Transit Bus Stop Vinyl Sign Costs

- Aluminum backing - \$6.75
- Cost of production, materials, and ink - \$12.61
- Time for installation and cost of rivets - \$2.74
 - **Total: \$22 per sign**

Affirmative Solutions Median Signs

- *Option A* - Add to cost - Add multi colored printed decal to both sides of the Rt 66 steel emblem - Add \$50. per Median sign
 - **Total: \$546.62 per sign**
- *Option B* - Add to cost - add steel cut out powder coated to bring out the RT 66 logo two sides - both powder coated the same single color - example - the main outline of the RT 66 logo is welded to the median sign and powder coated black but now another RT 66 steel logo is powder coated in red or blue thus making it more of a 3d stacked RT 66 logo on both sides - Add \$60.00 per Median sign
 - **Total: \$556.62 per sign**
- *Option C* - Add to Cost - keeping Option B but adding yet another stacked logo of RT 66 emblem to add the third color and additional depth to the RT66 Logo - Add and additional \$60.00
 - **Total: \$622.62 per sign**
