1. **Scope of Services.** The Contractor shall provide the following legal representation and other legal services (hereinafter the "Services") in conjunction and association with the City Attorney in the following cases:
 - Stanley, Jennifer and John Willis v. City of Albuquerque; D-202-CV-2025-00022; PO-24-33511 (AH)
 - Jake Towner v. Albuquerque City of , et al.; D-202-CV-202410216; GL-23-34941 (RD) and

2. **Term of Agreement.** Services of the Contractor shall commence July 1, 2025 and shall continue through June 30, 2026. The Services shall be undertaken and completed in such sequence as to assure their expeditious completion in light of the purposes of this Agreement.
3. **Compensation and Method of Payment.**

A. Compensation. The City agrees to pay the Contractor up to the amount of One Hundred Thousand and NO/100 Dollars (\$100,000.00), for Services performed (the "Compensation"), plus reimbursement of expenses as provided in Section 3.C. below and any applicable gross receipts tax on such amounts. The Compensation shall constitute full and complete compensation for the Contractor's Services under this Agreement.

B. Method of Payment. The Compensation shall be payable at the following rates for professional services, which rates are **exclusive of gross receipts tax**:

Attorney	\$250/hour
Associate	\$200/hour
Paralegal	\$100/hour

Any applicable gross receipts tax will be computed and added as a separate item to the billing.

C. Reimbursement of Expenses. The following necessary expenses incurred in connection with the Services provided hereunder shall be reimbursed, if approved by the City in advance and billed at actual cost: motel, hotel, car rental, taxi, or other accommodations or modes of transportation; computer research; expert witness fees; and long-distance telephone calls. Copies shall be billed at \$0.15 per page and mileage for approved in-state travel shall be billed at then current IRS mileage rates. Travel time shall be billed at no greater than one-half of the traveling party's hourly rate. The Contractor shall attach copies of all receipts, bills, statements and charges for which reimbursement is requested to its billing. Any applicable gross receipts taxes will be computed and added as a separate item to the billing.

D. Invoices and Payments. Compensation and expense reimbursements shall be paid to the Contractor monthly upon receipt by the City Legal Department of a properly documented invoice for payment as determined by the budgetary and fiscal guidelines of the City and in accordance with subsection E. below, and on the condition that the Contractor has accomplished the Services to the satisfaction of the City.

E. Time Records. The Contractor shall maintain detailed time records which set forth each service rendered in each matter, the person rendering such service, the hourly rate, the time expended in rendering such service, and the date such service was rendered. The City has the right to audit billings both before and after payment, to contest any billing or portion thereof. When the Contractor submits billings for payment pursuant to this Agreement, each billing will specify the amount billed for that reporting period and will indicate the total amount billed to that date under the terms of the Agreement.

F. Appropriations. Notwithstanding any other provisions in this Agreement, the terms of this Agreement are contingent upon the City Council of the City of Albuquerque making the appropriations necessary for the performance of this Agreement. If sufficient appropriations and authorizations are not made by the City Council, this Agreement may be terminated at the end of the City's then current fiscal year upon written notice given by the City to the Contractor. Such event shall not constitute an event of default. All payment obligations of the City and all of its interest in this Agreement will cease upon the date of termination. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final.

G. Responsibility to Monitor Contract Billing. Both Parties shall be responsible for assuring that the Contractor does not bill for Services in an amount exceeding the contract amount. The Contractor shall provide monthly ledger reports to the City Attorney identifying the total amount the Contractor has billed for Services under this Agreement. The required monthly ledger reports can be included in the Contractor's monthly invoice. If at any time the Contractor determines that payment for Services may exceed the contract amount, the Contractor shall notify the City Attorney's Office in writing.

4. Interest of Contractor.

A. The Contractor agrees that it presently has no direct or indirect interest and shall not acquire any direct or indirect interest which conflicts in any manner or degree with the performance of the Services required to be performed under this Agreement. The Contractor further agrees that no person having any such conflict of interest will be employed to perform the Services.

