may prohibit the sale of some or all potentially hazardous food, and when no health hazard will result, may waive or modify requirements of this part relating to physical facilities, except those requirements of divisions (A)(4), (A)(5), (B)(1), (C)(1), and (C)(2) below.

(b) The name and address of any person transporting food for retail or wholesale shall be legibly painted or permanently affixed in letters no less than three inches high by one-half inch wide on each side of all transportation vehicles operated by such person. The transportation of food in passenger automobiles or pick-up trucks is prohibited. All food transportation shall be in enclosed van-type vehicles.

(2) **Restricted Operation.** Mobile food units and/or pushcarts that serve only food that is prepackaged in individual servings, transported and stored under conditions meeting the requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq., or beverages that are not potentially hazardous and are dispensed from individual sealed containers need not comply with requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. pertaining to the necessity of water and sewage systems nor to those requirements pertaining to the cleaning and sanitization of equipment and utensils if the required equipment for cleaning and sanitization exists at its commissary. (A) *Inspection Frequency.* The enforcement authority shall determine the frequency of inspections according to past compliance record of a food establishment and the risk presented to consumers by the menu items provided by the specific food establishment. The enforcement authority shall inspect each establishment at least twice annually and shall make reinspections as often as necessary for the enforcement of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq.

(B) *Access to Establishments.* The enforcement authority, after proper identification, shall be permitted to enter, at any reasonable time, any food establishment within the city, for the purpose of making inspections to determine compliance with §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. The operator or person in charge of the establishment shall be given an opportunity to accompany the enforcement authority during the inspection. The enforcement authority shall be permitted to examine the records of the establishment to obtain pertinent information related to food source and supplies purchased, received or used, and list of persons employed.

(C) *Report of Inspections.* Whenever an inspection of a food

establishment is made, the findings shall be recorded on an Enforcement Authority Inspection Form. The Inspection Form Report shall summarize the requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. The original copy of the Inspection Form Report shall be furnished to the person in charge of the establishment as soon as possible after the inspection. The inspection form shall be signed by both the enforcement authority and the person in charge. The completed Inspection Form Report is a public document that shall be made available for public disclosure at the enforcement authority's office to any person who requests it.

(D) *Correction of Violations.*

(1) The Inspection Form Report shall specify a specific and reasonable period of time for the correction of the violations found. Correction of the violations shall be accomplished within the period specified.

(a) If an imminent health hazard exists, such as complete lack of refrigeration or sewage back-up into the establishment, the establishment shall immediately cease operations. Operations shall not be resumed until authorized by the enforcement authority.

(b) In the case of temporary food-service establishments, all violations shall be corrected within a time period as specified by the enforcement authority. If the violations are not so corrected, the establishment shall immediately cease food-service operation.

(c) The Inspection Form Report shall state that failure to comply with any time limits for correction will require that the establishment be downgraded.

(d) Whenever a food establishment is required under the provisions of this division (D) to cease operations, it shall not resume operations until such time as a reinspection determines that conditions responsible for the requirements to cease operations no longer exist. A reinspection shall be made within three working days following the day on which it is requested.

(E) *Service of Notice.* Notices provided for under this division shall be deemed to have been properly served when the original of the Inspection Form Report or other written notice has been delivered personally to the permit holder or person in charge, or such notice has been sent by registered or certified mail, return receipt requested, to the last known address of the permit holder. A copy of such notice shall be filed with the records of the enforcement authority.

(F) *Grading of Establishments.* Every food establishment in the city

shall display, in a conspicuous location designated by the enforcement authority, and which is readily visible to the public, a placard stating the grade received at the time of the most recent inspection of the establishment. Grades of establishments shall be as follows:

(1) **Approved.** An establishment that is operated in compliance with the requirements of §§ 9-6-1-1
<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. as determined by the enforcement authority.

(2) **Unsatisfactory.** An establishment that is not operated in compliance with the requirements of §§ 9-6-1-1
<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. as determined by the enforcement authority. "Unsatisfactory" is a temporary grade with a maximum duration of five working days. The permit holder must take appropriate corrective actions within the five working day period to avoid permit suspension. Upon completion of the corrective actions and within the five working day period, the permit holder may request a reinspection to determine if the appropriate corrective actions result in a grade of "Approved." The enforcement authority shall re-inspect within five working days of receipt of a request for reinspection and upgrade the establishment if appropriate. Failure to meet the standards for a grade of Approved within this period of time shall lead to immediate suspension of the establishment's operating permit. The permit holder of an establishment with a suspended permit, upon correcting all existing violations, may request, and provide proof of payment for, a second reinspection to determine compliance with §§ 9-6-1-1

<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. The enforcement authority shall reinspect within five working days of receipt of a request for the second reinspection and upgrade the establishment if appropriate. Failure to meet the standards for a grade of Approved within this period of time shall result in the establishment remaining on permit

suspension status, and lead to further enforcement action. Operating an establishment without a permit or under a suspended permit is subject to the penalty provisions of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. The enforcement authority may require the food establishment operator, person in charge, or other employees to attend approved food safety training.