B. The Contractor hereby agrees to report to the City Attorney in writing, any situation in which the Contractor or a member of the Contractor's firm may be asserting a position contrary to that of the City. Such situations include but are not limited to instituting suit against the City, any of its employees or departments, regardless of whether a technical conflict exists under the Canons of Ethics or Disciplinary Rules or whether the subject matter of the litigation to be instituted is related to the Contractor's representation of the City under this Agreement.

C. Upon notification of such a conflict, the City Attorney will inform the Contractor in writing within ten (10) days of receipt of the notification, that the City will or declines to waive the potential conflict. If the conflict is waived, the Contractor or firm may proceed with representation in the conflict situation, informing the City Attorney should any relevant change of circumstances occur. If waiver of the conflict is denied, the Contractor is obligated under the provisions of this Agreement to cease its efforts in the conflict situation.

D. If the Contractor refuses to cease representation, or if the Contractor fails to notify the City of potential conflict, the City may terminate this Agreement upon one (1) day's notice. The Contractor agrees to compensate the City for any costs incurred by the City to obtain alternate representation, including but not limited to the cost of paying substitute counsel to become familiar with the case to a level at which the Contractor withdrew from representation and attorneys fees incurred by the City in obtaining the assistance of alternate counsel.

E. The City is entitled to withhold payment of the final billing submitted by the Contractor to cover the cost of obtaining substitute representation, as provided above. After securing alternate counsel, the City will provide a summary of costs incurred by this counsel and will pay any applicable amounts remaining due to the Contractor.

5. Records, Pleadings, and Case File. Records, pleadings, legal research, and the case file shall be sent to the City Attorney at the conclusion of the case. Highly confidential documents such as attorney notes and client correspondence need not be returned.

6. **Reports Required.** Within thirty (30) days after entering into this Agreement, the Contractor will provide the City Attorney with a brief analysis of the task to be undertaken and a plan for performing the tasks under the Agreement. With regard to the litigation, this will include an assessment of the relative merits of the parties' positions, and a litigation plan, including a proposed time schedule.

At the time of submission of any billing, the Contractor will also submit to the City Attorney a status report indicating the current status of the litigation or other project which is the subject of this Agreement, a summary of the activities undertaken for which the billing is being submitted, and a plan for future activities under the Agreement which the Contractor intends to perform during the next billing cycle.

7. **Audits and Inspections.** At any time during normal business hours and as often as the City may deem necessary, there shall be made available to the City for examination all of the Contractor's records with respect to all matters covered by this Agreement. The Contractor shall permit the City to audit, examine, and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement. The Contractor understands and will comply with the City's Accountability in Government Ordinance, §2-10-1 et seq. R.O.A. 1994 and Inspector General Ordinance, §2-17-1 et seq. R.O.A. 1994, and also agrees to provide requested information and records and appear as a witness in hearings for the City's Board of Ethics and Campaign Practices pursuant to Article XII, Section 9 of the Albuquerque City Charter.

8. **Pleadings.** All documents submitted to the Court or opposing counsel shall be copied to the City Attorney. Pleadings other than routine pleadings, such as briefs and motions, will be submitted to the City Attorney for review and approval prior to filing. Failure to submit such pleadings to the City Attorney in advance of filing may constitute grounds for termination of the Agreement or for refusal to compensate the Contractor for all efforts expended in preparation of the pleading. A sample of the signature line for pleadings is:

9. **Renewals.** Any continuation or renewal of this Agreement shall be the subject of further negotiations between the parties.

10. **Termination by Parties.** This Agreement may be terminated by either of the parties when required by law or upon fifteen (15) days' notice of termination, whichever occurs first, or substitution of counsel. Notice of termination does not nullify obligations already incurred on the part of either party for performance or failure to perform to the date of termination, subject to the limits on total payment to be made as set forth in Paragraph 3 of this Agreement and subject to the City's entry of substituted counsel as set forth in Paragraph 4.B.

11. Independent Contractors. The Contractor, its officers, employees and agents are independent contractors performing services for the City and are not employees of the City or its departments, agencies or instrumentalities.