§ 9-6-1-8 COMPLIANCE PROCEDURES.

(A) **Permits.** It shall be unlawful for any person to operate a food establishment within the city who does not possess a valid permit issued for that food establishment by the enforcement authority. Such permit shall be posted in a conspicuous location, and only such persons who comply with the requirements of §§ 9-6-1-1

<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. and other applicable laws, regulations, and ordinances shall receive and retain such permit. Permits shall not be transferable from one person to another person or establishment. Separate permits are required for food processing establishments and food processing establishments-cannabis. Separate permits are required for food service establishments and food service establishments-cannabis. Permits for temporary food-service establishments shall be issued for a period of time not to exceed two weeks, to a

specific person for a specific location and shall be issued only for specific special events.

(B) *Issuance of Permits.* The enforcement authority shall be contacted at least five working days prior to the anticipated opening date of the establishment for an inspection to determine compliance with the provisions of §§ 9-6-1-1

<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. When the inspection reveals that the requirements of §§ 9-6-1-1

<https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. and other applicable laws, regulations and ordinances have been met, a permit application is issued. The applicant shall remit payment for the permit within five days of the enforcement authority's approval of the application. If an applicant fails to pay after thirty days following the enforcement authority's approval of the application, the enforcement authority may cancel the application. A permit will be issued after compliance.

(C) *Denial of Permit.* The enforcement authority may refuse to issue a permit to any person who fails to demonstrate, to the satisfaction of the enforcement authority, the ability to comply with or who fails to comply with the requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. and other laws, regulations and ordinances applicable to the proposed operation. In the event the enforcement authority denies a permit, the enforcement authority shall notify the applicant in writing, stating the reasons for which the permit application is denied.

(1) *Service of Notices.* Notices provided for under this ordinance shall be deemed to have been properly served when the original of the inspection report form or other written notice has been delivered personally to the permit applicant, or such notice has been sent by registered or certified mail, return receipt requested, to the last known address of the permit applicant. A copy of such notice shall be filed with the records of the enforcement authority.

(2) An opportunity for a hearing will be provided if a written request for hearing is filed with the City Clerk's office within fifteen working days. A hearing shall be granted in accordance with the provisions in the IHO Ordinance, ROA 1994, Chapter 2, Article 7, Part 8.

(D) *Suspension of Permits.*

(1) Permits may be suspended by the enforcement authority for:

(a) Failure of the holder to comply with the requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482> et seq. or of other applicable laws, regulations or ordinances.

(b) An establishment's operating permit shall be immediately suspended in lieu of a third downgrading during any 36-month period under the same permit.

(c) Whenever a permit holder or operator has failed to comply with corrective actions required by the enforcement authority pursuant to the requirements of §§ 9-6-1-1 <https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482>

et seq. or of other applicable laws, regulations or ordinances.

(2) The permit holder or operator shall be notified in writing that the permit is immediately suspended. A hearing in accordance with this section shall be granted upon written request to the enforcement authority, if request is made within five working days of notice of suspended permit. The hearing shall be scheduled within five working days following receipt of the written request by the enforcement authority.

(3) Notwithstanding the other provisions of §§ 9-6-1-1 [et seq.](https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482), whenever the enforcement authority finds an imminent health hazard or other conditions in the operation of a food establishment which, in its judgment, constitute a substantial hazard to the public health, the enforcement authority may without any prior warning, notice, or hearing, issue a written notice to the permit holder or operator citing such condition, specifying the corrective action to be taken, and specifying the time period within which action shall be taken; and, if deemed necessary, such order shall state that the permit is immediately suspended and all food-service or food processing operations are to be immediately discontinued. Any person to whom such an order is issued shall comply immediately therewith. An opportunity for a hearing in accordance with this section shall be provided if a written request for a hearing is filed with the enforcement authority by the permit holder within five working days of such order. The hearing shall be scheduled within five working days following receipt of the written request by the enforcement authority.

(E) *Reinstatement of Suspended Permits.* Any person whose permit has been suspended may at any time make application for a reinspection for the purpose of reinstatement of the permit. Within five working days following receipt of a written request for reinspection, the enforcement authority shall make a reinspection. If the enforcement authority deems that the permit holder complies with the requirements of §§ 9-6-1-1 [et seq.](https://codelibrary.amlegal.com/codes/albuquerque/latest/albuquerque_nm/0-0-0-11482) and other applicable laws, regulations, and ordinances, the permit shall be reinstated.
